RECORDED MESSAGES

Thanks To Bell Device Westgate Maintenance Offers 24-Hour Service

Twenty-four hour, seven day-a- week service is now offered by the Westgate Maintenance Co., 2518 W. Broad-st, thanks to the Bell system automatic answering service which is on duty when the regular switchboard is closed dur- ing evenings and week-ends.

When a customer calls the regu- lar telephone number of the com- pany, RA. 3087, while the answer- ing device is "on duty", he re- ceives a recorded message telling him that the regular staff is out of the office and any message he may wish to record will be played back shortly and acted upon.

Owner Raymond Dethy was amused at the message he played back one morning. The first re- corded words of the amazed cus- tomer calling, were, "Well, gee, isn't that wonderful! That's all I needed!"

Dethy stated, "We believe that with this equipment we will be able to give our customers the effi- cient service that they have the right to expect, especially for their heating and water heater equip- ment.

"In severe weather messages are taken off the recorder by one of our service men at several in- tervals through the night, so no one need be without service more than a few hours.

"We are always in . . . even when we're out!"

Man has one consolation—he can avoid a lot of fool taxes he has been imposing on himself.

Celtics Slip By All Stars With Slim 27-23 Tally

The Celtics made their season record read 2 and 0 Thursday, Jan. 13, as they staved off a last quarter threat by the All Stars to emerge with a 27-23 victory in Glenwood Recreation Center's intermediate boys' cage league.

The first quarter ended with the teams deadlocked at five-all. The second quarter, however, saw the Celtics dump in 11 points, while holding the All Stars to a single field goal. The third quarter was fought on even terms, but the final stanza saw the All Stars rally to toss in 10 points, while holding the Celtics to six.

Bernard Holland of the All Stars copped game scoring honors with 14 points, while Jeff Dum and Bob Dewitt collected 10 apiece for the Celtics.

The Trotters caged the Wildcats by a score of 56-8 in the second game of the evening. The Wildcats were held scorless in the first and third quarters, while the Trotters romped to their first regular season win. Bob Kreig led the victors with 20 points.

The third game was also a runaway contest as the Atomic 5 trounced the Panthers, 50-17. The scores at the quarters read 13-0, 24-7, and 31-15. John Hunter of the Atomic 5 dropped in 16 points to walk away with scoring honors.

The West Side Pirates also escaped with a 2 and 0 record as they got by the Bulldogs 36-24 in the final game of the evening. The game was harder fought than the score indicated. Although the Pirates managed to maintain a comfortable lead at the quarter marks, the score was much closer during the quarter. The quarter scores were 11-10, 26-12, and 30-18.

Dick Burris of the Pirates, high scorer in pre-season play, caged 14 points for individual scoring honors.

YOUR YOUTH

By Dick Wilson and Bob Schmidt

It won't be long now! The new YMCA office and meeting rooms are in the finishing stages. A group of volunteers recently brought paint brushes and mop buckets to touch-up and clean-up. Because of this work detail, the Y staff can begin moving next week. You can watch this paper for the announcement of when the offical opening will be and all of you are cordially invited to drop in and look over the new facility on this date.

Things program wise are really beginning to move again since the holidays. The Intermediate and Junior Church Basketball Leagues, as well as the two Gra-Y Leagues, are better than ever since the players had their two-week rest. The "Oldtimers" in the men's volleyball league recently resumed their activities and worked the New Year's kinks out of their backs. Club meetings, craft classes, and movies are also back on schedule. For the time and place for these events, check your January program schedule. If you do not have a schedule, drop in the Y office and pick up a copy — free of charge!

The Hi-Y and Y-Teens are co-sponsoring a trip for 20 boys and 20 girls to the United Nations and Washington, D.C. Plans are at this time being completed. The group will leave on Wednesday, Jan. 26, and return on Sunday, Jan. 30. Any Hi-Y boy or Y-Teen girl interested in making this trip should contact the YMCA or YWCA as soon as possible as reservations are limited.

The West Senior Hi-Y is laying plans for the Youth and Government program which is a statewide affair. The entire club hopes to attend the Pre-Legislative Conference which will be held at Denison University on Feb. 26. The Model Legislature will be held at the State Capital sometime in April. Bill Spratley and Vic Jutt will be the West Hi-Y representatives at the legislature.

In closing this week's column, the Y staff and Board of Management wish to say "Thanks a Million" to the ticket committee which is doing such a great job of promotion on the annual banquet. The banquet will be held at Glenwood Methodist Church on Jan. 25 at 6:30 p. m. and Ohio State's All-American Howard "Hopalong" Cassady will be the guest speaker.

Hilltopper Carl J. Schmelzer In Middle Of African Safari

If you've seen any of the latest movie versions of South Africa, you may well imagine the excitement that Hilltopper Carl J. Schmelzer, 281 N. Ogden-av, is experiencing in his safari on the "dark continent."

Schmelzer, Hilltop contractor and owner of the Schmelzer Shoe Shop, left Columbus on Christmas Day to join a Pittsburgh contractor who is making the trip with him.

According to Schmelzer's sister, Wilma, who also resides with her mother, Mrs. Carl S. Schmelzer, at the Ogden-av address, the two world travelers met on a vacation three or four years ago in Acapulco, Mexico. Since that time they have teamed up to do much of their traveling.

Since the pair left home, they have visited New York City; Ireland; Rome, Italy; and Cairo, Egypt; on the first leg of their trip, which was arranged for them by a safari company in Nairobi, South Africa.

In the last letter which the Schmelzer family received on Jan. 14, the Hilltopper and his Pittsburgh friend were 200 miles from Nairobi and ready to go into the bush. They will be hunting in the bush for 30 days and have licenses to hunt every type of game but elephant.

Carl Schmelzer

Wilma Schmelzer laughingly explained that the family, which includes Dr. William Schmelzer and another sister, Mrs. Kileen O'Hearn, both of the Hilltop, is anxious to see what the Hilltop hunter brings back as a souvenir when he returns early in February. Miss Schmelzer said, "We're afraid it will be something alive, like a monkey or something. But, oh, I hope not."

LITERARY CLUB TO MEET

Mrs. R. D. Cromer, 4849 Dublin-rd, will be hostess to the Sunset Literary Club Wednesday, Jan. 26, at 1:30 p.m. Mrs. Daniel Joseph will be co-hostess and Mrs. Orville Norris of Delaware will present a book review.

Mail — From Columbus: "She says her new daughter-in-law is very sophisticated and when we asked her what she meant by sophistication, she said 'She knows all about all the movie and TV stars; who is married to whom and everything' . . . (THAT's sophistication!) . . . From an old letter: "Our Christmases in 1880 were rather like an old country wedding—they lasted two weeks. My younger brothers and I were sent to bed early on Christmas Eve. We slept in a room over the sitting room, two beds, three in a bed. Nobody knows the mental suffering we endured, having to be still and listen to all the giggling coming up from downstairs where the stocking-filling was in progress. It we got restless, Father would pound the ceiling with a broom handle, and we knew what that meant. Of course we didn't sleep much that night. Once when I was ten years old, I got up enough courage to creep downstairs at two o'clock in the morning for a little reconnoitering. It was pretty cold and I was shivering, but it was worth it. I turned up the oil night light, and cast a hasty eye over the stockings. There were eight of us children so there wasn't enough room around the fireplace, the overflow had to hang their stockings on doorknobs. Bert and I had doorknobs that year, and when my glance fell on his stocking I knew that everything else was going to be an anticlimax. I had never seen anything like it. I didn't dare to investigate nor to call anyone, so I had to go through the agony of waiting until morning. I was consumed with curiosity and envy while Bert opened his stocking. The present was what they called a Jumping Jack. It was a grotesque, brightly-painted wooden Punch, fastened between two sticks of wood. When the sticks were pressed together, Punch became an acrobat. My jealousy of his Jumping Jack wasn't altogether a bad thing, however, because in the next few days I made a Jumping Jack of my own that was just as good, except for the lack of bright paint. I can only remember one year when we had a Christmas tree. For some reason, Father let us cut a cedar and festoon it with long strings of popcorn. The other years we just hung up our stockings, and were amply satisfied with the rare treat of an orange apiece, some nuts, peppermint and lemon sticks, and hard mix; a present or two. After all, if there are eight children in the family and a mother and father who are young in heart, they already have a big start on Christmas.

In the big box of old letters, ad infinitum, was the following poem "writ by hand by The Early Worm, Irwin A. Johnson," August 27, 1945:

QUERY AND FRUSTRATION

And now while you indulge in your
matutinal ablutions
And ponder on your problems and
their knocked-out solutions,
Give a passing thought to the
stranger in your midst,
And for his chances of success,
what would you bidst?
Or perhaps it is improper to put
that knotty question
Before you've had a chance to
tackle your digestion.
If so, just pass it over with a nod
of condescension
And I'll go running forward in my
race toward hypertension.
(Moral—if you don't want your poems to pop up ten years later in In Passing, don't send them to me!)

In Passing—Down Portsmouth way is a V. I. P. age ten, who has launched a one-man campaign to debunk Oscar Wilde's theory that poets are born; not paid. He wrote a poem "The Boogie Man" and had been selling it to his schoolmates for five cents a copy, till he recently upped the price to ten cents, according to his mother. This enterprising young tycoon has built up quite a business, and it would not be fair to cut into his profits by printing the poem here, although it was sent for that purpose. The poem would appeal to the small fry, rather than those of us who think we do not believe in the Boogie Man, per se. Jimmie (pardon sir, JAMES) will probably learn as he grows older that there are boogie men and boogie men. But this poem, he tells me in an author's note, is a poem with a moral.

Thunder is caused by a flash of lightning heating the air which then expands and sends out a wave. Wave causes the noise.

Twelfth Night Is Observed

The 80 persons who participated in the first Hilltop Twelfth Night Celebration, held on the Albert Pinapple farm and sponsored by the Hilltop Lutheran Choir, witnessed the burning of a huge, 90-Christmas tree bonfire that shot flames as high as 75 feet into the air.

Included in the age-old tradition, was the singing of the Christmas carols for the last time this season. Carolers were accompanied by members of the Ohio State University Marching Band. The group concluded the caroling with the choir singing the "Benediction Hymn."

The Hilltop Lutheran Choir plans to invite other West Side choirs to help in carrying out this festive tradition on the twelfth night after next Christmas.

can report some progress," Koontz said. "I believe that my background will allow me to stress sincerely the idea of City Hall and Court House harmony. Actually, though, my campaign will probably be based on three-way harmony, including the township in the picture."

"My recent political experience has shown me that the three forms of government have much to gain through a close working relationship," he concluded.

DeVore, independent Republican, who has announced that he will either gain the GOP convention endorsement or withdraw from the race, had only this to say about the large crop of Hilltop candidates:

"It looks like the Hilltop is really getting on the political map!"

Although unsuccessful in his 1953 candidacy for mayor, DeVore has declared that his program "can and will bring Columbus out of the red, yet give the citizens more than they've ever had in public service, with repeal of the present system of city income tax as eventuality."

DeVore devotes the first three months of his work year to tax accounting, with the balance of the year given to appraisals and liquidations as a licensed auctioneer, surveys as an efficiency expert, property management as a licensed agent, and maintance work on his properties and equipment.

The part of the body some people talk with is generally too big for the part they think with.

● Hippocrates, the "father of medicine" was compelled to compound his own simple prescriptions. How he would have revelled in our ample stocks! He'd need a guide, to be sure. NATIONAL AAU AWARD Winner Bill Chappelear is shown being congratulated by Glenwood Recreation Center Director Charles Moore. Bill, representing Glenwood, also won first place in the Central High Junior Olympic meet at Ohio State University last August.

Grandson Of Late Judge Randall Carries On Public Service Tradition In Indiana

Edward Randall Nicklaus, nine-year-old grandson of the late Franklin County Common Pleas Court judge and beloved Hilltopper, and Mrs. Cecil J. Randall, apparently is carrying on the family tradition of public service in Indiana, where he served as a page in the 69th General Assembly in Indianapolis, on Jan. 10.

Eddy, son of Mr. and Mrs. Edward W. Nicklaus, former Hilltoppers, is already an 'old hand" at the game of politics. At the age of seven he attended and worked with his mother and father who were state Eisenhower leaders in Indiana. He spent many hours in Chicago at the National Republican Convention as well.

The day Eddy spent as a page earlier this month did not cost him an absence mark from school since the school authorities considered the experience of great importance to a fourth grader. A bill carried by Eddy, which proposed that a law be passed providing that no student page be marked absent while serving the legislative body was introduced into the Indiana Legislature.

Edward R. Nicklaus

Eddy has announced plans to become an Ohio State University football player and attends many of the games.

Local Methodist Church School Of Missions Holds Its First Session

By Louise Pohlman
FR. 8-4186
c/o Hilltop Record, P. O. Box 29, Hilliards, Ohio

The school of missions of Hilliards Methodist Church held its first session on Sunday, Jan. 16, with approximately 75 people present.

Mr. Ram of Mysore, India, explained the geography and customs of his country to the adult group. During the time the speaker visited the children's classes, Paul Miller told of his experiences in India during World War II and Ted Ruder gave a brief sketch of Pakistan. Robert Snider told about Ceylon, and Charles Hahn discussed the Hindu religion.

Following the class sessions, Mrs. Paul Van Cutin and her committee, Mrs. Robert Morris, Mrs. Mart Boerner, Mrs. Robert Kinney and Mrs. Donald Johnson, served supper to the entire group.

The next session of the school, scheduled for Sunday, Jan. 23, will feature a sound-color movie called "The Village of the Poor," followed by discussion classes and supper at 35 cents for adults and 25 cents for children.

Rolland Lapanner is in charge of the adult group; Mr. and Mrs. George Francis and Mr. and Mrs. Harry R. Burton have the intermediate group; and Mr. and Mrs. Ned Woodruff and Mr. and Mrs. Albert Gehres are in charge of the junior department.

Kindergarten and nursery arrangements are being handled by Mrs. Austin Ritchie and Mrs. Claude McCann is in charge of devotions. The general supervision of the school is the scope of the commission on missions of the church. The entire community is cordially invited to attend all sessions.

About 40 members of Perry Community Grange visited Hilliards Grange on Thursday, Jan. 13, to put on the program which was planned by Esther Randles, lecturer of the Perry Community Grange.

The theme of the presentation was "Be Alive in '55". The idea was carried out by talks, music and a two-act play written by one of the members. The program was reportedly excellent and greatly enjoyed by Hilliards Grangers.

On Jan. 20 the local Grange will go to Perry community and confer first and second degrees on their candidates.

At the regular meeting of Hilliards Grange, Jan. 27, the Hilliards degree team will put on the first and second degrees for their candidates. Each member is asked to "please bring some cookies and sandwiches for the refreshments that evening."

The organization meeting for the night circle of WSCS, Hilliards Methodist Church, was held at 12 at the church. Officers of the parent organizations were hostesses. Sixteen ladies enrolled in the new group and selected officers: Lura Merrie, chairman; Margaret Gehres, program chairman; Josephine Francis, secretary; and Merle Patterson, treasurer.

The group selected the third Tuesday of each month for the evening meetings. Norma Crays and Mildred Fink will be hostesses at the next meeting on Feb. 15.

Goodwill Industries held open house at 1231 Edgehill-rd on Friday, Jan. 14. The Goodwill truck will be in Hilliards on Monday, Jan. 24.

The Mothers Club of Hilliards Elementary School is sponsoring a 10-week social training and dancing course for children of the seventh and eighth grades.

Classes began Monday, Jan. 17, at 4 p.m., in the school auditorium. Mr. and Mrs. Larry Horn will give instruction in basic dance steps to the accompaniment of records. In succeeding years, more advanced steps will be taught.

The 86 boys and girls who have registered will be chaperoned at each session by three members of the dancing committee of the club, which includes Mrs. Arthur Bogen, chairman; and Mrs. Donald Printz, Mrs. John Russell, Mrs. John Yore, Mrs. Paul Pence, Mrs. Richard Marsh and Mrs. Lewis McCracken.

The Ladies' Auxiliary of Memorial Post 614, American Legion, celebrated its birthday on Jan. 15, at the Legion Hall with a pot-luck supper. About 30 couples were present and enjoyed the meeting. Phyllis Burton won high prize and Dot Ruder the low award in the series of games following the supper. The men of the post presented the Auxiliary with a splendid folding table which will augment the existing inadequate supply of tables at the Legion parlors.

The Auxiliary continues to hold games parties at the hall every other week. The next meetings will be held on two consecutive Friday evenings in January, on the 21st and 28th. There will be two parties in February and two in March. The ladies of the Legion would be happy to have game fans in the community note the dates of their parties and turn out in full force. Much still needs to be done to bring the hall facilities up to the ideal set by the local post.

Marjorie Clark, director of Pixie Playschool, announced the recent certification of the school by the State of Ohio. It has been licensed for day care as well as kindergarten training for pre-school children, and is the only licensed playschool in northwestern Franklin County, Mrs. Clark said.

The latest teaching methods recommended to enable the child to enter the formal school well adjusted to group environment are followed at the Pixie school. Mrs. Clark is a member of the Association for Childhood Education and has been invited to attend a summer course in child development at Ohio State University.

Music Boosters of Hilliards High School held their regular Monday meeting on Jan. 17. On Tuesday the Tri-Hi-Y girls held their "sweater dance." The high school basketball team plays Grove City here Friday evening.

Rev. Max Good gave a lecture and showed movies of his 100-day trip through Africa at the Mothers' Club meeting, Thursday of last week.

Mr. and Mrs. John Russell and children returned home from a two-week visit in Florida with Russell's parents at Fort Myers. Mr. and Mrs. Bliss F. Russell were reported to be in good health . . . Mrs. Irene Lyday underwent surgery at Doctors Hospital in Columbus last week.

Mrs. Margaret Link is at University Hospital recovering from an operation for the removal of a cataract last week . . . Mrs. Rita Gatton, formerly of Hilliards, is ill at her daughter's home in Fostoria . . . All these sick folks would appreciate hearing from local friends.

Mrs. George Tillman and Mrs. Charles Tillman were called by the illness of their father to their home in Mapleton, Iowa, last week. They left Hilliards Tuesday night of last week and returned home Sunday morning, encouraged by the improvement in their father's condition . . . Nelson Russell and Jack Headlee of Russell's Appliance-Hardware Division left Tuesday morning for Chicago to attend a building and merchandising show.

Mr. and Mrs. J. C. Link, 100 S. Norwich-st, were reported to be in feeble health. The couple celebrated their 56th and 79th birthdays respectively, the fore part of this month . . . Mrs. Hazel Arndt, Mrs. Ferne Walton, Mr. and Mrs. Water Arndt visited Carl McCann at Jerome last week and found Mr. McCann much improved following the injury to and amputation of his left leg earlier this fall.

Mrs. Charles Link of Columbus, formerly of Hilliards, suffered a heart attack on Sunday morning while on a short automobile trip with her husband. Her doctor recommended bed rest for a time to overcome the condition.

Sympathy of the community is expressed to the families of Mrs. Carrie Myers, Simon Schatz and Irving Anderson, all of whom passed away during the past week.

Sherick Hilltop Studio To Start New Streamline Dance Program Jan. 25

Jack Sherick has announced a new streamlined program for his ballroom dancing classes, including those in the Hilltop Studio. After considerable research with the ballroom classes in his 10 studios and with the aid of a consultant a new program was devised.

The changes call for longer beginning courses and shorter advanced courses, with a reduction in the price for the beginning courses. Instruction has been streamlined in order to present more different types of dances and more step patterns in each type.

In test classes the students learned basic work faster, and had more relaxation and styling to their dancing at the end of the course. Social deportment is also taught in all ballroom classes.

Sherick's new program will be introduced in the new beginner's class for teenagers and young adults, starting in the Hilltop Studio at 2352 W. Broad-st, on Tuesday, Jan. 25. Enrollments are now being received for this class at the Downtown Studio, 67 N. Fourth-st.

West Win Streak Makes Cowboys 'Surprise Squad' In City League

By Woody Owen

West High Schools' Cowboys, given very little consideration when the season began, continued to be the surprise cage squad in the city league last week as they scored their seventh and eighth wins of the campaign and their sixth and seventh in succession, against both league and non-league opposition.

Tuesday night, Jan. 11, the Cowboys led all the way to outclass completely a previously unbeaten Marion - Franklin squad by a score of 78-58.

Dick Furry and Jim Vincent tied for the games' top scoring honors at 25 points each, with the former again turning in another fine game off the boards.

The final outcome might have been even more decisive had not the locals lost the services of Paul Longmeier who is one of their top rebounders and scorers. He is expected to miss several games because of a badly-twisted knee.

Friday night, Jan. 14, the Cowboys remained in city league contention as they scored their third win, as against two setbacks by handing Linden McKinley a 55-47 setback. The Cowboys trail the loop co-leaders, East and Central, by one full game.

Two goals by Vincent and one by Pruden gave the Cowboys an early lead which they never relinquished throughout the contest, although once in the third period the Panthers rallied to whittle the score to 37-35 and again in the finale to 46-44, but each time the Cowboys pulled out of danger.

The locals again demonstrated their well-balanced attack, which has been largely responsible for their fine record to date, by again having four starters in the double figures. Vincent had 18, Furry 13, Pruden 11, and Randall 10. Furry again controlled most of the rebounds.

For the Panthers, Ron Porter stood out with 17 points and played an excellent floor game.

This Friday night, Jan. 21, the second triple-header of the season is in store for local fans at the Ohio State Fairgrounds Coliseum with East and Linden meeting in the opener at 6:30, Central and West closing in the feature contest at 8, and North and Aquinas closing out the nights action beginning at 9:30.

"Doctor," said the pretty nurse, "every time I take the patient's pulse it gets faster. What shall I do?"

"Blindfold him!"

Cooper Realizes Boyhood Dream As Boss Of Columbus Baseball

EDITOR'S NOTE: West Side News columnist Jerry Welsh and Harold Cooper were boyhood pals and team-mate athletic teammates. Jerry has had an opportunity to observe the inception of the great baseball dream by Cooper and its fulfillment after years of nurturing.

By Jerry Welsh

Our story concerns a childhood dream come true. A story of a West Side boy who dreamed since he was nine years old of someday becoming the big boss of the Columbus Baseball Club.

Harold Cooper lived with his grandparents at 128 Dana-av, and attended Dana Avenue School. School was dismissed at 3:15 p. m. and that meant the ball game at Red Bird stadium had started 15 minutes earlier, so Harold would head for the ball park as fast as the little nine-year-old boy's legs would take him over back fences, through lots, across dangerous railroad tracks and over busy thoroughfares. He entered the ball park by every scheme imaginable.

The big new Red Bird stadium, opened in 1932, was the ultimate in all the dreams of this lad. To someday become the "big boss" was more than just a wishful dream or the workings of a hero-worshiping imagination, it was his goal, his objective in life and it indelibly marked his mind and heart with a burning desire to strive, to study, to sacrifice anything to accomplish this chosen vocation. He was well aware of the vast obstacles that would have to be surmounted—obstacles bigger than the fences he climbed on the way to the ball park, the railroad tracks he crossed would become harder to cross. Because of being born on the wrong side of the tracks he would have to cross those tracks of life and receive the whole-hearted support of those whom we consider fortunate for having been born across the tracks. These busy thoroughfares would have to be turned toward his ball park instead of away and offering hazards to those making their way to the [illegible].

Harold didn't sit back and dream about his future. He started to build right away with a positive approach to his purpose in life. He graduated from the Dana Avenue School and entered Starling Junior High School. In 1936 he was hired by Red Bird president, George M. "Red" Trautman as assistant club house boy. As assistant to Pete Alloy, a star Aquinas athlete, Harold's duties were to clean spikes and spittoons and any other chore that the ball players or Pete Alloy wanted done. At Starling he played baseball and basketball under Coach Smitty Smith. He entered Central High and during his first year he moved to the Hilltop at 175 Binns-blvd. At Central he was coached by Dave Parks (retired this year) in baseball and football and he was a member of the basketball team. In baseball he played left field. Each spring and summer he would perform his club house duties so well that he was made club house boy, and then in 1939, Al Banister Red Bird president, asked him to go around to the surrounding Central Ohio cities and promote the Columbus Red Birds by tacking up signs and talking to people. This was the beginning of his front office experience.

Graduating from Central High School in 1940, he entered Ohio State University College of Arts. After one year at Ohio State he was a member of the Coast Guard from Dec. '43 until 1946.

When George "Red" Trautman was appointed president of the National Association of Professional Baseball League in January 1947 he moved the association's headquarters from Durham, N.C., to 720 E. Broad-st. Harold Cooper appeared on the scene to help establish the headquarters. He helped with the moving, the mails, errand boy, and any other task that he could do to help—and I might add—he worked for free until a job could be established for him. Later he served as a trouble shooter and was in charge of the Umpire's Bureau.

In 1948 he helped set up the first school for baseball business managers. These sessions were held at the Southern Hotel here in Columbus.

Hired as general manager in 1949 of the Hutchinson, Kans., baseball team, Cooper was confronted with quite an arduous task as the ball park had been demolished by a tornado. They didn't have a team manager, nor even a player signed. Hutchinson was a member of the Western League, which is considered a "suitcase" league where the general manager hires and pays everyone, sells advertising, prints and sells the tickets, and does everything else connected with operating a ball club for a season.

Cooper is quick to say that only with the tremendous cooperation of all the good fans of Hutchinson was he able to rebuild the stadium and field a team. And although the team finished last in the league it led the league in attendance—they had more fans than the Columbus Red Birds. (Hutchinson's population is only 33,000, compared to 500,000 in Columbus. His second year, the Hutchinson team finished second and won the playoffs. For his outstanding work the "Sporting News" awarded Cooper an award as the outstanding baseball business executive of 1950. This was the first time that this award was presented to anyone below Class AA.

Cooper returned to Columbus three years ago with the idea in mind to bide his time until he could make a move to get the Red Birds away from the Cardinal organization and into the hands of local business men.

While biding time, Cooper worked as a salesman for Burba-Kern Printing Co., 325 E. Spring-st.

The Toledo, Toronto, Buffalo and Colorado Springs baseball club's owners have attempted to hire Cooper as their general manager but he was content to wait for his dreamed of opportunity here in Columbus.

When the Cardinal organization announced its intentions for 1955, it was Cooper's signal to move and move fast. He quickly rallied leading businessmen and industrialists together and sold them on the idea of purchasing the stadium and baseball team.

This was his supreme sale, his life-long dream slowly becoming a reality. Cooper championed the cause of baseball throughout the community. The answer as to whether or not he was successful can now be told, for on Jan. 11, 1955, the office of the secretary of state of Ohio is recorded the incorporation of the Columbus Baseball Club. Its officers are leading Columbus businessmen.

On Monday, Jan. 10, 1955, Harold M. Cooper was officially appointed general manager of the Columbus Baseball Club—a dream come true!

Today, Harold Cooper, 31 years old, lives at 1095 Elizabeth-av with his pretty wife, Eloise, and their son, Tommy, six years old.

Cooper said that the magnanimous gesture by the businessmen who gave such large sums of money to save baseball in Columbus is one of the finest displays of generosity; a manifestation of the true spirit of civic pride.

These men have not only given of their wealth but have given of their valuable time, experience and wisdom in the formulating of plans for a feasible non-profit organization providing baseball and other sporting events in the baseball stadium. Cooper also sincerely appreciates the wonderful support and cooperation the fans have shown during the negotiations and their warm-hearted response since he has taken over.

His plans are incomplete at the present but to list a few:

He has appointed "old reliable" Chuck Wareham as business manager; he'll sign a manager and players to contracts after he talks with the Columbus parent club which is Kansas City in the American League (Kansas City is building, too, so not much help is expected), and he will pick a Florida training camp location. Because of the lack of an abundance of funds, the club won't start spring training until the 15th or 17th of March, with the opening of league play scheduled for around April 20th. The sale of boxes to business and industry has been well received, with more boxes having been sold already than ever before (each box will be marked enabling the purchaser to take it off his income as advertising. A community ticket sale (10 for $10) will start shortly. The ticket goal is set at 200,000 which would be quite an attendance record for Columbus.

Cooper said that as a non-profit organization they will not return any profit made to the young organization of the community. This is all the more reason Columbus should support this new enterprise.

Cooper plans to have many other sporting events in the stadium, such as high school football, Babe Ruth Little League baseball, circuses, roller derbies, etc. Plans to have ballplayers visit and instruct at sandlot games and recreation centers are also being talked.

"We can't expect a pennant the first year, but we'll give it all we can," said Cooper.

So, Columbus, we now have baseball. Let's name it, support it by going to the stadium. We all should get behind this former West Side youth who has struggled against overwhelming odds to show all of us that not only did his dream come true but the dreams of many, many of us baseball fans who feel that "baseball builds better boys."

DREAM DESK—Harold Cooper has dreamed of sitting at the desk above as general manager of the Columbus baseball Club since he was nine years old. The desk, office, and title at the West Side Stadium became his officially on Monday, Jan. 10, after his one-man campaign to return professional baseball to Columbus had met with success.

Westgate Methodist Earns 74-18 Victory Over Hoge Memorial Five

By Harry Gradel

Westgate Methodist strengthened it's hold this past week on first place in the Hilltop YMCA Intermediate Basketball League with a 74 to 18 victory over Hoge Memorial Presbyterian. Jim Cobb had his best night of the year for Westgate, hitting for 20 points while his team-mates, Bob Kern and Jerry Pollock, netted 15 and 17 points. Westgate jumped into a 15 to 0 lead in the first period and the outcome of the game was never in doubt. Jerry McLinn tossed in eight tallies for Hoge.

Hillcrest Baptist and Burgess EUB hooked up in a real battle, with Hillcrest coming out on top 46 to 38. Sherwood Waltman turned in a top-flight performance for Hillcrest, scoring 17 points and playing a sterling defensive game. Tom Coffman aided the Hillcrest cause with 13 markers. Dick Trott was the leading player for Burgess with 13 points. Burgess had many opportunities, but missed 25 free throws during the game.

West Park Methodist broke into the win column for the first time with a 30 to 23 win over the luckless West Sr. Hi-Y squad. Chuck Deyo led the West Park attack with 19 points in addition to controlling the rebounds. Breckenridge and Sowers played excellent ball for the Methodists. Floyd Lord was the leading light for West Sr. Hi-Y, tossing in 12 points.

Jets Nip Hawkeyes In Jr. League Tilt

The Jets pulled a much-needed last-half rally to sneak by the Hawkeyes 14-12 Wednesday, Jan. 12, in a junior boys league game at Glenwood Recreation Center.

The first half was all defense as the Hawkeyes were able to score only four points and the Jets went pointless. The second half, however, was a different story. The Jets exploded for 10 points in the third quarter and four in the final, while the Hawkeyes hit for six in the third and were unable to score in the final stanza.

Bob Dean of the Hawkeyes and Thurmon Edmonds of the Jets each collected six points to lead their respective teams.

The Jailhouse 5 continued its winning spree by trouncing the West Side 5, 44-9. The score at the quarter marks were 10-0, 22-2, and 34-6. Don Barnes of the Jailhouse 5 copped scoring honors with 18 points.

Hilltop Y Jr. Church Cage Loop Remains In Two-Way Deadlock

By Dick Wilson

The Hilltop YMCA Junior Church Basketball League remained in a two-way tie as Glenwood Methodist and Westgate EUB were still undefeated after league play last Saturday.

The Glenwood Methodist team displayed lots of ability as they ran up a score of 100-4 against a young and inexperienced Community Christian Five. The victors used a fast break and a "snow-bird" to score the majority of their points.

Westgate EUB also had an easy time of winning against Hilltop AC as they played their second team a good part of the game to win 56-20. Jeff Dunn, star center of the Williams-coached team, led the team scoring with 19 points, although he only played in the first and fourth quarters. Kent Morris led the losers with nine points to his credit.

Westgate Methodist defeated an improved Burgess EUB team in the third game of the day to the tune of 49-23. This game was never in doubt from the beginning as the Methodists jumped into an early lead which they never relinquished. Dave Ewing led the visitors' well-balanced attack with 12 points and he was closely followed by Roy McQueen with 11. Offensive leader for the losers was Dave Deersam with 11 points. Outstanding defensively were Pete Trott of Burgess and Danny Grubb of Westgate.

Once again the West Jr. Hi-Y played the best game of the day as they were edged by Hoge Memorial 24-20. The Y team, which has the only female coach in any of the Hilltop leagues, was beaten in an overtime last week by Westgate Methodist.

Bob Smoot and Jim Topping made the slight difference between the two teams as their definite height advantage was put to good use. Smoot controlled both backboards and Topping led both teams in scoring with 10 points. Bill Ingle once again led the losers with seven markers to his credit. Don Barnes played a good floor game but was tied up in his favorite side shots by an alert Hoge defense.

West Park Adds To Lead In Volleyball Loop Of Hilltop Y

By Dick Wilson

West Park Methodist picked up three games last week at Glenwood Church to increase its lead in the second round of the Hilltop YMCA Old-Timers Volleyball League. This victory over Hillcrest Baptist gave the Methodists a six win and no loss record for the second round and 15 win and no loss record for the season. On the roster for the victors were Stimson, Laughlin, Shoaf, Dailey, Dilley, and Kearney.

Glenwood Methodist bounced back from last week's defeat to "clobber" St. Paul's Evangelical and Congregational Church 15-3, 15-8, and 15-9 in their three-game series. The victory team was made up by Nichols, D. Young, Haybron, Postelwaite and D. Roederer. The losing team was composed of G. Moran, F. Dunn, R. Stout, W. K. Vance, and C. Whitaker. Outstanding performers were Postelwaite and Dunn.

Hard-Pressed Lightning 5 Rally To Hand Hurricanes 53-39 Defeat

The Lightning 5 were pushed in their senior league outing at Glenwood Recreation Center on Tuesday, Jan. 11, by the Hurricanes, who had all intentions of pulling an early-season upset. However, the Lightning 5 rallied to compile a 53-39 victory.

The Hurricanes took command of the game at the start of the first quarter and led 12-8 going into the second stanza. Here, the Lightning 5 began to find the range, and they collected 14 points, while the Hurricanes added 10 more to deadlock the score at halftime at 22-all.

The third and fourth quarters found the Lightning 5 hitting with their old consistency as they poured in 31 points, while holding the Hurricanes to 17. Dick Witter of the Lightning 5 led the scoring parade with 22 points, while Mike Posey netted 17 for the Hurricanes.

Milo won its first senior league game of the season by downing State School 65-12. The game started off slowly, but Milo progressed steadily, scoring 8, 19, 14, and 24 points in each quarter. Kenny Metzler of Milo went on a scoring spree to dump in 34 points. Jones led State School with eight.

The Hilltoppers continued their winning ways by trouncing the Whiz Kids 60-41 in the third game of the evening. The Whiz Kids were actually beaten in the first half as they scored only eight points, while the Hilltoppers netted 30. The Whiz Kids outscored the Hilltoppers 33-30 in the second half.

Dick Berls and Pete Spurlock scored 13 points to pace the Hilltoppers, while Ron Forrer netted 13 for the Whiz Kids.

The Pirates and Clowns fought it out in the final game of the evening with the Pirates emerging victors by a 42-34 tally. The Clowns led the first two quarters 7-6 and 18-13, but the Pirates pulled ahead by one point in the third quarter to lead 23-22. The final quarter saw the winners sink 19 points, while the Clowns' efforts netted them 12.

Jim Hakes and Ernie Mawhirter of the Pirates and Dick Link of the Clowns all connected for 13 points each.

Then there's the story of the baby sardine that was frightened by a submarine and went crying to its mother. "There, there, dear," soothed Mama Sardine. "Don't be upset. It's only a can of people.

MUCH ADO ABOUT NOTHING

Localites Oppose New Parking Bans

Erroneous reports that the city traffic commission last Tuesday had considered recommendations to ban morning and evening rush-hour parking on both sides of W. Broad and W. Mound-sts and Sullivant-av from the Scioto River westward to the city limits stirred up a hornet's nest of local opposition late last week.

Ed O. Melvin 197 S. Warren-av, a member of the city traffic commission for the past seven years, declared Friday that no such proposal had been made by City Traffic Engineer James V. Musick before the commission.

Melvin stated further that Musick had made the most casual reference to the fact that he might bring up shortly before the five-voting member board the advisability of extending the rush-hour ban to portions of the three streets at some time in the future.

"The rumored proposal," Melvin declared, "would involve 16 miles of street which would require hundreds of signs, extra policing, and even extra tow cars for effective enforcement. That's just too much! And without such action, an ordinance prohibiting rush hour parking would be ineffective and only tend to increase disrespect for laws."

The rush-hour ban is already in effect along W. Broad-st from Hague-av to the city limits and has been so since shortly after the completion of widening of the pavement by 12 feet some 18 months ago, Melvin said. This ban was required when the city accepted state and federal assistance in financing the widening; however, enforcement has been quite lax.

After learning the fact that the traffic commission had not entertained such a radical proposal, C. H. Campbell, executive secretary of the executive secretary of the Hilltop Business Association, still polled members of the HBA at the organization's meeting last Wednesday night.

"We'd fight it," he reported later, basing his remarks on the consensus of the membership. "There would be no need for such an ordinance and it would do more harm than good. Besides," he added, "it would definitely hurt the merchants."

Campbell went on to explain that even the thought Musick has expressed, although not in the form of a proposal to the traffic commission, for banning 7-9 a. m. parking on the south side over much of the lengths of the three streets and from 4-6 p. m. on the north side, would tend to cause more traffic complication on the Hilltop.

"The ruling," he said, would throw all the traffic on the South Side of the street at the same time as the heavy traffic influx from General Motors and Westinghouse crowds the south lane of W. Broad-st during the evening hours."

Musick himself declared that he was merely discussing with traffic commission members some traffic volume studies which might point to extension of rush-hour parking bans on portions of all three streets when, he was misunderstood.

"Such parking restrictions," Musick said, could not be justified the full length of Mound-st—probably just to Wayne-av. On Sullivant-av, our volume studies are to determine capacity to see whether such bans should be made.

"On Broad-st, however," Musick said, "we know such parking restrictions are justified, on the basis of traffic and in accordance with the city's agreements with the state and federal government when it accepted financial assistance in repaving and widening.

"We had definitely planned to go before the business organizations involved before asking city council for any such enabling ordinances," Musick concluded.

Musick is not a voting member of the traffic commission, which alone has the authority to ask city council for such ordinances.

Opening Of New Ohio Nat'l Bank At Central Point Set For Spring

A new West Side banking office now under construction at 1440 W. Mound-st in the Central Point Shopping Center will be opened early in the spring by the Ohio National Bank, it was announced Tuesday by Don M. Casto and Don M. Casto, Jr., Central Point developers.

The new banking office, which will be located adjacent to the Central Point branch of the U.S. Post Office, will render complete banking service to Central Point business establishments and the surrounding West Side, as well as the suburban communities to the south and west of Central Point, which is located at W. Mound-st and Central-av.

Such modern banking facilities as safety deposit boxes, night depository service, 24-hour depository service, and automobile drive-in banking will be available. The new bank will be one of the most commodious in the Ohio National chain of branches, and will occupy a specially designed office room 75 by 60 feet, with immediate parking facilities on W. Mound-st for 100 cars, as well as the spacious 2,000-car parking area of Central Point Shopping Center.

The addition of the bank and post office completes the all around business community of Central Point, according to Don M. Casto, who added, "By making a complete banking service available at Central Point, the directors of the Ohio National Bank have complemented the merchandising facilities and other services now available at this important West Side merchandise mart."

Offer Awards For Best Recreation Area Name

Families of Columbus, Inc., a group which has purchased a tract of land southwest of the city for recreational purposes, is offering awards to those who submit names adjudged to be the three best for the site, according to W. Pat Mulholland, 186 S. Southampton-av, treasurer of the organization.

The group banded together, Mr. Mulholland said, to seek the answer to the common need of all to have available adequate facilities for picnicking, swimming, etc. The site they chose is located at 4822 Hall-rd, approximately three miles from Sullivant-av and Demorest-rd.

In addition to family memberships, some individuals may also be admitted, the sponsors say.

Details of the contest to name the recreational area may be found on Page 5 of this issue.

Mrs. A. E. Kemp Killed In Crash On W. Broad-st

Mrs. Arlena (Lena) E. Kemp, 46, of 124 S. Brinker-av, was killed Tuesday night when her car skidded out of control in front of another auto near the base of W. Broad-st hill. Pronounced dead at Mt. Carmel Hospital, police said she had apparently suffered a broken neck.

Mrs. Kemp roomed with her brother, H. E. Sayre, of the Brinker-av address. He is the owner and Mrs. Kemp was manager of Sapp's Drive-In and Ole Hickory Pit Barbecue, 3689 W. Broad-st.

Mrs. Thelma Dover, 28, 443 Eldon-av, a passenger in the car, was treated and released in Mt. Carmel Hospital for shock and possible back injuries.

The other driver, John L. Wagner, 28, of Linthicum Heights, Md., suffered minor injuries.

Also surviving Mrs. Kemp is a son Lillard (Buck) Law of Gambier; mother, Mrs. Della Sayre, 43 S. Wayne-av; three sisters, Mrs. Sue Stewart, 43 S. Wayne-av; Mrs. L. C. Hamilton, Cane-rd, and Mrs. Edgar Sayre, Parkersburg, W. Va.; two brothers, J. Marshall, 3871 Clearview-rd, and Isaac Sayre of Charleston, W. Va.

Funeral arrangements, under the direction of Jerry Spears Funeral Home, were incomplete Wednesday, pending the arrival of her son from Gambier.

Fund For Family Of Truck Victim Hits $414 Level

A total of $414 had been contributed to a fund to help ease the financial lot of the bereaved widow and three young children of the late Howard Grooms as of Tuesday afternoon.

More than half of that amount had been given by members of the Westgate Evangelical United Brethren Church, where Mr. Grooms was to have become a member late this month.

All of the funds had been turned in to the master collection of the Hilltop Kiwanis Club. The collection will remain open for another month, according to Mack Pemberton, president of the Hilltop Kiwanis Club.

Already, the I-Da-Ra Class of Westgate EUB Church had voted to keep the fund alive at the church for another month, according to Rev. Harold Dutt, pastor.

Mr. Grooms died almost immediately beneath the wheels of a tractor-trailer on W. Broad-st at Oakley-av on Monday evening, Dec. 27, as he returned to his home at 293 N. Harris-av. Less than an hour before he had been visiting at White Cross Hospital with his wife and their daughter, Deborah Ann, who was born the day before. Also surviving are two sons, Jerry, eight, and Dennis, three.

The greatest single financial burden hanging over the saddened family is a home mortgage amounting to several thousand dollars. It is the sincere hope of the Hilltop Kiwanis Club and cooperating groups that enough may be contributed by community members to make a substantial reduction in this mortgage.

Checks or cash will continue to be accepted for the family at the office of the Hilltop YMCA, Goodwin's Pharmacy, 2772 Sullivant-av; or The Hilltop Record, 3468 W. Broad-st. Checks may be made payable to the Hilltop Kiwanis Club or to Richard Nash, treasurer of the club, in care of the Jones Lumber Co., 87 N. Sylvan-av.

Record 509 Persons Attend 7th Annual Hilltop Y Fete

A TIGHT CORNER—Howard "Hopalong" Cassady (right rear), an All-American halfback from Ohio State University, and Bud Bond, OSU center, who introduced him, are shown as they were backed into a corner Tuesday night by autograph fans at the annual Hilltop YMCA banquet meeting at the Glenwood Methodist Church. The popular pair signed their names several hundred times in the course of the evening. (Hilltop Record Photo)

Growing enthusiasm for the Hilltop YMCA program and a prediction of things to come was evidenced by the fact that 509 persons were in attendance at the seventh annual meeting of the organization, held Tuesday evening at Glenwood Methodist Church. This is a record attendance for any such Y group in the city.

Headlining a program of reports and entertainment was the address by Howard "Hopalong" Cassady, All-American halfback at Ohio State. He also provided another high spot of the evening by being almost smothered by autograph seekers. He was introduced by Bud Bond, Ohio State center, and Bond was presented by Melvin Dodge, director of Sunshine Recreation Center.

Six men were elected to serve on the local Y board for three year terms. New members of the board are Howard Lloyd, Stan Ruoff and Walter Bonnell. Re-elected were Paul Leishinger, Rev. Paul Dunn and Sam Alford. Organization meeting of the new board has been set for Feb. 3.

Acknowledgement of the recent bequest of $5000 by the late Ed Stauch to the Hilltop Y building fund and thanks for the gift were expressed by C. Carlton Hartley, chairman of the board. He pointed out that this amount now brings the Hilltop Y building fund to $54,976.

Hartley expressed the opinion that more concrete steps toward the realization of this building must be taken during 1955 in order to keep abreast of the enthusiasm and demands of the Hilltop public that an adequate facility be established here for the Y program. He also stated that such plans are now in the making and should be announced within a few months.

Al Dailey served as toastmaster for the evening and dinner music was provided by Shirley Anderson. The dinner was served by the ladies' groups of the church.

Special plaques were presented to the following board members

Mr. Carper has been using a one-inch Want-Ad in this paper for over 7 years. He claims he wouldn't do without this little salesman in our Want-Ad section, anymore than he would do without his telephone.

You too can get fast, economical results by keeping a four or five-line Want-Ad running every week in this paper. Your sales message will be carried into more than 32,000 homes each week.

Appeal Denied On Annexation Ruling

County Commissioners turned down an appeal Monday made by Mrs. Thelma K. Neal, 367 N. Sylvan-av, on a Nov. 2 decision denying a petition for annexation of the Joan Heights subdivision to Columbus.

The appeal was based on a 130-year-old law which gives the right to an "aggrieved person" to appeal a decision of the commissioners

"In any case. However, Common Pleas Judge Robert E. Leech held that the common pleas laws form a complete act in themselves, and that the law used as a basis for appeal does not apply in annexation matters.

Lightning 5 Upset By Clowns In Glenwood Sr. Cage League

The Lightning 5, runners-up in pre-season play, went down to defeat 49-41, Tuesday, Jan. 18, as the Clowns pulled the season's first major upset in Glenwood Recreation Center's senior boys league.

The Clowns dominated the first half completely as they racked up 13 points in the first quarter and 14 in the second. The Lightning 5 was held to eight and 10.

The third quarter saw the Lightning 5 rally with 18 points, while holding the Clowns to seven, to assume a 36-34 lead going into the final stanza. The Clowns again assumed command, however, as they struck for 15 points in the last quarter, while limiting the Lightning 5 to five.

Jerry Marvin led the victor's well balanced attack with 18 markers, but the Lightning 5's Dick Witter staged scoring honors with 23.

Greetings From the South

Our recent visit down Florida way took us all the way down to Key West and we stopped off at Marathon for a fine visit with Harold and Vi Cramer and daughter, Mary Jo.

Have never seen anyone so glad to hear from the home folks and they have asked us to pass the word along that they will welcome hearing from their northern friends should they come that way.

They have all become genuine Florida "crackers" and have absorbed the South in its entirety. Harold admits that his hardest job is that of sitting back and "watching my grass grow."

Briefly Told: It's a baby dotter for Lion and Mrs. Al McFarland, born on Jan. 20, and weighing in at seven pounds six ounces . . . Comes a note from Melba Powell out California way regarding our recent comment on the wet Rose Bowl game. She says, "We resent this! We admit it was a little misty that day but not wet! We watched the game in complete comfort, warm and dry as could be (reception that day was good and the roof didn't leak.)" . . . Local street scene last Friday: Chubby Distelhorst eating a pint of ice cream with the snow coming down on Broadst, and he attired in a light sweater . . . A big hand to the ladies of Glenwood Church on that fine job in serving a record crowd at the Y dinner . . . Debbie Schmidt will have her tonsils out today . . . Mrs. W. O. Hane back home and doing well after recent foot surgery . . . Mary Nash, Hilliards teacher, fell at the school this week and broke an arm . . . Paul Leighninger is confined to his home but is reported as improving . . . We hear that Rev. and Mrs. Joe Shellhaas of Glenwood Church will soon be enjoying a new parsonage.

The peasants revolted against the maharaja because he was letting the tigers run wild. It was the first time a reign was called on account of game.

First '55 Meeting Of Galloway's 4-H Leaders' Club Held

The first meeting of 1955 of the Franklin County 4-H Junior Leadership Club was called to order by Ralph Tolbert at the Galloway Community Hall. The meeting got its start by introducing the new officers. They include Ralph Tolbert, president; Alfred Medley, vice-president; Janice Brown, secretary; David Weaver, treasurer; Bessie Eckard, news reporter; and Vera Hornback, recreation leader.

In the business meeting the junior leaders discussed problems in local clubs. The program for the next meeting will be a model meeting.

There were 30 junior leaders present. The purpose of the Junior Leadership Club is to promote friendship and create new ideas for use in local 4-H Clubs and to train future leaders.

The meeting was then adjourned. Refreshments were served by Grove City members.

A compliment remains the best way of insuring cooperation.

Pirates Break Cowboys' Seven-Game Win Streak, Hands Them 54-52 Loss

By Woody Owen

West High School's Cowboys had ir brilliant seven-game winning eak snapped by the Central High ates as the riverside crew fought a great last half drive to cop a 52 decision last Friday night at Fairgrounds Coliseum.

The win thereby enabled the ates to maintain their city league leadership with East. The rates and East each have a re- rd of four wins and one loss. The wboys are now tied for third ce with South, each with a 3-3 cord.

The Cowboys took an early lead t the Pirates battled back to put count at 10-all as the first riod ended.

The contest continued nip and ck in the second period with the ores being tied at 20-20 with but ur minutes remaining until halftime. Two quick goals by Jordon d a goal and two free tosses by Campbell, however, sparked the d and black to a 32-22 lead at termission.

The Cowboys, spearheaded by ck Furry, came roaring back in e third period to cut the margin 46-46 score at the three-quarter ark.

The locals continued to outbattle and outscore the Pirates in the final period. Furry continued to play brilliantly as he counted 16 of his 20 points in the final half only to have the rally fall short as the Pirates were forced to freeze the ball most of the final minutes.

The contest was decided at the free throw line where Charles McCampbell, fine pivot man, cashed in on 16 of 20 attempts and added five goals to become [illegible]'s top scorer with 26 points.

The entire Cowboy aggregation played well especially on defense where they limited the winners to but five field goals during the final two periods.

The Cowboys were again handicapped by the loss of Longmeier who is still out of action with a knee injury, while Dave Randall was slowed down with a virus infection which caused him to miss three days of practice prior to the game.

This Friday night on the local court the Cowboys and Souths' Bulldogs will clash for undisputed possession of third place.

It will also mark the closing out of the athletic careers of two of the City League's finest athletes, Jim Vincent of West and Clarence Pointer of South.

EXPERIENCED

Sweeping back his long black hair with an impressive gesture, an actor faced a director in a movie studio. "I have come, sir," he announced in a deep voice, "because I want a job in your latest picture."

"Have you had any experience acting without an audience?" asked the director.

A flicker of sadness appeared for a moment in the expressive eyes of the actor.

"Acting without audiences," he replied, "is what brought me here."

Glenwood Methodist Takes Lead By Beating Westgate EUB 60-43

The Tony Argila-coached Glenwood Methodist team took the lead in the Hilltop YMCA Junior Church Basketball League last week by defeating the Westgate EUB team 60 to 43.

The EUB five were shorthanded and therefore did not give the Methodists too much of a contest. Jeff Dum of the Williams-coached team was the high scorer for the game with 24 points. George Tittle led the victors with 16 points and was closely followed by John Hummel with 14.

Burgess EUB won the first game of the league with a victory over Community Christian to the tune of 25 to 12. Dick Curtis led the victors scoring with 12 and Punk Melburn led the losers with six.

The West Junior Hi-Y returned to the victory side of the ledger with a decisive 34 to 19 win over the Hilltop Athletic Club. Bill Ingle starred for the Junior Hi-Y, playing a very good floor game and earning high point honors with 10 markers. Kent Morris led the losers with eight points.

The Westgate Methodist-Hoge Memorial game was the best of the day as the Presbyterians edged the Methodists 25 to 22. Hoge played a slow but steady floor game while Westgate tried to "fast break" and played a rough and clumsy game. Jim Topping and Bob Spencer led the scoring for the victors with nine points apiece. Plummer and Ewing tied for scoring honors for the losers with six points each.

75 Attend 2nd Session Of School Of Missions At Local Methodist Church

By Louise Pahlman
PR. 8-4186
c/o Hilltop Record
P.O. Box 29
Hilliards, Ohio

The second session of the School Missions was held at Hilliards Methodist Church on Sunday afternoon. Approximately 75 people were present.

Miss Pahlman

Devotions were led by Bob Windle and Rachel Bowman, representing the Senior Youth Fellowship.

A colored movie, described as "thought-provoking" by viewers, which centered on the influence of a Christian village on the lives of three Indian people emphasized the work of Christian missions.

The adult discussion group, led by Rolland Letanner, studied the role of Christian education. Robert Kinney, Mrs. Claude McCann, Warren Thomas, and Harry Shaefer each had studied one facet of the relationship between church and state in public education here and in India and gave reports on their findings.

During the adult discussion period, classes for all younger age groups were being conducted throughout the church. Supper was served at 5:30 p. m. by Mrs. John Adams, Mrs. Charles Hahn, Mrs. Harry Shaefer, Mrs. Howard Windle, and Mrs. George C. Brown.

The featured speaker for the Jan. 30 meeting will be Ernest Donald, an Indian-Christian leader from the central provinces of India. Mr. Donald came to the United States in 1952 as a delegate to the Methodist General Conference at San Francisco. He has been working for the Indian government in a reformatory for boys. He is reported to be a speaker of wide experiences and is expected to bring a message of great interest on the present growth and status of the Christian church in India.

Meetings begin at 3 p. m. and are open to the public.

WSCS of Hilliards Methodist Church will hold an all-day meeting on Tuesday, Feb. 1, at the home of Margaret McDavitt on Hamilton-rd. A slide picture centered on India will be presented by Mrs. Hopper.

The luncheon committee of the Society will serve at noon.

Hilliards Junior High basketball team played the Prairie Township team Jan. 21 on the Hilliards court.

Hilliards won, 30-12. Scorers were, Roger Pritchard with 17 points, Edson Kidwell with 14, Paul Pence, 18, Kenny Adkins, seven, Philip Russell, two, Larry Murdock, another first five member, failed to score.

In a game played at University Junior High's home court on Jan. 22, Hilliards won again, 74-13, making it six wins for seven starts. Roger Pritchard and Paul Pence again were high scorers, Pritchard having 17 and Pence 16 points. Kenny Adkins had 11, Philip Russell next with 10, and Edson Kidwell with six points and Larry Murdock with four, figured in individual scorings. Don Yore, Neal Durban, and Martin Davis chipped in with nine points.

Coach for both Prairie Township and University games was Don Shaw.

A gratifying number from Hilliards attended the formal open house at Goodwill Industries new location, 1331 Edgehill-rd, last Friday. Mrs. Kenneth Swepston and Mrs. Bassel Johnson were assisting hostesses. The open house will continue throughout January.

Property damage estimated in the amount of $200-$250 resulted from the collision Saturday morning between the service truck of Henry Burbridge and the car driven by Mrs. Phyllis Ann Headley. The accident occurred near the intersection of Main and Madison-sts in front of the Hartsook residence, where Main-st makes an abrupt curve. The collision was blamed on icy streets.

Nelson Russell and Jack Headley returned Friday from Chicago, where they visited the 1955 National Association of Homebuilders Convention and did some buying with the remodeling of the appliance store in mind.

The hardware-appliance division of Russell Grain Co. is being enlarged by about one-third in merchandising area. A semi-self-serve system will be in effect after the alterations have been completed.

Among Hilliards folks attending the funeral of Mrs. Charles Lisk on Saturday were Mr. and Mrs. J. C. Lisk and Mr. and Mrs. J. H. Culp. Mrs. Lisk's death occurred in Mt. Carmel Hospital where she was taken on Monday morning following a heart attack sustained while driving with her husband on Sunday of last week. Sympathy to her many relatives is sincerely offered.

The Senior Youth Fellowship of Hilliards Methodist Church went on a Spiritual Life Retreat at Camp Agape in Licking County, Jan. 21-23.

All enjoyed the wonderful snow and the beautiful hills. Rev. Adams and Mrs. Betty Futh were the chaperones. Those attending included Judy Reeb, Carla Siegfried, Mary Kay Phares, Judy Holcomb, Sonja Seely, Adelyn Williams, Rachel Bowman, Joan Woodin, Martha Ann MacCarthy, Gene Yore, Joe Lambert, Fred Kletrovets, Jim Morris, Tom Burbridge, Bob Windle, Shannon Russell, Jim Haney, John Miller, and Larry Adkins.

On behalf of the Hilliards Methodist Church School, Mrs. Mae Swepston extends thanks to all of the children, mothers, and teachers, who made possible the sending of so many beautiful Christmas cards to the Formosa Leprosy Hospital, to spread cheer and happiness among the patients of the institution.

This is the project in which the children's department here has helped for several years. Mrs. Swepston said another shipment of cards will be sent as soon as enough come in to complete the accumulation she now has on hand. Cards of decorative and religious character are desired; names of senders should not be removed. The project thus assists in acquainting Chinese children with American names and forms of greetings at the Christmas season.

The Valentine project this year is another children's department enterprise. The kindergarteners made valentines for four and five-year-olds, while the primary and junior boys and girls collected materials to send to the Ethel Harpst Children's Home at Cedartown, Ga., to be used by the children in manufacturing valentines of their own. This children's home is supported by the Ohio Methodist Conference.

Students of the Hilliards school systems will enjoy a holiday on Friday, Jan. 28, when local teachers will be inattendance at the meeting of the Franklin County Teachers' Association at the Marion-Franklin school.

Hilliards High School seniors participated in senior scholarship tests held at Dublin, this week. Vocational students took the vocational scholarship tests, also at Dublin . . . high school pictures were being taken on Monday of this week.

The polio fund collected by Hilliards Elementary School amounted to $111.66.

In addition to games with Prairie and University school, written up separtely by Roger Pritchard for this column, Hilliards Junior High School's second and third basketball teams played their opposites of University Junior High, Hilliards winning 30 to 10.

State Certification Of Pixie Playschool Given

The recent state certification of the Pixie Playschool on Rome-Hilliards-rd makes it the only day care center in the northwestern part of Franklin County which has received such approval, according to Mrs. Marjorie Clark, director.

The school, which opened Sept. 8, 1954, is state-licensed to accommodate six-day-care pupils and 16 pre-schoolers, and provides station wagon transportation. Offering one week's free introductory training to pre-schoolers, the school also provides all its pupils with a free 24-hour doctor and hospitalization plan.

Mrs. Clark is a member of the Association for Childhood Education.

A Lesson In FORGIVENESS
70 X 7
Equals
HIS PLAN
How often shall I forgive? Peter thought he was generous when he forgave three times, since that is what the Jewish clergy required.
But when Jesus said *"seventy times seven,"* it exploded like a bombshell. Peter thought God should be proud of him. Seven is 233% of three. But Peter didn't know God; nor do we. Most men cannot believe how far the love of God will go. *Seventy times seven means there is no end to God's forgiveness.* As often as we sincerely confess, God will fully forgive. Little narrow souls can't realize how generously God forgives. "Forgive us our debts as we forgive our debtors," is a dangerous prayer unless we forgive as Jesus did. He who forgives is victor. *Seventy Times Seven, means the best way to "get even" is to forget.*

Suggestion For Parking Bans On Broad-st Gets Varying Reception

[illegible] consideration by City Engineer James V. Musick [illegible] basis of 7 to 9 a. m. parking on the south side of W. Broad-st from the Scioto River to western city limits and extending the 4 to 6 p. m. ban on north side of the same strip, to speed up traffic during these hours, he has also considered same proposals for much of Livingston-av and W. Mound-st west from the Scioto.

A great deal of controversy has been over these reports, so our [illegible] to readers at random this week was, "What is your opinion of the parking ban?"

Mrs. William Jockell, 235 S. Ayr-av: "I think they should do [illegible] they do in Cleveland and have three moving lanes in and one moving lane out plus two parking lanes. As for Sullivant-av and Mound-st, I really think they could eliminate the parking on them."

Peter Erb, 666 Wrexham-av, "I don't know but what it would be all right. It seems to me it should ease up that traffic situation quite a bit for folks going and coming from work. It may bother the storekeepers a little in the evening, but they don't open up early enough in the morning for it to bother any."

Ruth Thatcher, 2936 Crescent-dr, "It seems that they need it because there is just too much traffic going through during those hours. I don't drive, but I guess it wouldn't put people out to much. They can always park on side street.

Mrs. Annette Veant, 397 Wrexham-av, "If it prevents accidents it must be a good idea. It may inconvenience people a little bit, but it's better to put yourself out a little and live a little longer."

Mrs. Clarence Fladt, 705 S. Hague-av, "My husband complains quite a bit that there never is a place to park when you're just running a short errand. I don't think they should do away with it because that parking means a lot to the business establishments as well as the people they serve."

State Park Attendance Higher In 1954 Than 1953

Some 671,323 more Ohioans visited Ohio's state parks during the 1954 season than did just one year ago, according to attendance figures released this week by the Ohio Division of Parks.

The figures show that a total of 9,642,883 persons visited the state's beach parks and recreational areas during the last fiscal year.

According to V. W. Flickinger, Chief of the Ohio Division of Parks, this figure is expected to increase even more during the 1955 season.

In an effort to be ready to handle this continually rising demand for outdoor recreational facilities, the division has been working feverishly on the expansion and development of the areas now in use. In a recent progress report covering the period of July through December, 1954, the division constructed 17 new toilets, six bath houses, two service buildings, parking areas to accommodate some 635 cars, constructed 11 new fireplaces, 120 temporary campgrounds, erected 471 signs and laid thousands of feet of water, sewage, gas and power lines. Many other projects were also started during the period.

Letters To The Editor

Editor, The Hilltop Record
3465 W. Broad St.
Columbus 4, Ohio
Dear Sir:

Westway Post 3441, Veterans of Foreign Wars, is the Hilltop community post of that organization and has been in existence for many years in this community.

When we bought a home of our own at 862 Clarendon-av, just one square south of W. Mound-st and one square out of the city limits, we purchased it with the thought in mind that it would soon be incorporated into the city of Columbus.

We have made constant efforts to secure much needed improvements, in the way of decent streets, sanitary sewers, gas mains, etc., from the county commissioners and from the Gas Co.

All we have accomplished so far is a gas main and all we have received from the county is a tax bill that we must pay, even though we are deprived of a voice or a vote in township and county affairs.

We have watched with a great deal of interest the many efforts being made by the citizens of this county, by the county commissioners, by the township trustees, and by the city of Columbus, either to incorporate in the township or to annex to the city.

The city has refused to permit the county to tap on to the city sanitary sewer, the county commissioners have refused to furnish adequate streets to the addition we are in—even in the face of the fact that it is one of the older additions, adjoining the city—and we note that new additions get sewers, gas, lights, paved streets, etc., in the same county.

We note the fact that when the city considers incorporation of land in Franklin County, they propose to accept just land tracts that have large industrial plants or new additions that are completely improved (in the county) with city water, city electricity, city storm and sanitary sewers, paved streets, etc. Apparently the city refuses each time to consider incorporating these smaller, older additions that do not have such modern improvements. Is it any wonder there are so many hard feelings on the subject?

YOUR HILLTOP LIBRARY

Book Subjects Include Home Plans Interior Decorating; Concrete Guide

By Mildred Phelor

Today, everything is geared for gracious living. Books — beautiful, modern, and instructive — lend inspiration and guidance to realization of this high ideal.

At the Hilltop Branch Library, 3935 W. Broad-st, are six new books chuck full of advanced ideas. There is a revised edition of the Better Homes and Gardens, "Home Plans for 1955," featuring 107 five-star homes to suit every family budget and every climate. In the Arco-Hewitt-Books of Better Living Series is the "Handy Man's Concrete and Masonery Guide," by Robert Scharff. It contains an amazing number of uses for concrete, with complete instructions for handling. "The Ladies' Home Journal Book of Interior Decoration" by Elizabeth Halsey is a book carefully designed to help you find out everything you can about how to improve your home, and then put you to work. All phases are covered from background to practical planning.

The book "101 Ideas for Flower Arrangement," by Julia Clements, has a preface in which the author states that flower arrangements has such a broad appeal because it satisfies a need in all of us to do something creative and is so easily executed that it can be employed beautifully in our homes for friends and family alike to enjoy.

In the realm of food, we are seeing a revival of the world's oldest, simplest, and most delicious way of preparing good food — — by direct heat. "The Complete Book of Barbecue and Rotisserie Cooking," by Jim Beard, has really good recipes and instructions for preparing the dishes that make exciting barbecue-foods, plus the appetizers, drinks, vegetables, salads, bread, desserts and coffee that go with this sort of meal — — outdoors or in. If you were one of the fortunate recipients of a Rotisserie Cooker for Christmas, this book will be doubly useful.

"Sportsmanlike Driving," published by the American Automobile Association, is now on the library shelves. Much publicity has come over TV and the radio concerning the safe and courteous driving program. "Sportsmanlike Driving" is the book recommended.

Hilltop Branch Library is open Monday through Friday from 1 to 9 p. m., and every Saturday from 9 a.m. to 9 p.m.

RABBIT CLUB DINNER

Burgess Ave. EUB Wins Thriller 47-41 From West Park Methodist

By Harry Grashel

Burgess Avenue EUB won a thrilling 47 to 41 victory over a scrappy West Park Methodist quintet in the feature game of the Hilltop YMCA Intermediate Basketball League at West High School on Monday January 17.

This game was closely contested throughout with West Park coming within two points of Burgess with but two minutes to play only to have Burgess rally as Chuck Deyo went out on personal fouls. Dick Trott led the Burgess attack with 20 points followed by Karl Davis with 13. Chuck Deyo again led the West Park cagers with 17 points.

Hoge Memorial Presbyterian returned to the win column with a 49 to 23 win over Hillcrest Baptist. Dick Whitter returned to form with a 17-point scoring spree, while his team-mate Bonnie Wilcox pitched in 10 tallies. Woody Waltman led the Hillcrest scorers with eight points before leaving the game on fouls early in the fourth period.

Hilltop AC retained possession of second place behind Westgate Methodist by giving a 41 to 19 thumping to West Sr. Hi-Y. Jim Waldo was the big man for AC with 10 points, while the entire team broke into the scoring column. Floyd Love hit for nine for Hi-Y.

FULL TIME JOB

Pictured, not left to right, are Grace Van Atta, Beverly Booth, Sharon Robinson, Diane Lee, Edward Nice, Frederick Jackson, Harold Wagner, and Albert Abrams. (Hilltop Record Photo)

Barbara Schnitzer (above) of 227 S. Algonquin-av, who is a junior at St Joseph's Academy, received a bronze medal as fifth place winner in the senior high literary division of the annual school press project of the Tuberculosis Society of Columbus and Franklin County. GOOD ADVICE

Think back over your vacation. If you try, you can fit into your normal working day some of the elements that helped give you that feeling of well-being—plenty of sleep, unhurried eating of three well-balanced meals, exercise in the open air, relaxation in something you really enjoy. A regular regime of healthy living and an annual check-up by the family doctor will help keep you in top form—your best protection against infectious disease.

Hilltop Not Going To The Dogs

A "pet" peeve of many a Hilltopper who has complained about the operation of the old house next to the new Hoge Memorial Church as a refuge for stray dogs exploded this week.

And some people apparently think it is alright and that the lady should be allowed to continue her work with pets. One lady from Arlington is reported to have been asked by the safety department if she would want such a condition in Arlington and her reply was, "No, but that's on the Hilltop."

It appears that we have a very fine county humane society which has the job of taking care of stray dogs. Certainly you will find no such conditions of filth in the humane society kennels yet right here on the Hilltop the city has for years tolerated a condition that is not fit for dogs, let alone humans.

There is absolutely nothing that can be said in defense of a continuation of these conditions. The building inspector is to be highly complimented and such places must be cleaned up.

Politicians Not Always Experts, Kiwanians Told

"Politics in America is simply democracy at work. Politicians are specialists but not always experts."

These are the observations of Judge Joseph Harter of Franklin County Common Pleas Court as he presented them to the Hilltop Kiwanis Club last Thursday.

He pointed out that public affairs like private affairs cannot be run best by amateurs. "To be a good public official there must be training and experience, coupled with special aptitudes and skills. Many a well-intentioned man, successful in his own business, has found to his dismay, that government was not for him.

"Every politician was once an amateur. The political parties need fresh blood. Those who have been in office too long need the challenge of competition, both from outside their party and from within."

He further pointed out "that people give too little consideration to the affairs of government. But with all its faults democracy is the only tolerable system under which free men may live. Rule by the people is necessarily rule by mutual concession. The whole process is an orderly search for a common denominator."

Reiss Declares He Is Dem. Municipal Court Candidate

Emile Reiss of 29 N. Wheatland-av, attorney for 30 years in Ohio and Michigan, announced Monday that he is a candidate on the Democratic ticket for judge of the Columbus Municipal Court in the approaching municipal primary election. In his announcement, he declared that the Municipal Court is definitely in need of change and re-organization.

Among the measures he advocated are the establishment of a supplementary night traffic court to hear cases several night per week, registration and regulation of professional boardsmen, and establishment of a small claims division of the court to handle small claims with less red tape. He also stated he was in favor of abolishing long sentences and excessive fines for petty offenses and would like to do away with the practice of sending petty offenders to the workhouse for unreasonable periods.

SLEIGH TIME—A real rarity is a horse-drawn sleigh such as this one above, which is the property of William "Buck" Sheldon, owner of Buck's Meat Market, 1440 Harrisburg-pk. It is shown here on the generous snow, ideal for sleighing, last Sunday afternoon, in front of his farm home at 4380 Big-Run-rd. From left are Buck and his sons, Charles, David, and William Sheldon, Jr.

Rush Hour Parking Bans Extension Not Now Considered By Traffic Commission

Recent misunderstandings, provoked by erroneous reports last week that the city traffic commission was considering extending the present rush hour parking bans to the west city limits on Mound-st, Sullivant-av, and Broad-st, were quickly ironed out Tuesday afternoon when Traffic Engineer James V. Musick met with the commission and representative of various business organizations from the West Side and Hilltop area.

R. K. Walter, a spokesman for the Hilltop Business Association, at the session held in the traffic commission chambers, began the discussion by stating that Hilltop businessmen were definitely opposed to the operation of the parking ban in the Hilltop area. Walter reaffirmed a statement made earlier in the week by C. H. Campbell, executive secretary of the HBA, who said that the merchants felt "it (the ban) would do more harm than good for traffic conditions in the area" and "would definitely hurt business."

Musick quickly reassured the representation from the Hilltop by explaining that only a statement had been made that the commission might see fit to extend the ban to the Hilltop area. "However," Musick added, "it is not under consideration at present and before making any such decision, we would certainly contact the business organizations in each of the areas in question."

Sam Alford, president of the West Side Board of Trade and spokesman for that organization at the meeting, expressed the West Side group's appreciation for the traffic commission's help in clearing up traffic congestion along lower W. Broad-st during rush hours. He added that the WSBT was in complete accordance with the operation of the traffic ban, which, as he stated, "has greatly relieved the traffic situation and helped the general flow of traffic. We're behind it."

Bd. Of Education To Seek State Land For Playground

The Columbus board of education Tuesday night backed a resolution asking the Ohio Legislature to approve a long-term lease or outright purchase of four acres of land from the Columbus State School to be used as a playground for Starling Junior High School.

The property sought is immediately across Central-av from Starling. Supt. N. G. Fawcett declared that the land is badly needed by the 1,300-pupil school for use as a playground. Fawcett explained that enrollment at Starling has expanded considerably while the recent building additions on the school site have taken up much of the former play area of the school property.

Previously, Starling had nearly an acre of playground space. Erection of recent additions reduced that area by nearly one-third.

Of most interest to the Columbus board of education would be the section of State School property at the southeast corner along Central-av, south of Town-st. Were the board to acquire this property, Starling pupils could use the existing traffic light at Town-st and Central-av.

Art Bellar Fired From Civil Defense

Arthur J. Bellar, 326 S. Algonquin-av, long under fire by Mayor Sensenbrenner for "politicking", was discharged Tuesday from his post as civil defense administrative assistant because of a slash in the CD budget, according to Civil Defense Director George V. Wing.

Bellar, well-known Hilltopper and member of the Republican executive committee, was on the payroll at $5,100 per year. Meanwhile, the fate of the other CD administrative assistant, Gordon Serrott, 1638 Melrose-av, remained in doubt.

Bellar made the following statement in connection with an accusation that he had utilized CD personnel to mimeograph letters in connection with the coming Republican pre-primary convention:

"I deny that I have or ever did run any letters pertaining to the coming Republican convention, Feb. 8. We have a county Republican headquarters which handles all letters and other matters pertaining to this convention or any other convention."

X-RAYS FOR CHILDREN

Nearly 200 at the Juvenile Diagnostic Center, formerly known as the Juvenile Research Bureau, will be free chest X-Rayed by the Tuberculosis Society of Columbus and Franklin County Friday, Feb. 4.

Spears' Hat In Mayoralty Ring; Dailey Still On Democratic Fence

City Councilman Jerry Spears, Jr., has definitely thrown his hat into the ring as a candidate for mayor in the coming election.

Saturday he stated: "I want to make it clear that I am announcing as a Republican candidate and am not out to fight the party leaders or the Republican organization. The choice of the convention no doubt will be a good party member and I see no reason why there should be any animosity created within the party. I am concerned only in good government for Columbus, not in party differences." He will ask that his name be withheld from the convention.

Another Hilltopper, W. Herbert Dailey, 615 Belvidere-av, former city councilman and a Democrat, has been mentioned prominently by the daily papers as a candidate and claims have been made that his petitions are in circulation.

Dailey told this newspaper this week, when asked if he would be a candidate, "It is problematical. Personally, I would say, 'No'. But if the Democratic party should want me to be a candidate then for the party's sake I would run."

Dailey states that some of his petitions are being circulated by friends, but that he has no sponsoring committee named and this would not mean that he would file. He stated his recent resignation from the city boxing commission had no political significance.

HILLTOP RECORD EARNS TWO CITATIONS FOR EXCELLENCE

The ranking position of The Hilltop Record among the outstanding weekly newspapers in the state was emphasized last week when it was selected as first-place winner in one classification and second in another in the Osman C. Hooper Weekly Newspaper Show held at the Deshler Hilton Hotel in connection with the Ohio Newspaper Association Convention.

In according first-place honors to the Record in use of local art (pictures), James A. Fosdick, associate professor of journalism, Kent State University, Kent, O., chief judge for the category, had this to say:

"The Columbus Hilltop Record achieves variety in several ways, especially with the use of maps, diagrams, aerials, mortises, etc., to tell a story pictorially or make an editorial point."

Also cited were the variety in both subject and shape of the pictures used, the generous quantity of local pictures, the composition of those pictures used, the quality of the engravings produced by the Record's Fairchild SCAN-O-GRAVER, and the lively quality of the captions (underlines).

Second prize came to the Record in the Special Editions class for its Kiwanis Christmas edition, fashioned especially for the Hilltop Kiwanis Club to sell. Tom A. Riordan of the Greenwich Enterprise-Review, Greenwich, O., judge of the category, said, "It was an attractive tabloid with a two-color front-page illustration. Inside pages were packed with pictures and articles about activities of Kiwanians in that area. There also was a liberal amount of advertising. The section was carefully planned, well made up."

Doggone Dirty Hilltop Fire and Health Hazard Must Be Cleaned Up, Says City Inspector

This is a story of contrast.

Shown here are pictures that tell the story better than any words that might be put into print. Contrast No. 1 is that such conditions as shown here could exist right next door to the fine new Hoge Memorial Presbyterian Church at W. Broad-st and Haldy-av.

Contrast No. 2 is in the thinking of people. Mrs. Grace M. Prose, who lives in the old house at 2920 W. Broad-st, thinks it is alright to live in these conditions and "be kind to animals," but not so William Lehman, assistant safety director who says the place must be cleaned up.

For several years Mrs. Prose has been caring for stray dogs at this location. She claims her income is from roomers, but the building department claims she has no rooming house license.

Lehman described the situation by saying he has never seen such horrible conditions which include unapproved wiring, unvented gas heaters and filth. The attic is full of trash and there are "dogs everywhere."

"We will arrest her if she doesn't comply with our orders which are to be issued," says Lehman.

A second inspection of the building was made by the assistant safety director Tuesday at which time it was outlined what would have to be done to clean up and repair.

It is reported that the owner of the building had been advised to clean up the building several times in recent years and at one time a health official supervised a removal of several truckloads of debris.

Photos on this page were taken by an official fire department photographer.

Conveyor System Could Answer Traffic Problems, Westinghouse Experts Told

Tomorrow's office worker may be whisked away to his downtown job by a network of conveyors it was predicted here yesterday by the executive vice-president of the Conveyor Equipment Manufacturer's Association.

Speaking at Westinghouse Electric Corporation's fifth biennial Materials Handling Conference, R. C. Sollenberger said "one reason fringe parking lots never catch on is the slow and unsatisfactory transportation to downtown stores and offices. I think continuous flow would be accepted by the public, since waiting would be eliminated and such conveyors could be protected from the weather.

"In some centers they could extend several floors above the street level and pass right through store buildings and offices — jumping from one to the other over lightly constructed, decorative bridges."

He said the "downtown blight" in many cities is due to the fact that "too many people have to move in and out over streets laid out for horse and buggy traffic." A lot of this congestion, he said, is "caused by the commercial delivery of the things that these people need, and as long as both kinds of traffic must be carried on a single level, temporary relief is all that can be expected.

"I believe it is perfectly feasible to adapt eventually the principle of continuous flow deliveries for air, rail, and truck terminals. Such flow could be maintained either below or above street levels."

Sollenberger pointed out that materials handling is a means to an end and is never an end in itself "for most 'ends' sooner or later die; but our 'means' will be adapted to achieve any of an infinite number of 'ends' throughout the future.

"Our design and application engineering must be tempered with the realization that the most complicated, the most expensive machines that can ever be built will have not the slightest value in themselves," he said. "The sole measure of their value is the degree to which they aid man to a better life."

American Legion Auxiliary Continues Parties To Assist In Post Furnishing

By Louise Pohlmann — FR. 8-4186
c/o The Hilltop Record
Box 29, Hilliards, Ohio

Continuing their bi-weekly games parties, the American Legion Auxiliary of Memorial Post 614 has scheduled every second and fourth Friday through March in the campaign to raise funds to complete furnishing the legion rooms. The dates for the ensuing two months are Feb. 11 and 25 and March 11 and 25.

The Auxiliary is proud to have furnished sufficient tables for the parlors and its members are now working toward acquiring the necessary chairs to complete their program, Mrs. Clarence Weeks announced last week.

The American Legion men will hold a Valentine dance on Feb. 12. Lester Fladt, ways and means committee chairman, has announced that the affair will be limited to members and guests.

Girl Scout Troop 301 now meets at Hilliards Methodist Church on Wednesday evenings, since Mondays are presently given over to the social training school conducted by the Mothers' Club of the Hilliards Elementary School. At their meeting last week the girls made "nose-bags" from men's work handkerchiefs. New leaders are Mrs. Sidell and Mrs. Mathers.

Job's Daughters Bethel 45 will hold its first regular meeting with new officers for the ensuing six months next Monday evening at the Masonic Hall.

IN SENATORIAL STYLE

Record Readers May Now Dine On U.S. Senate's Bean Soup

A nationally famous recipe for the traditional bean soup that appears daily on the menu of the U. S. Senators, is this week's recipe contribution. The donor is Mrs. Idora Merry, 233 S. Warren-av, and she tells us that the recipe for "Idaho Bean Soup" is actually entered in the Congressional records.

Mrs. Idora Merry

Well-known for her sincere interest in the activities of the Woman's Christian Temperance Union, she is now serving as secretary of the Frances Willard Union and as County Spiritual Life Director. She is also a member of the Juvenile Delinquency Commission and is chairman for the legislative commission of WCTU activities.

Her husband, Willard, is a plumbing inspector at City Hall.

The "Idaho Bean Soup" recipe was developed especially for the Senate by the Home Economics Department of Idaho State University. Bean soup has been on them on the Senators' menu daily since 1907. It's the addition of some "surprise" ingredients that gives the soup its distinctive and very delicious flavor.

IDAHO BEAN SOUP

2½ qts of water.
2 oz. sliced ham hock or bacon or a mixture of both.
1½ cups washed navy beans.
2 tbs. diced onions
1 cup mashed potatoes
1 tsp. chopped parsley
2 tbs. celery
2 tbs. butter
1 tsp salt
Pepper if desired

Brown onion in butter. Mix all ingredients in a heavy kettle, cover and simmer 2½ hours.

Makes 2½ qts.

Burglar Punches Through Wall Of Post Office, Gets At Least $500

The shortest distance between two points is straight through a wall according to the antics of a burglar who got away with between $500 and $1,000 in cash from the Post Office station at 1456 W. Mound-st sometime Sunday night. The approximate amount stolen was reported early this week by postal inspectors.

The burglar broke a window in the rear of the Ohio Wine Store at 1450 W. Mound-st to gain entry and then punched a two-by-three foot hole through the concrete block wall into the adjacent postal station with a sledge hammer.

Tracks in the snow in the rear of the post office and wine store indicated to police and postal inspectors that there was only one burglar. The tracks showed the burglar first approached from the New York Central Railroad tracks in the rear, then ran to some bushes as though frightened away, returned to the scene and then went back to the railroad tracks.

The burglar first attempted to enter the post office by smashing his way through the rear concrete block wall, but was halted by heavy tile in the wall.

Postal inspectors said the vault is visible to customers at the front of the post office and the burglar could have "cased the job" from there.

At first, police were not aware of the burglary of the post office. Merchant Policeman Joe Jolliet called police to inspect the broken window in the wine store at about 12:30 a. m. Monday. The post office burglary was discovered later when Patrolman Lazie was boosted through the broken window by Sgt Jim Faris.

Police found the sledge hammer in the wine store with the handle broken.

According to postal inspectors, the burglar ransacked the 12 by 12 foot vault and littered the floor with stamps and money orders, but apparently stole only cash.

Police said the burglar entered directly into the vault and was never in the outer part of the office.

There's no getting around it, Ole Man Winter has come to set a spell. The mode of dress and the speed of travel have changed but the stinging back slap of his icy hand makes you wish you could hibernate, or be a kid again and go sledding and then warm your shins around the old pot bellied coal stove, or have your "Ma" tuck you in bed with a hot flatiron at your feet to keep you warm. The biggest casualty news of that day was someone's "Pa" breaking his wrist cranking the ole Tin Lizzie . . . While we shiver the Glen Hamiltons are touring sunny California. HOW IS YOUR VISION

What you see and what you look for, when you read, makes a difference. Vision is 87% of all avenues to the brain. Can your vision distinguish between good and evil, honor and dishonor? Jesus said, *If your eye leads you into sin, pluck it out.* The library of your church will give you reading of 20-20 vision for the soul.

The Bible, in any version, is the world's best reading. Has your Bible reading vision become impaired? Do you develop astigmatism when you start reading God's word? *What reading the Bible has done for others...it will do for you.* Read it with 20-20 vision of mind and of soul.

HILLtop Record Photographer Harley Groom certainly couldn't complain of a lack of variety in his job this past week. He also had plenty of reason to be proud. First off, there was the Osman C. Hooper Weekly Newspaper Show of the Ohio Newspaper Association held down at the Deshler Hilton Hotel. It was there that the Record was cited as Number One weekly newspaper in the state in the use and quality of local ad (photographs) It was also there that Harley attended a special photo seminar along with scores of other weekly newspaper photographers. Pictured here is one of several lovely models the lensmen photographed as they studied the three "R's" of their profession. She is Patty Gastil, a model from the New York Modeling School. At the far left is a photo of Hilltop boys gallivanting on skate blades on one of the most popular spots in the community during the long deep freeze of last week—the frozen surface of Harder Lake in Westgate Park. Who's families enjoyed visiting the lake. While small fry rode sleds down the banks, their mothers and dads and older brothers and sisters cut all sorts of fancy ice-skating maneuvers on the ice. At right is the living illustration of the reverse of the old adage that all that goes up must come down. These youths, who have been enjoying flying down the hill of Holton Park on their sleds are trudging uphill to repeat the maneuver. Yep, it was a busy week, with lots of change in scenery!

Hawkeyes Master Bobcats By 42-17

The Hawkeyes of Glenwood Recreation Center's junior league went on a scoring spree Wednesday, Jan. 26, to swamp the Bobcats, newcomers to the league, 42-17.

The Hawkeyes ran away with the game from start to finish, leading at the quarters 10-2, 22-10, and 30-12. Tommy Hartranft and Jimmy Walsh paced the Hawkeyes' well-balanced attack with 12 and 10 points, respectively.

The Jets outlasted the West Side 8, 21-10 in another junior league tilt. The quarter scoring, which was oddly distributed, ran as follows:

Jets	10	7	4	0
West Side 8	0	4	0	6

The league-leading Jailhouse 5 won a forfeit from the Wildcats.

HILLTOP ACCIDENTS

There was a total of 36 traffic accidents in traffic cruiser areas 4 and 20, covering much of the Hilltop area, for the week ending Jan. 23. Thirty of these accidents were property damage and six were personal injury. Two of those persons injured were juveniles.

Averages of 104 put Jim Pendergast and Jim Kerins in a tie for first place, while Bill Quinn and Louis Nobile follow closely with an average of 103.

The King Pins still lead the league with the Wildcats in second place and the Hilltoppers in third place.

YOUR HILLTOP LIBRARY

Several New Plays, Best-Seller Novels, Popular Non-Fiction Added To Shelves

By Mildred Phelps

New books at the Hilltop Branch Library, 2936 W. Broad-st, this past week include plays, best-seller novels, and popular non-fiction as follows: "The Caine Mutiny Court Martial" by Herman Wouk, is a play based in the author's popular novel, "The Caine Mutiny." "With Wings as Eagles," by Helen C. White, is the story of the effort of one individual to make an intelligent and reasonable satisfactory adjustment to grief. The book was written because a boy died in battle. "Know Your Children In School" was authored by Lucy Sprague Mitchell and others — all noted educators. "The Juvenile In Delinquent Society," by Milton Barron, has as its central theme that the problem of the juvenile delinquent can best be understood and reduced by an orderly modification of values and functions of American Society.

"Minorities and the American Promise," by Stewart Cole, is the story of another American social concept undergoing modification as the subtitle indicates. It describes the conflict of principles and practice. "Outwit Your Appetite," by J. D. Grant, purports to explain "the easiest way to reduce" and opens with the first chapter, "Reducing Joyously." "The Complete Book of Helicopters," by D. N. Ahnstrom, tells all about them and has numerous illustrations.

"The Mystery of the Other Worlds" is a compilation of magazine articles concerning that controversial subject of space, flying saucers and things seen in the sky.

"An Illustrated Handbook of Art History", by Frank Roos, Jr., is a revised edition of a book of illustrations, so arranged that art trends may be identified quite well.

"Fundamentals of Harmony," by Siegmund Levarie, is for the student of music.

HIGH FLIGHT

Oh, I have slipped the surly bonds
of earth,
And danced the skies on laughter-silvered wings;
Sunward I've climbed and joined
the tumbling mirth
Of sun-split clouds—and done a hundred things
You have not dreamed of—wheeled
and soared and swung
High in the sunlit silence. Hovering there,
I've chased the shouting wind
along and flung
My eager craft through footless
halls of air.
Up, up the long delirious, burning
blue
I've topped the wind-swept heights
with easy grace,
Where never lark, or even eagle,
flew;
And, while with silent, lifting
mind I've trod
The high untrespassed sanctity
of space,
Put out my hand, and touched the
face of God

Mail—From Spokane, Wash.: "I'll try to tell you about our trip to Banff last week-end. It is only about 390 miles, but everybody told us not to attempt the trip because of the ice in the Rockies. But loving these mountains as we do, we started out bright and early. As we drove through northern Idaho and British Columbia and on up north the scenery was beyond description. When we stopped at Cranbrook, a picturesque little B. C. town, a gas station attendant told us that the Banff-Windermere highway wasn't safe; that no traffic was coming over it because of the ice. We have been over the road so many times and it is so much shorter that way so we decided to take a chance. On we went, practically feeling our way along. It was an unbelievable fantastic fairyland, and worth all the danger. The trees were weighted down with soft frothy puffs of snow, each tree stump looking for all the world like a Daniel Boone coonskin cap. The snow was piled up a foot or more high as the stumps, then the wind had whipped it to one side so that it actually had a tail on the imaginary hat. When the trip was finally over after ten miles of difficult driving, we arrived at the lodge in Banff. At midnight we attended services in a little church that had been dedicated by Bing Crosby. Such an adorable church—on the inside the seats are just rough boards. The congregation is too poor to have finished pews yet but knowing those people, we are sure they'll have them soon. The service was serene and dignified. It would take pages to tell you about all the wonderful things that happened to us in that short time we spent in Banff. We took a brief tour of Banff Springs Hotel and it looks so different in the winter time. Everything was draped and covered — furniture, paintings, etc. The imposing building is far more impressive without the guests and activity of the vacation season" . . . From Columbus: "How true Faye Chilcote Walker's lines are — 'A heart without words is better than words without a heart.' Anyone can say or write words but even a small child knows when they are only words" . . . Also from Columbus: "I usually agree with your private interior items. Here are two things that rub me the wrong way as a married woman who talks about HER house; HER car; HER furniture, etc., when her husband works hard to provide the stuff and it is his too. Why not OURS for a change? It is either a sign of downright selfishness or an inferiority complex. The other thing I dislike is the book-borrower who forgets or neglects."

In Passing — One good thing about winter is that men can't stand in front of stores and other public places and expectorate (I'm a lady) on the sidewalks . . . Actually overheard in a drug store: "What HAVE Viceroys got that other cigarettes haven't got?" The clerk answered with a straight face: "Nothin."

By Dick Wilson and Bob Schmidt

The YMCA was much in evidence on the Hilltop during the past week with the observance of National YMCA Sunday on Jan. 30 by 26 Hilltop churches and movement of the Hilltop YMCA equipment and personnel to its new and larger temporary quarters at 3726 W. Broad-st.

MINUTE INTERVIEW

The question tossed at five unsuspecting members of the community in this week's "Minute Interview" was as follows:

"DO YOU THINK STORES AND OTHER BUSINESSES SHOULD REMAIN OPEN ON SUNDAY, OR DO YOU FEEL THE DAY SHOULD BE OBSERVED AS A DAY OF REST?"

Mrs. Anna Swoka, 1771 Sullivant-av: "By all means stores should close on Sunday. The commandments say the Sabbath should be kept holy and that doesn't mean conducting business. Milk should be sold for children and medicines should be available for emergencies but nothing else is necessary."

Mrs. Darrel Lenox, 758 S. Wayne-av: "I have no definite opinion on the subject. I think it is up to the individual merchant to decide for himself."

Mrs. Clarence Jones, 336 Belvidere-ave: "It is a help to folks who work all week to be able to buy essential things on Sunday but I do not believe that beer should be sold."

Mrs. James Dearth, 370 S. Chase-av: "Stores really should be closed on Sunday with the exception of drug stores."

Mrs. Lawrence Irvin, 867 S. Roys-av: "I have to admit it is mighty convenient sometimes and I do take advantage of the fact that I may buy on Sunday. Since I do, I have no right to criticize stores for remaining open."

LETTERS TO THE EDITOR

Columbus, Ohio
Jan. 29, 1956

Dear Editor:

Your invitation to the public to express their feelings on the subject, "Should Stores Do Business On Sunday" and your own comments on that subject, were fine. Thank you for your stand for right.

This business is increasingly going on elsewhere, as well as in our own city. It is time some action is taken by our clear-minded thinking people of our community:

In the Washington Daily News, of Friday, Dec. 31, 1954, a full page message was published by the owner of the Furniture's Hall of Fame, speaking on the practice of "Sunday Sales" and its violation of the Sabbath, this man, the owner of the store since 1900, says in part, "They have survived wars; have pulled through the aftermaths of wars; have surmounted periods of depressions, and once suffered the loss of their store by fire.

But through all their adversities, they have served effectively and have prospered well, with their doors open SIX days a week.

This man also says, "If they ever feel that they must resort to the tawdry method of "Sunday Sales" that they shall deserve neither the patronage nor the respect of the public."

In the Word of God, the eighth commandment (Exodus 20:8-11) says "Remember the Sabbath day to keep it holy. Six days shalt thou labour and do all thy work . ."

Again we read (Exodus 16:2) of the hardships of the children of Israel, how they were given manna, were told to gather it every day for SIX days. On the sixth day they were told to gather twice as much, and prepare it for the seventh day, which was the "rest day of the holy Sabbath unto the Lord."

These were not the words of man's wisdom, but the words and the Commandments of the Lord who said, "I Am The Lord Thy God" (Exodus 20:2).

A BELIEVER

Columbus, Ohio

Editor:

I was very glad to see your paragraph in the Spectator concerning the stores doing business on Sunday. I do not think it is necessary, right or religious. I believe we should follow God's law "Remember the Sabbath day to keep it holy."

Kindly Yours,

Hospital Patients Can Use Christmas Cards In Program

If your Christmas cards this year are too pretty to throw away, and yet you haven't room for them around the house, why don't you let someone else enjoy them, too?

The Volunteers of America is acting as a collection station for cards. These cards will be turned over to the Columbus State Hospital for their rehabilitation program. The patients make scrap books and use them in other craft projects.

Give your cards to the Volunteers of America when he next picks up your papers and magazines. You may call the Volunteers of America at CA. 4-5665 and have the regular truck collect the cards along with your other discards.

Westgate Methodist Sews Up Y Intermediate Loop First-Round

By Harry Greshel

Westgate Methodist clinched at least a tie for the first-round championship of the Hilltop YMCA Intermediate Basketball League last week by blasting the West Sr. Hi-Y quintet 66 to 28 at West High School. All of the Westgate starters scored at least six points each as Jim Cobb and Dick Berlo poured 25 and 17 counters through the nets. Floyd Love again led the Hi-Y club with 11 markers. After a fairly close first quarter, Westgate pulled way out in front for an easy victory.

Hilltop AC, after a sluggish first quarter which found them trailing 11 to 4, came to life in the second period, scoring 22 points to come ahead and stay in front of West Park Methodist 42 to 30. Bob DeWitt, Walt Dolder and Mike Posey led the AC attack, while Tommy Sowers was the leading point-getter for West Park with 11. The tight defense of Hilltop AC held the high-scoring Chuck Deyo to a single field goal and a total of five points.

In the most unusual game of the season, Hoge Memorial Presbyterian won over Burgess Avenue EUB 56 to 48. Altogether 46 personal fouls were called by officials Bill Haire and Bill Spratley. Three Burgess players and two Hoge cagers took an early shower via the personal foul route. Burgess missed a total of 26 free throws. Dick Whitter hit for 29 points, a season league high, for Hoge, while his team-mate Bo Brokaw tossed in 12. Dick Trott continued his fine scoring for Burgess with 17 points as Karl Davis racked 15.

Vincent, Graduate Athletic Star Of West, May Get Sox Contract

Jim Vincent, son of Mr. and Mrs. Arthur L. Vincent, 2432½ W. Broad-st, and graduate of West

Jim Vincent

High School only last month, was informed this past week of his selection as a candidate for a Class C contract with a Chicago White Sox farm club.

Vincent, 1954 Agonis Award winner and 1953 Haunts Award winner at West, has been told that he will join some two dozen other candidates at spring baseball training camp at Madisonville, Ky., around the end of March or the first of April. Not more than 18 of these candidates will be signed to contracts at the end of training. The contracts call for a year's option.

Remembered as a star player in all three major sports at West, Vincent placed on various all-city teams in football, basketball, and track. He was star shortstop for the West High Varsity team last season, although he was hampered somewhat at the end of the season by a broken shoulder.

Vincent has indicated he will "wait to see what happens about the baseball contract" before he makes any decision on continuing his education. In the past he has said he might go to night school at Ohio State University or attend a small college.

Tardy Rally By Atomic 5 Fails To Keep Celtics From 39-36 Win

The Celtics made it four and were Thursday, Jan. 27, in Glenwood Recreation Center's intermediate boys league by stopping a last-quarter rally of the Atomic 5 to emerge victorious 39-36.

The first half was fought on even terms, the score at half-time being 14-10 in favor of the Celtics. The third quarter saw the Celtics pump in 17 points, while holding the Atomic 5 to 12, the score going into the fourth quarter being 31-23 in favor of the Celtics. The Atomic 5 then went into a full-court press and stole the ball numerous times for easy lay ups. Their 14 points were not enough to overcome their deficit, however, and the Celtics walked away still holding on to the intermediate league lead.

John Hunter of the Atomic 5 was the individual game star as he racked up 24 points. Jeff Dum led the Celtics with 16.

The Trotters overpowered the Panthers 31-27 in what was a battle right up until the final gun.

The Panthers jumped to an early 9-6 lead, but the Trotters rallied in the second quarter to pull ahead, 17-14, at the half. The third stanza saw the Trotters hit for 10, while the Panthers netted nine, and each team hit for four in the final quarter.

Paul Kidd of the Panthers copped game scoring honors with 15 points. John Hummel caged 12 which was high for the Trotters.

The All Stars staged a big last half to sneak by the West Side Pirates 35-33 in another close intermediate league contest. The Pirates led at the half 16-8, but the second half was a different story as the All Stars poured in 26 points, while holding the Pirates to 17.

Dick Burris of the Pirates led the scoring with 17 points. Earl Belcher was high for the All Stars with 10.

The Bulldogs overpowered the Wildcats 36-9 in the last game of the evening. The game was a complete riot throughout as the Bulldogs held their opponents scoreless the first quarter, and allowed only three free throws the second quarter. The Wildcats' first field goal came in the closing minutes of the third quarter.

Glenwood Methodist Wins First Round In Y Junior Church League

By Dick Wilson

Glenwood Methodist went undefeated through the first round of play in the Hilltop YMCA Junior Church Basketball League by outscoring a scrappy West Junior Hi-Y Club to the tune of 47 to 12 last Saturday. The Junior Hi-Y Club played a good first quarter, but the tremendous height advantage and the experience of the Methodists paid off as the game progressed.

High scorer for the Argills-coached team was Huff with 14 points. High for the losers was Reynolds who scored six.

The Westgate EUB players showed a tremendous amount of sportsmanship as they started their third string team against the winless Community Christian five. The game was very close throughout until Coach Williams put in his starting five to prepare them for next week's game. Jeff Dum was high scorer for the game. Although he only played a little over a quarter, he scored 12 points. High for the Community Christian five once again was Punk Melburn who scored 10.

Hoge Memorial tied up second place in the first round by defeating the Curtis-coached EUB team 36 to 16. The game started out slow, with very little scoring, but as the game progressed, Hoge showed a definite superiority. Spencer led the Hoge attack with nine points. High scorer for the losers was Doersam with eight. Smoot did a terrific job, controlling both backboards for the victors.

Hilltop AC returned to the forfeit row as they failed to field enough players against Westgate Methodist.

Next week's play will see the beginning of a second round. The winner of the first round will play Glenwood Methodist for the League championship at the end of the season.

West Cowboys Ride To Thrill-Packed 83-76 City League Win Over Bulldogs

Dick Furry, junior center, playing his finest game of the season, led West High School's Cowboys to a free-scoring, thrill-packed 83-76 City League victory over South High School last Friday night on the home hardwood.

The home forces started the game by setting a torrid pace and grabbed a 27-19 lead as the first quarter ended.

Clarence Pointer, the Bulldogs' All Stater, committed three personal fouls early in the opening stanza, leaving the contest early with his team trailing 17-9. When Pointer re-entered mid-way in the second quarter, the score was 22-26 with the Cowboys still in front. He then proceeded to toss in four consecutive goals late in the period to give the visitors a short-lived 42-40 lead, with one minute remaining until half time.

However, fielders by Lonsmeier and Furry, the latters swishing the nets as the buzzer sounded, gave the Cowboys a 44-42 lead at intermission.

The third period continued nip and tuck, with Furry, Randall and Vincent scoring six points each to give the locals a 62-60 lead at the three-quarter mark.

The Blue and Gray tied the score at 64-all early in the final period, but a fielder and free throw by Furry and a fielder by Randall gave the Heischman-coached squad a 69-64 lead with five minutes remaining. They held the advantage the remainder of the contest, although the visitors were always in a threatening position.

Furry not only led both squads in scoring, with 26 points, but his work on the boards and his defensive play in blocking several of the visitors' attempts while they were still in the air was particularly outstanding.

Jim Vincent, the cowboys' all-city, three-sports star, playing his final game, scored 21 points. Dave Randall came through with 18.

Pointer scored 31 for the losers, with Taylor diminutive playmaker, coming through with 18 and also turning in a fine floor game.

This week the Cowboys will see no city league action but Saturday night will travel to Ashland for a non-league tilt with high hopes of capturing their 10th win.

Hilliards Bows To Worhington 61-51; Loses 3rd League Tilt

Hilliards, on its home floor, last Friday night lost its third league game in as many starts, after leading at half-time in each of those games, to Worthington by 61 to 51.

The Wildcats apparently experienced their same old problem of staying power, becoming Worthington's victim. Leading by 11 points in the first half, and still ahead by four as the fourth quarter started, the Wildcats dropped behind when Dick Woods' layup shot made it 48-47 with four minutes left to play.

Junior Laws gave the Cardinals a permanent lead at 51-48. Worthington's Cardinals outscored the Wildcats 26-13 in the last period, with Steve Jerman contributing 10 of these points to the Cards.

The Wildcats hit 19 of 80 for the game, with Joel Williams scoring 11 points in the first five minutes of play.

KIWANIS GIFT OF KNOWLEDGE—Wally Bonnell, chairman of the 1954 boys' and girls' committee of the Hilltop Kiwanis Club, is shown here last week inspecting some of the American heritage books purchased by the Concordia Lutheran School, 45 S. Brinkerhoff, with the $50 his committee presented the school for the purpose in December. A like amount was presented every other elementary school on the Hilltop for the same purpose by the committee. Standing behind Bonnell from left are John Witt, Grade 8; Jim List, Grade 7; Paul Doellinger, Grade 6; Sherry Scott, Grade 5; Diane Alton, Grade 4; Mary Jean Lustnauer, Grade 3, Pete Krull, Grade 2; and G. E. Gerber, Grade 1. Standing behind the children is Teacher Mrs. Arthur Witt. (Hilltop Record Photo)

SORT OF A FORECAST

Groundhog Day Observations Hampered By The Icy Weather

It wasn't cricket.

We're the first to admit that you are supposed to Lang around all day on Feb. 2 to see if the ground comes out of his hole. Then, we know you're supposed to watch like a hawk to see whether or not Mr. Groundhog sees his shadow.

If he sees his shadow, the tradition goes, we're in for another six weeks of winter.

But the weather on Wednesday, "Groundhog Day," was just too icy and miserable for us to hang around. That's why we decided to heck with playing cricket and went back to the office where it was warm.

From our office window, though, we noted the sun peeking through the clouds at least a couple of times. So, if our little four-footed friend isn't suffering from near-sigetedness or any one of the dozen eye disorders, he should have seen his shadow.

On the basis of superstition, then we should expect another six weeks of winter.

The local weather bureau, however, will not confirm or deny the prediction of the groundhog.

At any rate, here's a belated "Happy Groundhog Day" to you.

Mr. Groundhog

Stableboy (to new rider): Would you like the Texas saddle or the English saddle?

New Rider: What's the difference?

Stableboy: Well the Texas saddle has a horn and the English saddle hasn't.

New Rider: "I'll take the English saddle. I don't expect to be in heavy traffic.

Campanella Has Debut On Hilltop In Past Week

SHADES OF PETRILLO!—Arthur Withrow and Campanella combine talents to produce something more than a mild sensation in the musical world.

By Grace Durflinger

A debutante "came out" in the musical world this week, graciously honoring the Hilltop as the scene of her debut. Campanella is her name.

A native of Hagen, Germany, Campanella may be described at first glance as a sort of modern harpsichord. However, her talents far exceed those of her antique counterpart.

Art Withrow, owner of the Franklin School of Music and sole agent for Campanella in the United States, told us of some of her more outstanding features.

Tiny Campanella weighs only 143.4 pounds and has a five-octave keyboard, which allows for the performance of almost every work of music. Unlike a piano, whose tones are produced through the use of strings, Campanella's dulcet tones are produced by striking tone bars which are directly connected to the keyboard. Once these bars are adjusted, which may be done very simply with a small auto wrench and a block of wood, they will never go out of tune as the strings of a piano do.

Because of her light weight, small size and ability to stay perfectly tuned, no matter what the climate may be or how often she is moved, Campanella is recommended as the perfect instrument for traveling musicians as well as fireside music lovers.

Her "voice" has the effect of a marimba, harpsichord and harp, all rolled into one, and has a two-toned chime effect on the lower register. Her manufacturers recommend that she be played with reed, woodwind and stringed instruments for the best orchestral effect, however, she performs beautifully by herself or as accompaniment for a voice.

Withrow's Campanella is the first of a possible 165 such instruments to be sold in this country in the coming year. However, Withrow stresses the fact that the majority of these will probably be immediately allocated to major orchestras, so the instrument will probably remain a curiosity in amateur circles for some time.

The public will get to see and hear Campanella in the near future, Withrow assures us. His adagio model, which has the appearance of a deep upright piano, will be seen and played Monday on Tom Gleba's "Touring the Town." Campanella is also available in the "romance" model, which resembles a baby grand piano.

Additional guest appearances will be made by Campanella within the next two weeks on the "Alan James Show" and Ed Sullivan's "Toast of the Town."

This will probably be the first time in history that a prima donna made her debut on television!

BOWLING CHAMPS—Results of a special bowling tournament conducted by the Columbus Recreation Department in cooperation with the Hillcrest Lanes have been determined by League Supervisor Julianne McDonald of Sunshine Recreation Center. Some 250 boys and girls sanctioned by the American Junior Bowling Congress took part in the tourney. Through the cooperation of the Hilltop Business Association, Hilltop Kiwanis Club, and Mr. Morgan, manager of the lanes, special trophies were awarded to Teen-Age League members in the photo above from the left as indicated: Mrs. McDonald, league supervisor; Howard Schmitt, boys high individual series; Bill Robinson and Jerry Pyle, boys' doubles; Herb Pursley and Barbara Ely, mixed doubles; Jeannie Milder, girls' high individual series plus girls' doubles honors with Sue Veregge (at far right).

Huge Central Ohio Gasoline Storage Facility Nears Completion On Hilltop

One of the largest multiple-firmbe bulk gasoline storage areas in central Ohio is nearing a stage of partial completion on the Hilltop along with the terminus for an estimated two million dollar pipeline extension from Lima. Full operation of the gigantic storage field is expected by summer.

The huge tract is located for the most part in a portion of the industrial section of Lincoln Village, east of Philippi-rd, south of Fisher-rd, and north of the Pennsylvania Railroad and Westinghouse plant.

Zoning Hearing Set

Public attention was focused on the booming operation by a recent announcement of the Franklin County Rural Zoning Commission that still another major oil company has requested rezoning of an adjacent tract for the purpose of constructing more storage tanks

According to T. R. Hickey, executive secretary of the zoning commission, the Ashland Oil and Refining Co. of Ashland, Ky., has petitioned for rezoning of some eight acres of the old Link farm from a light manufacturing to a heavy manufacturing district classification. The public hearing will be held at 8 p. m. Monday, Feb. 21, at the Sullivant Avenue Airport.

10 Tanks Underway

The original bulk gasoline storage development began when the Ohio Oil Co. of Findlay, O., (Marathon), one of the largest oil companies in the nation, purchased the 45.5-acre tract from Peoples Development Co. Ohio Oil, having obtained proper zoning on the land, which was too large for its own exclusive use, later sold a 17-acre portion to the Texas Oil Co. (Texaco), which is now constructing three multiple-million gallon storage tanks. Ohio Oil at this stage has seven of the huge tanks almost completed.

Later, 17 acres adjacent to the original 45.5-acre tract, that was the old Alles farm, was purchased by the Gulf Refining Co. Gulf has planned a series of gas storage tanks. Next, the Frysinger Construction Co. of 10 E. Broad-st, a highway construction firm, acquired the adjoining eight acres.

It is known that a total of six major oil companies are currently involved in plans for participation in the storage activities. Socony-Vacuum Oil Co., Inc., (Mobilgas) is reportedly among those currently negotiating for storage area.

The Texas Co. is building a warehouse and air-conditioned office at the site, which will become the firm's zone headquarters for the central section of Ohio. Facilities will include a lunchroom for employees, showers, and lockers.

The pipeline extension itself was completed by the Buckeye Pipeline Co., located at Findlay, from Lima, at the end of 1954, with work still in progress on portions of the terminal building at the Columbus end.

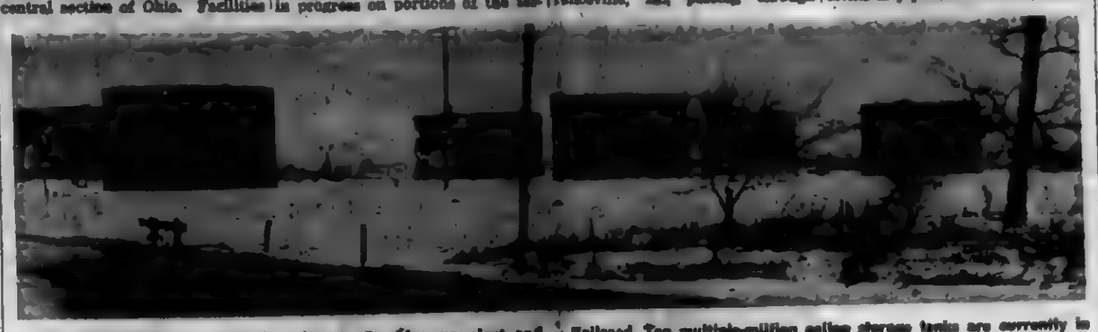
Local oil men say that the extension, which has a branch extending to Findlay and another to Toledo is part of a network starting at Lawrenceville, Ill., passing through Robinson, Ill., Indianapolis, Ind., and Lima. Considered a common carrier, the pipeline must conform to interstate transportation regulations.

Recent technological improvements in pipelines make it possible for the various using oil companies to maintain the purity of their products while utilizing the line at

The use of modern pipelines requires split-second [redacted] and timing. Because of the expense involved, scheduling is rigid, with firms alotted definite periods of usage.

In the past, a so-called "waterblock" was used to separate the products of various using firms flowing through pipelines. Now, because of rapid flow and careful scheduling, mixture of products is so infinitesimal as to be almost unmeasurable. Since the distinctive dyes used by refineries are all different, it is possible to determine at various checkpoints exactly what product is using the line at the [redacted]

Although smaller tanks are being constructed at the Hilltop site for storage of oil, the gasoline tanks range up to 80 feet in diameter, 315 feet in frontage, and 55,000 barrels in capacity.



Immediately east of the new bulk storage area and almost to Wilson-rd is the bulk storage plant of the Shell Oil Co., which has been at the location for several years.

Professional gasoline and oil men questioned about the new development said that the only unusual element in the whole situation is the large concentration of so many storage tanks in such a small area. The danger of fire or explosion has been minimized by the use on all tanks of the so-called "floating top," which rests on the surface of the gasoline, eliminating space for collection of explosive fumes.

Service Station Building

One problem that plagued construction men at the site temporarily was the presence of underground springs, near the surface, which complicated the building of earthen dykes around the base of the huge tanks. The dykes are additional safety factors, designed to catch any possible leakage.

To make the operation of the storage facilities and usage of the pipeline profitable, it is anticipated that all participating firms will launch huge expansion programs in the Columbus and central Ohio area, with scores of new service stations already on the drawing boards.

NEW NEIGHBORS—Even the mixture of cold snow, sleet and fog of the past several days has failed to stop construction efforts at the gigantic new bulk gasoline storage area and pipeline terminal located in and adjacent to the industrial section of Lincoln Village, east of Philippi-rd, south of Fisher-rd and north of the Pennsylvania Railroad. Ten multiple-million gallon storage tanks are currently in various stages of construction. The six major oil companies reportedly joining in developing the storage area, clustered around the pipeline terminus, are expected to be in full operation by summer, with several more tanks scheduled to be built. Westlake Should Be Elected To Council

Announcement today of the decision of Ralston Westlake to become a candidate for city council is welcome news to many who are interested in the welfare of the city government of Columbus.

Westlake enters the field as a newcomer but is well acquainted with the workings of city council, being the son of the late Milton W. Westlake who served in council-for-over 20 years and was a county commissioner for eight years.

Westlake enters this race at the urging of many of his friends who feel that his background is such that he can contribute much to good government in the city.

He is in no way dependent upon local business for a livelihood and is not obligated financially or otherwise.

It is a fact that this newspaper has been and is a staunch supporter of Mayor Jack Sensenbrenner and the fact that Westlake is a Republican may cause some people to wonder as to our consistency.

We take this opportunity to point out again, as many times in the past that we have never endorsed candidates because of their party affiliations.

We know Ralston Westlake to be a man of integrity and one who can and will place himself above party lines for the good of the city

A Sleighing He Did Go

William "Buck" Sheldon, owner of Buck's Meat Market, 1440 Harrisburg-pk, who appeared in last week's Record alongside the antique horse-drawn sleigh he bought from an old German farmer near Wilmington, O., three years ago, tells us he's had dozens of phone calls about the photo. Most of them, Buck reports are from people either trying to buy his sleigh, sell him special "sleigh horses," or interest him in purchasing museum-piece sleigh bells. Incidentally, the bells Buck now has are borrowed from an 85-year-old farmer of near Mt. Sterling, O.

Hilltopper Ralston W. Westlake Will Run As Council Candidate

Ralston Westlake, 47, lifelong resident of the Hilltop, will be a candidate for city council in the May primaries. This is the first time he has sought public office.

Ralston W. Westlake

Westlake lives at 3284 W. Broad-st, and is entering the council race following the request of numerous friends. A Republican, he is the son of the late Milton W. Westlake who served in city council for many years.

He was graduated from West High School in 1925, sold glassware while attending high school, and then started his own glass business which he has continued to operate.

In 1933 he was married to Helen Siegwald. They have three children, a son David who is a sophomore at Ohio Wesleyan, a daughter Diane at West Junior High, and daughter Marilyn at West Broad School.

Westlake is a member of the Westgate Masonic Lodge, Scottish Rite, Aladdin Temple Shrine, St. John Lutheran Church, and Hilltop Business Association.

Rezoning Hearings Set On Two Hilltop Area Applications

The following Hilltop area appeals for rezoning are scheduled for public hearing before the Franklin County Rural Zoning Commission on the dates indicated, according to T. R. Hickey, executive secretary of the commission:

An appeal by Justice of the Peace Paul C. Winters, 1819 Harrisburg-pk, and associates for change of three tracts from residential and agriculture to a general commercial district classification will be heard at 8 p. m. Monday, Feb. 21, at the Sullivant Avenue Airport. Involved are a tract on the northwest corner of Clime-rd and Harrisburg-pk, property at the southwest corner of the same intersection, and a tract on the northeast corner of Frank-rd and Harrisburg-pk.

Scheduled for hearing at 7:30 p. m. Feb. 21 in the Prairie Township Fire House on Maple-dr in New Rome is an application, for a change from residential to local commercial classification made by Ralph C. Schmelzer, 1180 W. Broad-st.

Involved are three lots of Crellin's Woodlawn Addition, located at the southwest corner of W. Broad-st and Gladys-av in Prairie Twp. Construction of a service station on the site was mentioned in the original application.

POLICE RADAR PROVES IT!

Most Broad-st Drivers Believe In Signs; Some Regret They Didn't

Hilltoppers who find it necessary to cross Broad-st several times a day may doubt this, but most vehicles which they have reason to suspect are being driven by racing maniacs, are really operating within the legal speed limit.

That analysis was reached following a recent one-hour spot check made by the Columbus police department, using radar, at the intersection of Broad-st and Haldy-av. The findings were reported Monday noon by Ed Melvin, chairman of the safety committee of the Hilltop Business Association at an executive meeting of the latter group, held at the Colony Restaurant.

Though the average speed for more than 72 cars checked was approximately 28 miles per hour, there were some transgressions in the 35-mile zone. One driver was "radared" at 44 miles per hour, one at 46 and two at 50. The latter three lived to regret their hastiness, according to the traffic patrolmen making the test.

Other matters brought to the attention of the group, presided over by E. H. LeFever, first vice-president, in the absence of President Jack Imler, included the double parking ban of trucks in Hilltop business areas and the appointment of Clark Biddle, Robert Weaver, Charles Ditrick and Charles Fritch to "sit in" on City Council meetings.

C. H. Campbell, HBA secretary, announced that the next regular meeting of the organization would be held Tuesday, Feb. 15, at the Westinghouse cafeteria, beginning at 7 p. m. followed by a tour of the plant.

Camp Chase Legion Lists Plans For Several Coming Activities

Camp Chase Post was a beehive of activity at the beginning of this month as members planned and prepared for various activities to take place in the near future.

Vern Fiscus has planned a Valentine party at the post home Feb. 14 to entertain Scouts and their parents.

At the January meeting of the post executive committee, Mike Austin, district vice-commander, was endorsed for district commander.

A joint initiation ceremony will be conducted for new members of both the post and auxiliary the evening of March 18. Details of the meeting will be announced later.

The post and its auxiliary will hold the annual "Million Dollar Party" in conjunction with a dinner party at 6:30 p. m. Saturday, Feb. 19, in the post home, 3211 W. Broad-st.

Mr. and Mrs. Roger Myers are chairmen and co-chairman of the event. In charge of the dinner arrangements will be Mrs. George Levisay, Mrs. John Martindale, Mrs. Dewey Stout, Mrs. Charles Weidner, Mrs. Joseph Thompson, Mrs. Wilbur Minnameyer, and Mrs. Larry Scales.

Ticket sales will be directed by Reynold Greene. Others with special assignments for the evening include George Levisay, prizes; Mrs. Ernest Brown, decorations; Dewey Stout, acting auctioneer; and Mr. and Mrs. Ray McVay and Mr. and Mrs. William [redacted] the two couples acting as hosts and hostesses.

As each member presents his ticket at the door, he will be given $1,500 in "funny money" to spend during the evening. The meal, prepared by the Ladies' Auxiliary, will cost $500 and members will spend the remainder of their bank accounts on the many games available or by bidding for the numerous "valuable items" to be placed on the block in the big auction sale at 10 p. m.

Community Council To Begin 10th Year Of Hilltop Service

All members of the Hilltop Community Council are urged to be present at the regular meeting to be held Feb. 14 at 8 p.m. at the new Hilltop YMCA when the council will begin its 10th year of service to the community.

This week, newly-elected president Bill Burns announced the chairman of "special committees to carry on established work and to set up new projects to widen the scope of council activities."

Heading the special events committee are Charles Moore and Charles Theobold; civic improvement, Mrs. Ray Case; program chairmen, Charles Theobold and Dick Wilson, project chairman, Mrs. George Huts; attendance, Mrs. Ackler; and publicity, Mrs. H. C. Booth.

Auto And Truck Licenses Available On The Hilltop

Both automobile and truck licenses will be available again this year on the Hilltop, according to an announcement by C. H. Campbell, executive secretary of the Hilltop Business Association. Beginning March 1, auto licenses will be sold by the Hilltop Kiwanis Club and Kiwanikwe at the Westgate Electric Shop, 2685 W. Broad-st. After April 1, they will be sold at the HBA office.

Applications for truck licenses will be accepted at the HBA office, 3183 W. Broad-st, from Feb. 20 to March 20. Applicants must bring their truck titles and are cautioned not to wait until the last week.

GOP Gives Nod to Jones, Rejects Two Hilltop Men

Joseph R. Jones, for 22 years a member of the Columbus City Council, Tuesday night was endorsed as the Republican candidate for mayor of Columbus by the Franklin County Republican Convention meeting in Memorial Hall.

Endorsed for the four city council vacancies were Dewey E. Garner, Albert Gregg, Roland A. Sedgwick, and Dr. Daniel J. Whitacre. The endorsement by the Republican convention assures the candidates a position on the ballot for the municipal primary to be held May 8.

Jones, who has held the position of Council president for seven of his 22 years on that governing body, was given the party's blessing on the first ballot, being chosen over Hilltoppers Henry A. Koontz, 495 Hilltonia-av, and Ronald DeVore, 320 S. Terrace-av. Jones received 462 votes from the 702 delegates attending, almost double the 227 ballots cast for Koontz. DeVore garnered only 21 votes.

The results of the convention, which closely followed the predictions of local party analysis as to which candidates would receive the nod, were given an added air of party solidarity when the defeated candidates, Koontz and William Hicks on the city council slate, moved that the nominations be made unanimous by voice vote.

The big target for the Franklin County Republican organization in both the May primary and the November general election, according to all the rallying cries sounded by council and mayoralty candidates, is the defeat of Hilltopper Maynard E. Sensenbrenner, incumbent Democratic mayor. The usual promises of bringing competency and honesty to local government were sounded, but were noted only after the more pressing need "to restore the other end of City Hall" to the Republican party.

Hilltoppers who have heard statements by Koontz for some two years that he didn't intend to "step aside" for the mayoralty nomination this year were given some indication of the degree of cooperation the Republican party organization is attempting to achieve to defeat Sensenbrenner even before the convention. Before the balloting, Koontz announced that if he were not nominated, his support would go to the candidate endorsed by the convention. After the balloting, he said merely, "To all of you who supported me, thanks, and there'll be another day."

Not quite so demure in bowing to the dictates of party unity and policy was DeVore. In his pre-balloting speech, he stated he was unhappy that the voters of Columbus would never receive an opportunity to cast a ballot for numerous civic reforms and improvements he has advocated "because the convention is already sewed up for the old regulars." After the voting, in which he received no support whatsoever in eight of the 18 wards, he pledged his cooperation to "help elect the whole Republican ticket" and deplored the fact the newspapers had labeled him an "independent Republican" rather than a "Republican, period."

Koontz, now serving as a Franklin County Commissioner after 10 years as a member of City Council, carried only the first, fourth, tenth, 11th and 14th wards. He carried the 10th and 11th by preponderant

Job Chances Offered To West Drafting Graduates

The merits of West High draftsmen, who have won many state awards in the past for their work, were upheld once again this week when West High School drafting instructor, C. S. Kennedy, announced that several West Side firms, in addition to large manufacturing firms throughout the city, have contacted him, seeking to employ draftsmen who have already graduated from West High School.

As he is unable to contact many of the boys, Kennedy urges those who are looking for a better job in drafting to get in touch with him at the school or at his home, FR. 6-8494.

Although the King Pins still lead the league, the Pin Busters took the team honors for the game of Jan. 31. They rolled a two-game high of 995 and a single-game high of 552.

Louis Cruse, a substitute bowler, has an average of 134. However, he has only bowled six games in league competition.

The Blue Blazers defeated the Polar Cubs 20-14 in Glenwood Recreation Center's senior girls A league Wednesday, Feb. 2.

The Blazers held a 6-4 margin at the end of the first period, and a 12-11 edge at halftime. The Blazers pulled away in the third, tallying seven points, while holding the Cubs pointless. The Cubs could not overtake the Blazers in the fourth, scoring only three points to the Blazers' one.

Eleanor Curry and Betsy Briggs took scoring honors with seven each for the Blazers, while Lee Goeborn led the Cubs with six.

The Blue Sockers edged the Hilltoppers 12-10 as Evalyn Mack tallied all of the Hilltoppers' 10 points.

After a scoreless first quarter, the Hilltoppers emerged with a 6-4 margin at the half. The Sockers scored six to the Hilltoppers' two in the third to take over a 10-8 lead, and held a 12-10 margin the last period.

The Glamazons forfeited to the Hi-Rockers.

Westgate Methodist Cops 1st Round In Y Intermediate Loop

By Harry Grashel

Westgate Methodist, coached by George Miller, copped the first round championship of the Hilltop YMCA Intermediate Basketball League by swamping West Park Methodist 57-18 for its sixth straight win. The outcome of the game was never in doubt as Westgate jumped into an 11-0 lead and then coasted to the championship.

The well-balanced attack of Westgate was much in evidence as team members' points were evenly divided, with Bob Kern scoring 14, Pollick and Berlo 12 each, Cobb 10, and Lantz and Rector alternating at the other position and accounting for nine points between them. The West Park boys, although outclassed, were not outfought, and their team spirit will help them in the second round coming up. Tommy Bowers again led the West Park scorers with nine points.

Hilltop AC finished the round with a 5-1 record by virtue of a 51-30 win over Burgess EUB. The AC squad, smartly dressed in new uniforms, looked very good and is expected to give Westgate Methodist a rough evening when these two leading teams meet in the second round. DeWitt, showing improvement with each game, led the AC with 17 points. Loren Galloway chipped in with eight for Hilltop. Byrne Poston tossed in 16 points for the green-clad Burgess team.

West Senior Hi-Y snapped a five game losing streak with a solid 38-21 victory over Cortland Roth's Hillcrest Baptist squad. Coaches Frank (Paul) Brown and Dick Wilson cooked up a well-planned attack to throttle Hillcrest. Floyd Love, Borland, and Wilkins led the Hi-Y Club with 22, 10 and nine points each. Erlenbach, with eight, and Fred Lanch, with seven, were the Hillcrest mainstays.

One Upset As 2nd Round of YMCA Jr. Church League Gets Started

By Dick Wilson

In the initial games of the second round of the Hilltop YMCA Junior Church League last Saturday at Glenwood Recreation Center, the favorites of each game came out on top with the exception of the Community Christian-West Junior Hi-Y game.

Community Christian pulled the upset of the season by defeating a highly-favored West Junior Hi-Y team 39-31. Because three of the West Junior Hi-Y regulars were not dressed for the game, the Lorens-coached team coasted to its victory. Bill Ingle, one of the two regulars, was high for the losers with 14 points. Featheroff was the big difference between the two teams and was high for the victors with 18 points.

Glenwood Methodist defeated Westgate Methodist 39-24 in the second game of the day. The game was a great deal more close than the score indicated as the Glenwood team did not pull away until the last quarter. Steve Byerly and Jim Huff were high for the victors, scoring 12 and 12 points respectively. Dave Ewing was high for the losers with 10 points. Ewing also played a very good floor game.

Westgate EUB earned a decisive victory over Burgess EUB, winning 49-23. The second and third-string Westgate players played a good deal of the game. Dave Snavely was high for the victors with 21 points and was closely followed by Jeff Fum with 16. Roger Burns was high for the losers with eight points.

Hoge Memorial also won a decisive victory over Hilltop AC, swishing the nets for 36 points while the AC club was only able to accumulate 22. The Hoge players showed that they are potential round winners with this victory. Every man but one broke into the scoring column and they were led by Jim Topping with 18. Butch Boyd was high for AC with eight points.

Gra-Y League End First Round With Draw In A League

By Dick Wilson

The Hilltop YMCA Gra-Y basketball leagues, which are played on Tuesdays and Fridays at the Glenwood Methodist Church gym, completed the first round of play this past week.

The A League, which consists of boys 11 and 12 years of age, ended up in a two-way tie, with Westgate and West Broad holding down the number-one spot. Westgate Gra-Y of the B League, which is for boys eight, nine and 10 years old, completed the first round, without a defeat and therefore is the undisputed winner of the first round.

Games played this past week determined the final league standings. West Broad of the A League up set a favored Westgate team 11-9. Dick Williamson was high for the victors with eight points, while Terry Linsen was high for the losers with three.

Westgate Gra-Y of the B League won undisputed first place by edging the Highland team 9-8. Bill Moyer was high for the Westgate team with six points, while Billy Karnes led the losers with six.

For These Four Families On Hilltop Valentine's More Than Just A Day

DOUBLE DUTY DAY is Valentine's Day for identical Hilltop twins, Daniel (left) and David Walker, who will mark their seventh birthdays on Monday, Feb. 14. In addition to enjoying the customary gifts that go with the celebration of a birthday, their mother, Mrs. Robert E. Walker, 328 S. Powell-av, says the youngsters really "clean up" on Valentine cards because of the joint celebration.

Valentine's Day, Monday, Feb. 14, will have a special meaning for at least four Hilltop families.

And that meaning goes far beyond the lace and flowers, heart-shaped boxes, and even comic Valentines that the date has in store for some of the rest of us.

Let's take a look, first of all, at what significance the day has for the two healthy-looking youngsters in the heart-shaped picture frame above, who are doing their best to look angelic enough for the "hearts and flowers" theme.

They are David and Daniel Walker, identical twin sons of Mr. and Mrs. Robert E. Walker, 328 S. Powell-av. The younsters are the celebrities of the family by virtue of the fact that they celebrate their birthdays on St. Valentine's Day. The one coming up on Monday is their seventh.

Mrs. Walker says that the boys, who are in the first grade at John Burroughs School, customarily receive 50 to 60 Valentine cards apiece. At least that's what the average ran last year when they were in kindergarten at the West Broad Street School.

They have to answer about three times as many cards as most children," Mrs. Walker declared. The cards come not only from school friends, but from all over the United States. Some of them are highly original and combine the birthday and Valentine theme.

"It's been like this ever since the story of their birthday appeared in a Columbus newspaper when they were two years old," she added. "Then again, relatives and friends of the family just don't seem to forget."

Mrs. Walker and her husband, who is with the F. and R. Lazarus & Co., have another son, Scott, who is 18 months old.

David and Daniel, who are in different classes at John Burroughs, were both quick to claim that "We don't have any real Valentines." There was some discussion about one little girl at First Community Church, where both attend Sunday School, but neither would be pinned down on the subject of a girl friend.

A more interesting subject to them was the fact that David is one-half inch taller and a pound heavier. Danny chimed up with, "Yes, but I'm 13 minutes older." Even when they're wearing identical clothes, which is quite frequent, the informed observer can tell them apart by the pinhead-sized mole beside David's left eye.

The three other Hilltop families have a special interest in the holiday virtue of the fact that their family names are Valentine.

Mrs. Renick W. Valentine, 476 S. Richardson-av, had this to say: "Friends tell us they have no trouble remembering our name because they associate it with Feb. 14. We do get teased a lot, but we've never celebrated the day in any unusual manner."

Mrs. Raymond W. Valentine, 704 S. Eureka-av, who was widowed four years ago last Christmas, said, "The holiday doesn't mean much to me now. About the only thing I can think of in the unusual line about the name is the fact that since my initials and those of the Valentine family over on Richardson-av are the same, we're continually having confusion with our telephone calls and mail."

Mrs. Harry W. Valentine, 354 S. Oakley-av, whose husband works for the city sewage and drainage department, has six children — two students at West High, three at John Burroughs, and one out of school. She observed: "I guess the biggest way we notice the coincidence is in the way the children are teased by their schoolmates. Then again, they probably receive more cards than they would otherwise."

margins, controlling those delegations by votes of 21 to 11 and 42 to 14 respectively.

Although not officially presented to the convention as a nominee, another Hilltopper, Jerry Spears, Jr., received a lone ballot from the fifth ward. Conjecture in political circles is that Spears will appear on the primary ballot in the Republican party's supreme bid to quash Sensenbrenner's bid for re-election by defeating him in May. In the "Mary Ann" system of balloting used locally, the two candidates receiving the highest number of primary votes are nominated for the November election, regardless of party affiliation. Thus, if Jones and Spears could capture more votes than Sensenbrenner, the Hilltop Democrat would not even place on the ballot in November.

In his pre-balloting talk, Jones solicited support of the delegates, stating, "I have the qualifications, experience and background to fill the office of mayor." As to his platform, he announced his support for efforts to annex surrounding territories.

Among the council candidate nominees, Sedgwick led the slate with 648 votes out of the total of 702 cast. He was followed by Whitacre with 580, Gregg with 574, and Garner, executive assistant to former mayor Robert T. Oestreicher, with 548.

In pre-balloting speeches, Sedgwick told delegates "I stand on my record," Garner and Gregg appealed for support while urging the defeat of Sensenbrenner, and Whitacre, a councilman for 10 years, set the tempo for the evening with several jibes at "our religious mayor."

Meanwhile, it was reported that because of having only five candidates for the primaries, the Franklin County Democratic regulars would dispense with a nominating convention. The candidates apparently had the support of the organization.

Recreation Area Name Slimmed To Three Entries

The job of selecting a name for the recreational area at 4822 Hall-rd, recently purchased by Families of Columbus Inc., has been narrowed to three contest entries, according to W Pat Mulholland, 186 S. Southampton-av, treasurer of the organization.

The three finalists and their entries are:

Harold M Deye, 476 Stewart-av, "Hallridge Park."

Lois Trainer, 479 Jenkins-av, "Westcrest Haven."

Belva L. Smeltzer, 1986 W. Broad-st "Famineo Park."

According to Mulholland, an appeal for a suitable name, made recently in this newspaper, resulted in a flood of entries.

"Many excellent titles were submitted," he said, "making the judges' job extremely difficult. The final decision will probably be equally as perplexing, the three named above all having sent in good names from which to choose."

The corporation recently formed by a group of Columbus people, will operate a private recreation area at the Hall-rd address, which is approximately three miles southwest of Sullivant-av and Demorest-rd.

Couple Marks Anniversary

Mr. and Mrs. J. C. Lisk, 100 W. Main st, Hilltonia, will be hosting [illegible] tomorrow, Feb. 11, over 60 years of married life. Their friends, relatives and neighbors turned out in force nine years ago in honor of their golden anniversary. This year, illness and the weight of years have ruled out any attempt at a celebration.

Mr. Lisk, at 86, until recently was working several hours every day at the Russell Appliance store but during the remodeling operations there he has been "taking it a mite easy." Mrs. Lisk, who was 79 a few weeks ago, still does all her own housework, even the laundry, with "Dad's" help.

The Lisks are retired farmers and lifelong residents of the Hilltonia community. Their son, Harold, 467 N. Warrenway, is an executive with the International News Service.

25 CRASHES ON HILLTOP

YOUR YOUTH

By Dick Wilcox
and Bob Lilienth

Rain, snow, or sleet cannot keep the workers from spending a Sunday afternoon remodeling the new "Y" facility. A special thanks goes to Charles Parks, Stan Ruoff, and Dick Rice for their aid this past Sunday in finishing up many of the minor repair jobs.

The West Junior Hi-Y Club will cooperate with the Inter-Church Youth Council during Hilltop Good Friday Services by again serving as ushers at the Hillcrest Baptist and Burgess EUB Church.

The Hilltop Square Dance Club, which is co-sponsored by the Hilltop Welcome Wagon and the Hilltop YMCA, meets regularly the second and fourth Saturdays at the DeMolay Hall at 8:30 p. m. If you are interested in becoming a member of this club, you are invited to call the Hilltop "Y" office, JO. 4641, for additional information. Jud Boley, club caller, recently volunteered to fill this vital job.

Council In Heated Session Votes To Join County Sewer District

By Louise Pohlmann
RA. 2-2786
C/O Hilltop Record,
Box 29, Hilliards, O.

Hilliards Village Council held a somewhat heated session at its regular meeting on Monday evening, Jan. 31. The point at issue was whether or not to join the village sanitary facilities with the proposed Franklin County Sanitary District. Over opposition of Mayor Edward Patterson, Councilman Robert McCormick, and Clerk Gaymon Wright, an ordinance was approved authorizing officials to contract with the county to set up sewage district for Hilliards and the surrounding area.

Opposition was based on the passing of control of facilities from the village to the county, on the anticipated "certain" increase in sewage rentals and on delay in securing the seriously needed expansion. Clerk Wright said, pointing out that the village has already hired and paid an independent contracting firm $300 for surveys and reports to enlarge and relocate the existing system.

This money is just "thrown out the window," Wright said, since the county will now do a new survey, and numerous statutory delays pending hearings and putting the authority into operation will follow. On the basis of existing work and expense, he said, the village was ready as of the first of the year to go ahead with its own program and could have had expanded facilities in operation at least several months in advance of any accomplishment by the county.

The viewpoint of the majority of council was expressed by its president, Leo Shade, who said that, "this thing has been kicked around for a long time and no one seemed to be getting anywhere." Shade added that council has looked at the problem from all angles and is convinced that the county has a larger and more effective plan for the area and will furnish cheaper rather than costlier service, with far more capacity than the village could provide, since not only the area within the corporation but surrounding residential developments must be considered a potential part of the village.

Shade further said that as real estate developments progress, under the village controlled system, each time a new annexation was proposed, the village would have to extend its lines progressively, and that Council had concluded the matter was growing too big with too much involved to be handled by the village alone. As for control, Shade said local votes still control the county offices, just as they do in the village and that electors will still have it in their power to make their wishes known on the wider basis, even though the authority may be a little more remote than within village limits.

Clerk Wright commented in the course of the interview that there are indications that opposing petitions may be circulated against the county set-up. Wright also stated that he is filing for nomination for the office of village mayor at the spring primary election.

The four-week School of Missions at Hilliards Methodist Church ended last Sunday afternoon with the address of Mrs. Maxwell E. Becker who has returned to the United States after two years in Pakistan, where her husband has been a member of the foreign assistance program of the U.S. government.

Mrs. Becker wore native Pakistani dress for her appearance and brought with her a collection of native dolls, clothes, jewelry, and pictures to illustrate her talk.

There are no missions operating in Pakistan, Mrs. Becker said, in discussing the need for Christian missionaries there, emphasizing that, while in India there is a growing tendency to exclude Christian missionaries from that country, in Pakistan they are warmly welcomed.

Women in Pakistan are completely in submission, she said, and are not allowed out in public at all, whereas the Indian government in promoting its "five-year plan" has liberalized the status of women considerably and they are now permitted to work outside their homes and take part in public affairs to some degree.

In all of Pakistan, Mrs. Becker said, there is only one hospital, which was operated by the British until the withdrawal of that government, since which time the hospital staff has consisted of poorly trained personnel, many of them with very meager schooling. Mrs. Becker said that when she sustained a broken arm, she was treated by a "doctor" whose entire schooling comprised five years of study.

The School of Missions has been very successful, Mrs. Robert Snider of the staff said and even on such a day as Sunday, the attendance exceeded that of prior sessions.

Mrs. Grace Woodin was pleasantly surprised by a group of friends and neighbors on her birthday, the evening of Jan. 31. The group met at the home of Mrs. Edwin Datz and precisely at 8 o'clock made their entrance into the Woodin home, 175 Hamilton-rd.

Those present were Mr. and Mrs. Edwin Datz, Mr. and Mrs. Lester Porter, Mr. and Mrs. Austin Ritchie, Mr. and Mrs. Robert Kinney and Mr. and Mrs. Clarence Kaiser. A pleasant evening of games followed and Mrs. Woodin was presented with many lovely gifts.

Mrs. Frances Conner, local deputy registrar of the motor vehicle bureau for Ohio, has announced that license plates for automobiles will go on sale Mar. 1st. The Sinclair Service Station at Gill and Norwich-sts will again be the place to make application for 1955 plates.

Level Social Club OES will meet at noon next Wednesday, Feb. 16, at the home of Irene Jolliet, 5467 W. Broad-st . . . This Saturday, Feb. 12, beginning at 8 p. m., Hilliards Grange will entertain with a square dance at Grange Hall. Members are invited to bring guests and enjoy an evening of old-fashioned country-style fun.

Mr. and Mrs. Otto Emmelhainz and daughter of Walker-rd are spending some time in Florida.

Several young married couples of the Hilliards community attended "The Silver Chalice" at the Palace Theatre in Columbus Friday evening of last week. Included were Mr. and Mrs. Maurice Roseberry, Mr. and Mrs. Richard Kellog, Mr. and Mrs. Herman Weber, Mr. and Mrs. Richard Kuhn, Mr. and Mrs. George Koncar, Mr. and Mrs. Earl Foreasman and Rev. and Mrs. Melvin Oehrtman. The wives are members of the Rhoda Guild of St. Paul Lutheran Church of Rome.

Under the leadership of Coach Don Shew, Hilliards Junior High basketball teams continued their winning streak. As reported by Roger Pritchard, the Hilliards Hoopsters rolled over London by a 54-18 score, displaying excellent ball handling in a game last Thursday in the Hilliards High school gym.

Scorers were led by Pritchard with 17 points; Paul Pence following closely with 12, while Larry Murdock and Kenny Adkins each had five. Perry Ball accounted for five; Willis Cordial, three; Philip Russell, two; and Martin Davis, one point. Edson Kidwell, the other first stringer, failed to score.

On Friday, Hilliards beat Briggsdale on the winners' court, 66 to 7. Scorers in this game also were led by Roger Pritchard with 14 points, Edson Kidwell registered 10; Kenny Adkins and Don Yore both accounted fog eight; Paul Pence, Jim Weaver, and Neal Durban made six; and Larry Murdock accounted for two points.

Up to now, the Wildcats have a 10-1 record and aim to hold their losses to that one game.

In this column last week, the date of the program for the Hilliards Methodist Church's World Day of Prayer for Children was mistakenly given as Wednesday, Feb. 23. The following correction is made by request:

On Sunday, Feb. 20 at 9:30 a.m. children of the Hilliards Methodist Church will go to the World Day of Prayer service. This day will be observed throughout the world, following the theme, "Keep my Commandments," John 15:10. "Parents, do have your boys and girls present on that morning," urges Mae Swepston, director of children's work.

THUMB STUFF—Caught by the Hilltop lensman at 2:35 p. m. opposite the Ternstedt General Motors Plant was Peter Hirl, master hitchhiker, who was then enroute to Cliff Motel, McKee City, N.J. Hirl has traveled 68,000 miles via his thumb since leaving New York City on June 11, 1954, with $73 in his pocket. The 26-year-old World War II Army vet who has visited 21 countries in his tour, had 92 cents in his pocket when in Columbus. (Hilltop Record Photo)

Registration Of Pupils For Public Schools Will Get Started On March 1

Registration of children who will start to Columbus public schools next fall will get underway on Mar. 1, Miss Florence B. Johnston, supervisor of nurses in the Columbus school system, has announced.

Any child who will be five on or before Dec. 31 may be registered for kindergarten. Children who will be six on or before Dec. 31 must be registered for first grade if they are not enrolled in a kindergarten of the Columbus Public Schools at the present time.

School officials are asking parents to contact the elementary schools in their districts to make registration plans. Registration should be completed shortly after Mar. 1 so arrangements can be made for children and parents to meet with school nurses for a conference and health appraisal.

Registration can be competed more quickly if parents take an original birth certificate to the school when they register their child, Miss Johnston said. Birth certificates for children born in Columbus may be obtained at the City Health Department, 181 S. Washington-blvd.

Tony Curtis, movie actor, elected mayor of Universal City, Cal.: "I'll keep the Dior look off this lot."

Hilliards High School basketball teams won both games played last week, edging out Westerville 78-71 at Westerville and by a score not available, winning the junior varsity game.

This week's basketball schedule includes a game with Holy Rosary at K of C Hall in Columbus on Tuesday and with Marysville High, at Marysville, tomorrow.

The sophomore class dance is set for Saturday evening, Feb. 12 at the high school gymnasium.

Today the high school is having elections for judge and clerk as part of the countywide citizenship program. Under the auspices of Hi-Y and Tri-Hi-Y, the contest has excited a great deal of interest throughout the school, a total of 16 candidates having entered for the two offices. Posters boosting various aspirants have been put up, urging support for favored candidates.

On Feb. 18, the homecoming basketball game will be played with London opposing the Wildcats. The homecoming queen, selected last week, is Sandra Sichol. Her court consists of Donna McBrayer and Judy Moore, seniors; Mary Ann McCann and Nancy Bennett, juniors; Marilyn Opp, sophomore, and Rosanne Wolpert, representing the freshman class.

HILLIARDS METHODIST CHURCH WILL HOLD CENTENNIAL RITES

Although organized in 1842, the Hilliards Methodist Church has occupied its present site at the corner of Main and Norwich-sts a "mere" 100 years. It was in 1854 that John R. Hilliard, founder of the village, deeded the present church ground to the trustees serving at that time.

A centennial celebration is now being planned, to take place this coming fall. A program committee has begun preparation of a church history but is hampered in its efforts because there are gaps of many decades in the records now available.

In early years, a number of churches were linked on one circuit, all served by a "circuit-riding" minister. Ancient records of the Hilliards church indicate that at one time, there were Methodist congregations here, at Amlin, Colwell, Wesley Chapel and Alton, all of which are still in existence. There were also others, now in existence which were known as Skidmore, Clover, McCoy, and Postle churches. All these named were at one time part of the "West Jefferson Circuit," available records indicate.

The program committee is anxious to learn more about the early history of the Hilliards church and also of those associated with it. Anyone having any information relating to any or all of the points listed is urgently requested to contact Mrs. George R. Hoeflinger, FR. 8-7439, Mrs. M. D. Hartsook, FR. 8-7329, or Rev. John J. Adams, FR 8-7674

Common Man More Important Than His Leaders Say Hilltoppers

With all the news headlines these days the dissension among the powers of local and federal governments, we wondered just how it affected the people. So we asked this question at random of Hilltoppers recently: "Which do you think is more important to our community, the outstanding leaders or the common residents?"

Mrs. John H. Harris, 204 S. Westgate-av: "I think the more common everyday residents. The real work of this world is done by them and they are the ones who are called 'The salt of the earth.'"

Marilyn Rice, 275 N. Burgess-av: "The more common residents. They have the final say about everything and there are more of them."

Mrs. William A. Burns, 2430 Steele-av: "In my opinion the more common people are the important ones. They are the ones who get behind the leaders to get things accomplished. Without them, leaders couldn't do anything."

Mrs. Mary Lininger, 446 Larcomb-av: "The more common residents. There are more of them, and after all, the majority rules."

Mrs. C. L. Davis, 171 N Reynav: "I think, maybe the common people of the community are the important ones. There are more of them, so they are the ones behind the leaders that really count."

Dwight D. Eisenhower: "I have never in my life gone into any fight to lose."

OUR SUNDAY SERMONETTE

PAUL'S POWER WITH INDIVIDUALS

By

By Rev. J. W. Montgomery

Pastor of New Baptist Congregation, Meeting in Franklin Township Hall, 3443 Sullivant Ave.

Text: Philippians 1:21. "For me to live is Christ."

Paul was a preacher of the gospel. But his divine call to the ministry, with implication that his service was to be rendered to the masses, did not dim his view of the individual. By example and by precept he taught the value of individual preaching to the individual.

How strangely this emphasis on the value of the individual has influenced nations and empires! Wherever the story is told and accepted of the shepherd leaving the ninety and nine and going after the single sheep that was lost, people feel more secure. People are more thoughtful of each other when they hear that the Master said: "There is rejoicing in Heaven over one sinner who repents." People are more conscious of their own worth in the sight of God when they think of Christ and Nicodemus, Christ and Zacchaeus, Christ and the woman at the well, and Christ and the man who was born blind.

Wherever Christ and His love for the individual is taught, and Paul with his training of individuals for Christian service is accepted and followed, schools and churches spring up and liberty holds sway. When these things are forgotten and people accept the idea of the supreme state, misery and darkness follow.

Our Saviour alone knew the extent of the fires that could be started by the single soul, ablaze with the love of God. That is why He said: "You are the light of the world!" That is why he said a soul burning with love for another soul is "like a city sitting on a hill, that cannot be hit."

Paul accepted Christ's challenge to carry such torch. That is why he could talk to the governor with such authority that "Felix trembled," and exclaimed: "Much learning has made you mad!" That is why he could speak to a king with such certainty and understanding that Aggrippa cried out: "Almost you have persuaded me to become a Christian." No wonder he could say: "For me to live is Christ." For it was through Christ that Paul had this "power with the individual."

IT WAS SAID in the long ago that we brought nothing into this world and that we shall take nothing out. That is true for all material goods. It is false in the realm of the spirit. *You and I are writing day by the day the story that must forever be our history.* We are garnering the harvests of the years and storing them in the granaries of heaven. As women and men come to the closing hours of life on the earth, they gather up the "fruit of the spirit." *Love and joy and peace and longsuffering are not material.* They are eternal goods.

HOW RICH ARE WE? When we stand before the heavenly cashier and ask for a statement, what will the little card carry as our record? *Shall we hold in our hands a blank white card, with a dark background?* Will the servant of the Most High say that our account stands at zero? How dreadful, when we discover we have been working and living for naught! But why wait? Most of us can guess what the bank account really is. *Let's face that question now, for tomorrow we must know the final statement.* Shall I make sure of my holdings in the divine treasure house? What is my harvest?

New Book Arrivals Deal With Subjects Like Engineering, Home Improvement

By Mildred Phaler
Librarian

"Engineers' Dreams" is a fascinating new book on the shelves of the Hilltop Branch Library, 2958 W. Broad-st. Willy Ley, the author, presents a number of startling projects that even now may be in the process of realization — projects such as harnessing the wind, using power from the sun and from the Jordan River, and creating a large lake in Central Africa. The African lake project would eliminate the deadly jungle area and improve living conditions of inhabitatants as well as provide the Sahara Desert with an adequate water supply.

Now, home engineering projects, such as "built-ins" and upholstery may be safely undertaken with the man of the house as "chief engineer." Step-by-step instructions are found in two new books — Robert Scharff's "Improve Your Home With Built-Ins" and Blanche Pope's "Upholstering Home Furniture."

The family pooch stands to profit from use of the library books also. "The Complete Book Of Dog Obedience," by Blanche Saunders, constitutes an encyclopedic authority in the field of dog training.

"The Book of Showers for All Occasions" is unusual in that it contains skits in addition to games and suggestions for table decorations. The new book by Helen Ross, "The Family Nobody Wanted," describes the trials and tribulations of a methodist minister and his wife and their flock of adopted children. It is good reading and full of human interest. Harnett Kane has added a new book to an already imposing list, "Lady of Arlington." The novel is based on the life o. Mrs. Robert E. Lee and is very fine reading. The new "Spies for the Blue and Gray" is based on the Civil War and well worth reading.

Library hours are from 1 to 9 p. m. Monday through Friday and from 9 a. m. to 9 p. m. on Saturday.

MARY TODD MEETS LINCOLN
At times she forgot
Before the night was over,
His coarse black thatch, his humble lot;
How no hat could cover
The huge ears of such a lover,
But looking in his eyes
Elves assured her, clothes
And manners matter not. Woes
She sensed, where sadness lies
Deep,—lone-ness each soul knows.
In his eyes she saw
The bricks a person can
Mold from history with straw;
Learned how a man
Can fill them into the future's flaw.
She joined him in living
Yesterday, now,
Tomorrow; glimpsed Springfield giving
The what and when and how
All universes allow.
Naked? whirling on earth,
To the rim clinging
Through infinity—star-birth—
Rare, exquisite; bringing
Fragile fate, tragical singing.
Did she ask to be
So alive as this—
Star dust blown eternally;
Did she fear to miss
Life, love, fate like this?

As many thousands of Americans have done, a year or two ago, we made the pilgrimage to "Lincoln Land." We saw his home in Springfield; his beloved Sangamon; his monument and all the things shown proudly to tourists, but we felt that intangible something too—the humble spirit of the great man. On our way we stopped to visit the home of another American hero—Ernie Pyle—and were privileged to spend a wonderful half hour listening to an old friend of his who was happy to talk about Indiana's great man. As Ernie's friend told me, Indiana loved him before the rest of the world "caught on to how great he was."

A LITTLE BOY'S ESSAY ON ANATOMY

Your head is kind of round and hard and your brains are in it and your hair is on it. Your face is the front of your head and where you eat and make faces. Your neck is what keeps your head out of your collar. It's hard to keep clean. Your shoulders are sort of shelfs where you hook your suspenders on them. Your stummick is something that if you don't eat often enough it hurts, and spinach don't help none. Your spine is a long bone in your back that keeps you from folding up. Your back is always behind you no matter how quick you turn around. Your arms you got to have to pitch with and so you can reach the butter. Your fingers stick out of your hands so you can throw a curve and add up rithmatick. Your legs is what if you have not got two of, you can't get to first base. Your feet are what you can run on and your toes are what always get stubbed. And that's all there is of you, except what's inside and I never saw it. Reprinted.

McTAVISH SAYS

It takes know-how, know-who, and know-where to get there.

MINUTE INTERVIEW

Discussion has arisen over a plan to tear down Central Market and rebuild it as a combined market and off-street parking facility. Should city officials decide against this plan, more than $100,000 in repairs and changes must be made on the 107-year-old building. With regard to the problem at hand, we asked the following question of readers at random this week:

"DO YOU THINK CENTRAL MARKET SHOULD BE REPAIRED OR REBUILT?"

Mrs. Walter L. Justus, 773 S. Burgess-av, "I have never shopped there. All I know is that it is a terribly congested area and an eyesore. I think it would be much better all around if they tore the old building down and built this new building and parking lot that has been proposed."

Mrs. Charles Bongard, 129 N. Chase-av, "I don't know too much about business, but it seems to me it would be best to tear the old building down and carry out this new plan to rebuild, even if it costs more money than repairing the old building would."

Mrs. Grace Milling, 754 Nashoba-av, "I don't think they should tear down the market. They've spent too much money on it already. I think the people who run the stalls should go together to make the repairs."

Mrs. Glenn O. Douglas, 2744 Ridge-av, "If it wouldn't throw the people who run the stalls to a disadvantage, I think it would be wonderful to rebuild it and perhaps the parking lot would get rid of a great deal of that traffic congestion. It certainly is an eyesore right now."

Mrs. Albert Gunning, 3027 Olive-st, "I think they should tear it down and build the market nearer the city limits, so that people would have a place to park. I'm sure lots more people would go to market even if it weren't so centrally located, if they had parking space. Besides, it would aid the traffic problem and that land is very valuable."

The three, members of the Ohio Hardware Association, attended the convention at the Hotel Statler and the hardware show at the Cleveland public auditorium.

LETTERS TO THE EDITOR

Feb. 2, 1955

Editor:

To me as a Hilltopper the open business places on the Sabbath Day have been a source of much grief and pain.

The fourth commandment is written into the very nature of things. George Meuller recognized that his orphans' shoes lasted longer if they were supplied with new pairs than going them a period of rest.

Can we escape the loss suffered not only spiritually but physically and materially by failure to observe this commandment?

Thank you for your open stand on this matter.

Sincerely,
A Hilltopper

Dear Editor:

Thank you for giving the public the opportunity of expressing their opinion regarding business stores staying open for Sunday sales.

I commend the stand you have taken. I too believe we can do all our buying in six days and use the seventh for rest and worship.

Sincerely,
A subscriber

Dear Editor:

I want to commend you for your comments in the Record last week on Sabbath observance.

As church people I hope we can unite in our efforts to keep stores closed on the Sabbath.

HILLTOP TRAFFIC STATISTICS

Twenty traffic accidents occurred in the two cruisers' districts comprising the Hilltop area in the week ending Jan. 30, a report Monday from the police statistical department disclosed. Of these accidents, one resulted in death, four persons were injured, and 16 were classified as property damage.

I will remember the works of the Lord: surely I will remember Thy wonders of old.—(Psalms 77, 11.)

Each morning, before the distractions of the day begin, let us look to the sun which unfailingly has risen again, and know and affirm that God is; let us thank Him for the new beginning, and ask for His guidance, His mercy and love.

Battelle To Start Atom Research Lab Near W. Jefferson

The third in a group of three atomic research laboratories, to be owned and operated by Battelle Memorial Institute, will go under construction soon on the [illegible] site just northeast of West Jefferson on the Big Darby Creek.

Boasting one of the nation's first atomic reactors to be owned and operated by private industry, the new laboratory is expected to be completed by February of 1956, the target date for starting of the nuclear fission reaction. The other two laboratories, already under construction, should be completed by July or August of this year, according to officials at Battelle.

Dr. H. R. Nelson, manager of Battelle's physics department, said the reactor, which together with the building and auxiliary equipment will cost approximately $500,000, will supplement a large Cobalt-60 radiation source being installed at the King-av laboratories of the company.

One of the reactor's principal uses will be for experimentation on power reactor cores, work necessary for the development of nuclear plants for the generation of electricity, as well as the study of the effects of radiation on engineering materials to be used in atomic engines.

Another important application of the unit will be in research for the chemical, petroleum, metals, machinery, ceramics, electronics, food processing, textile, and pharmaceutical industries. In addition, it will provide radio-isotopes for tracer studies in medicine, agriculture, wear and lubrication, and other fields of science and technology.

"When any medium, other than the community newspaper, delivers all the neighborhood news and pictures in detail; ballyhoos local charities and endeavors to successful conclusions; borns the babies, graduates them, marries them, and buries them as old men; stands as watchdog of home, safety and liberty; fights for the rights of the people, unlicensed by fickle government, controlled only by justice and decency —

"When any medium, other than the community newspaper, becomes the permanent record of current events, the date book of the community, the housewife's shopping guide, recovers neighbors' dogs, sells their attics empty, finds them a used refrigerator; tells them who's painted his barn or mended his fences —

"When another than the community newspaper does these few little jobs, in a preservable package, at the lowest price in the world, then I'll believe that some folks might not find time to read their community paper."

BOY SCOUT WEEK

We Salute The Boy Scouts Of This Community

Boy Scout Anniversary Week: February 6-12

America's leaders of today are the Boy Scouts of yesterday. America's leaders of tomorrow are the Boy Scouts of today. 14 YEARS' PRACTICE PERFECT—Mary Stephens artfully decorates a potted plant while she listens and chats with her customer in a way that has endeared the German-born West Side woman to so many. . . .

A FRIEND IN NEED

'Cemetery Lady' Devotes Life To Serving Others

By Grace Durflinger

With Spring "just around the corner," Marianne Neunherr Stephens, better known to hundreds of friends as just "Mary" or "the cemetery lady," is anxiously awaiting her busy season.

For longer than most of her acquaintances can recall, the 63-year-old spinster has supplied many visitors at Greenlawn cemetery with floral decorations, ranging from daintily assembled bouquets to the larger and more elaborate arrangements.

Endearing her to most of those with whom she has come into contact, however, is her sincere personal interest in the problems of others and the measure of comfort she has given to bereaved families, for she, herself, knows loneliness and sensed a great loss when she left her native land.

Surrounded by the fragrance of hyacinth in the little greenhouse shop where she spends her day, Mary recounted how she was brought to this country from her home in Goldberg, Germany, at the age of nine, leaving behind her father, mother, sister, and grandmother.

In words which held no trace of accent, she said, "I was brought here as a sort of companion to my cousin, Walter Stephens, Sr., who is now the owner of the greenhouse and flower shop. His eight-year-old sister had died in 1900 and although I was never legally adopted, we were brought up as brother and sister and I use the Stephens family name instead of my own.

Telling of her first years in the strange new country, she said, "When I came here in 1901, I did not speak any English, so Walter's aunt, Mercedes Stephens, who was then principal at Chicago Avenue School, put me in the first grade on the first morning of school. I was in the third grade by noon."

After a year and a half in this country, speaking only English all the while, Mary had forgotten a great deal of her native language. In fact, her "Americanization" became so pronounced that she was sent to Stewart Avenue School where German was taught, so that she might continue to write to her family in Germany.

Before she entered her teens, Mary had attended six different schools in three countries, including a year of study in Switzerland. As high school was not required in those days, Mary's formal education ended with elementary school.

"Then I went to work in the greenhouse and it's been wonderful here. I've made a lot of grand friends living here by the cemetery these 54 years. You meet many different types of people here and get to know them so well, because when they are here with their loved ones they are their true selves."

In the summertime, Mary often tends several of the graves, herself.

"Oftentimes I go on Sunday morning when the sun is shining and the grass is wet with the dew. It's so quiet and peaceful then that I feel like I'm in church."

Mary lives in a remodeled house close to the greenhouse that was formerly used as the office. Pointing to her home, she declared, I'm very fortunate to live so close by, since arthritis has crippled me so. But my Ford still gets me where I want to go. It will be 25 years old next July."

Mary has seen quite a bit of this country since her arrival in Columbus more than half a century ago. Traveling with the Stephens family and friends, she has visited California, New York City, Washington, D.C., Virginia, New Orleans and Lincoln's home in Salem, Ill., as well as the Tulip Festival in Holland, Mich.

"This is a wonderful country," she said. "I'd never want to go back to Germany." Then, speaking of the West Side, "This is my home and here is my life."

Coming Events Cast
A Shadow On The City

In all the big plays for headlines down around the city hall the public is not often supplied the real meat of the situations and while a lot of stories make interesting reading, a lot of them add up to nothing and in the meantime the city of Columbus is the loser.

For the past several months now we have heard a lot of talk and read a lot about the financial condition of the city but as yet it appears that nothing of real importance is being done.

It all comes down to this place: The estimated income of the city is considerably less than the amount that will be needed to carry out the presently supplied services of the city for the rest of the year. This means that about Oct. 1 and it appears very evident that certain curtailments in numerous departments will be necessary.

People of Columbus don't like curtailments of their city services. This was found to be true back several years ago when the fire engine houses were boarded up.

But unless city council sits down and does something about this matter very soon it is evident that the city will find operation on a normal basis practically impossible.

A goodly portion of the present economic difficulty was brought about by the survey that was made a couple of years ago in which it was determined that city salaries should be increased. The city fathers at that time went along with the program which was good . . . except that they failed to provide any money to cover the increases and as yet they have done nothing about providing the money.

Board Of Elections Outlines Procedures For Registration

Office hours for registration and change of address for the Franklin County primary election, May 3, 1955, were announced this week by Charles E. Davies, chief clerk of Franklin County board of elections.

The last day for voters to register or change address is Mar. 22, from 8:30 a. m. to 9 p. m. Office hours are 8:30 a. m. to 4:30 p. m. weekdays and 8:30 a. m. to 12 noon Saturdays.

Those who have previously registered and have voted at least once in the last two calendar years (1953-1954) are still eligible to vote providing they have not changed their place of residence in the meantime. All others must register or transfer their address as the case may be.

Registration as a qualification for voting is not required of members of the Armed Forces. However, a discharged veteran is not a member of the Armed Forces and is required to register, regardless of the date of his discharge. All persons who have changed their names through marriage or otherwise, must register.

Persons who will become 21 years of age on or before the date of the election are eligible to register at this time, providing legal requirements are met.

Davies stressed the fact that all registrations must be done in person at the office of the board of elections, 410 S. High-st. Transfers of addresses may be made in person or by mail. Such mail transfers, however, must be postmarked not later than 9 p. m. Mar. 22.

Ouster Of Hilltop From Group Sought

Official of W. Franklin Co. Assns. Demands 11th Ward Be Dropped

Repercussions were still being felt today from a demand made last Thursday night by an official of the West Franklin County Associations, Inc., that the 11th Ward be eliminated from the group in a reorganization meeting slated tentatively for sometime early in March. Under current rules, the 11th Ward, Prairie Township, and Franklin Township have equal votes in the organization.

Ed LeCaptain, secretary of the associations, near the end of the "community brotherhood banquet meeting", attended by more than 100 persons representing some 20 organizations in the three areas, in the Prairie Elementary School on Norton-rd, made the proposal to oust the so-called "Hilltop Ward."

Marking the end of some hour and one-half of fellowship addresses, LeCaptain demanded the immediate dissolution of the association. "Let's face it," he said, "West Franklin County Associations cannot accomplish its desired aims as long as the 11th Ward, in which live such opponents of our aims as the two, Jerry Spears and Mayor Sensenbrenner, are in the same encampment. We must realize that we are involved in a city versus suburbanites fight."

Pleads For Unity

New Rome Mayor D. J. Kunz, president of the associations, answered him with, "No, we need the Hilltop. Let's join hands to solve our problems, not build a fort."

Before Kunz was able to gain control of the floor sufficiently to adjourn the meeting, Robert Steele manager of the Hilliards Raceway, asked, "Why don't you get off the fence, Mr. Kunz, and quit being so two-faced?"

The other event of significance at the meeting was the proposal of E. B. Quinn, president of the Capitol Beverage Distributing Co., that a plan offered by Kunz to solve the current water-sewer difficulties with Columbus through the formation of buffer zone of communities ringing Columbus and pledged not to incorporate be put to a vote at the meeting. He asked for the immediate formation of a special committee to take the plan to city officials.

Resolution Outlined

The Kunz plan, offered in the form of a resolution, was as follows:

"Whereas the city of Columbus has the watershed and all the facilities for water and sewers and also has the prospects of revenue to finance such a project, I therefore recommend that the city of Columbus serve the fringe areas within a radius of three miles, according to the statutes, with water and sewers and be allowed, according to law, to charge a profitable fee as long as this area remains an unincorporated area, or any other way feasible.

"This can be known as the Columbus Metropolitan Sewer and Water District. The district can be set up as zones, with villages to be charged a certain fee in order to attract industry more readily than outlying areas. Any subdivision beyond this district can be serviced by the cooperation of city, county and its own freeholders.

"Under this proposed plan the residents of suburban cities, villages and townships will be assured of water and sewer facilities and I am sure this would start all projects that have been stopped due to the water and sewer freeze."

Because of opposition offered by various other speakers, the plan was never put to a vote. This

A Prairie Township family of five fled the [illegible] at 478 Emmitt-av early Sat[illegible] it burst into flames that [illegible] severely destroyed the five-room residence.

Both Prairie and Franklin Township fire departments battled the blaze which routed Mr. and Mrs. George Owens and their three children, Mabel, nine; Murray, six; and Eddie, two.

A next-door neighbor, Mrs. Jacob Volk, said the family's greatest concern was for Mrs. Owens, who had been ill for three weeks with a heart ailment. Explaining that the Owens family used coal for both heating and cooking, she said the fire apparently originated in a flue, as the family was alerted by flames which were discovered shooting from the upper part of the house near a chimney.

The family planned to stay temporarily with Mrs. Owens father, Ora Burke, at 490 Grener-rd, since they lost all their furniture and clothing, in addition to the estimated $3,000 damage to the house.

Councilman Candidate Russell Drake Issues Policy Statement

Russell D. Drake of 105 N. Chesaav, Democratic Reorganization Committee-backed candidate for city council, took a firm stand on five vital issues now facing city government in a statement of policy issued Wednesday.

Drake, unanimously endorsed by the 50 precinct delegates attending the Reorganization Committee's convention Feb. 3 at the Seneca Hotel, was nominated by Cliff Garwick of the 11th Ward. A printer at the Columbus Citizen, Drake is a member of the Columbus Typographical Union. Others endorsed for councilmen at the convention were Robert T. Forman, 1454 Highland-st; John L. Francis, 111 N. 20th-st; and H. Keith Passmore, 80 E. Lakeview-av.

The policy statement of Drake follows:

"I believe in a stronger Democratic party in Columbus so that our two-party system of government in America can be maintained. Columbus city council should be composed partly of Democrats so that the entire electorate of Columbus may be represented.

"Annexation—Areas and groups beyond the city limits should be invited to join the city. No new water or sewer permits should be issued beyond city boundaries. In event of severe water shortage, pressure should be maintained within the city and reduced wherever our water mains leave the city limits. Arlington and Bexley residents should not sprinkle lawns while Columbus swelters.

"Housing and slum clearance — The mayor's war on illegal rooming houses should be backed and applauded by all members of city council.

"Health — Inspection of meat and milk should not be curtailed. Dr. Goodloe should be given a free hand to operate the health department because his ability has been demonstrated and his services sought by other cities. We must not take chances with tainted meat or unsafe milk reaching the citizens of Columbus.

"Finance director — I believe the city's financial problems could best be solved with the creation of the office of finance director. An expert on finances could aid city council, the auditor, and the mayor's office in their daily battle with the budget.

"Recreation — Passage of the recent bond issue for recreation makes it necessary for purchase now of additional areas and for improvement of present facilities. Baseball diamonds should never again be allowed to deteriorate. New housing developments should leave room for recreation in their plans. The city planning department should okay only those plans which incorporate recreational areas."

Another recent candidate for city council is James L. Skinner, who has been a West Side and Hilltop resident for 30 years. Skinner, who lives at 2120 Sullivant-av, announced his candidacy on a "civic betterment" basis. He is an employee of the Harper Printing and Engraving Company and is 45 years old.

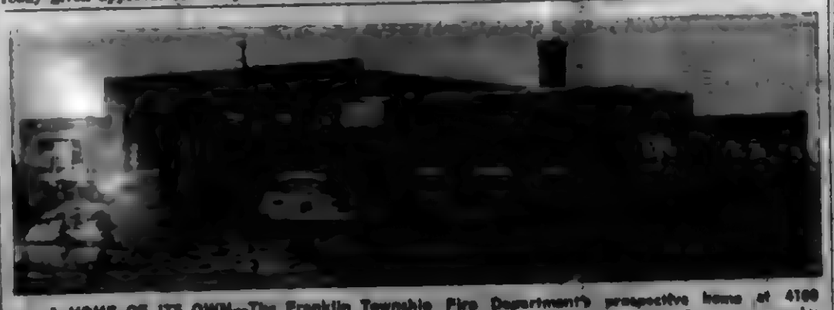
Despite Protests, Franklin Twp.'s Firemen Slated To Climb Higher Than Any In County

It appears that Franklin Township firemen are destined to go places — 100 feet straight up, to be specific, for that is the specified height for the department's forth-coming four-wheel aerial ladder.



Despite several protests of residents of the area that the aforementioned specifications "discriminate against a local manufacturer," township trustees voted to resubmit the only two bids received to the county prosecutor's office Saturday for approval.

The prosecutor's office has already given approval of the specifications and consent on the $89,773 bid by American La France Co. of Elmira, N. Y. is expected. The second bid, which was re-submitted, was that of Harry Sutphen and Associates, 1009 Dublin-rd, which provides for only an 85-foot ladder.

The seven protesting parties, all employes of the Seagrave Corp., claimed that the trustees by-passed the local contract because they are still miffed over Seagrave backing annexation of a portion of the township to Columbus.

Denying the accusation, trustees John Guy and Robert Steele added that they became convinced that the township's volunteer firemen needed a 100-foot ladder after conferring with the fire chief of Shaker Heights, Cleveland suburb.

Don Cox, a Seagrave salesman, pointed out that all of Franklin County, including Columbus with its taller buildings, has no ladder larger than 85 feet, and Steele admitted that the township at present has no buildings taller than 65 feet. He was quick to add, however, that a longer ladder would be needed to protect a local grain elevator and the Sears and Roebuck warehouse when it is built.

A HOME OF ITS OWN—The Franklin Township Fire Department's prospective home at 4160 Sullivant-av is nearing completion despite the weather, and is expected to be ready for occupancy by May. The fully-equipped building will cost an estimated $180,000, with space allotted to an eight-bed dormitory, a meeting or drill room, showers, lockers, a communications room, and drill room, plus garage space for an emergency truck, two pumpers and an aerial. The department is now operating its headquarters from a rented building at 3440 Sullivant-av.

54 YEARS' PRACTICE PERFECT—Mary Stephens artfully decorates a potted plant while she listens and chats with her customer in a way that has endeared the German-born West Side woman to so many.

A FRIEND IN NEED

'Cemetery Lady' Devotes Life To Serving Others

By Grace Durflinger

With Spring "just around the corner," Marianne Neumhern Stephens, better known to hundreds of friends as just "Mary" or "the cemetery lady," is anxiously awaiting her busy season.

For longer than most of her acquaintances can recall, the 65-year-old spinster has supplied many visitors at Greenlawn cemetery with floral decorations, ranging from daintily assembled bouquets to the larger and more elaborate arrangements.

Endearing her to most of those with whom she has come into contact, however, is her sincere personal interest in the problems of others and the measure of comfort she has given to bereaved families, for she, too, knows loneliness and sensed a great loss when she left her native land.

Surrounded by the fragrance of hyacinth in the little greenhouse shop where she spends her day, Mary recounted how she was brought to this country from her home in Goldberg, Germany, at the age of nine, leaving behind her father, mother, sister, and grandmother.

In words which held no trace of accent, she said, "I was brought here as a sort of companion to my cousin, Walter Stephens, Sr., who is now the owner of the greenhouse and flower shop. His eight-year-old sister had died in 1900 and although I was never legally adopted, we were brought up as brother and sister and I use the Stephens family name instead of my own.

Telling of her first years in the strange new country, she said, "When I came here in 1901, I did not speak any English, so Walter's aunt, Mercedes Stephens, who was then principal at Chicago Avenue School, put me in the first grade on the first morning of school. I was in the third grade by noon."

After a year and a half in this country, speaking only English all the while, Mary had forgotten a great deal of her native language. In fact, her "Americanization" be- [illegible] pronounced that she was [illegible] Stewart Avenue School where German was taught, so that she might continue to write to her family in Germany.

Before she entered her teens, Mary had attended six different schools in three countries, including a year of study in Switzerland. As high school was not required in those days, Mary's formal education ended with elementary school.

"Then I went to work in the greenhouse and it's been wonderful here. I've made a lot of grand friends living here by the cemetery these 54 years. You meet many different types of people here and get to know them so well, because when they are here with their loved ones they are their true selves."

In the summertime, Mary often tends several of the graves, herself.

"Oftentimes I go on Sunday morning when the sun is shining and the grass is wet with the dew. It's so quiet and peaceful then that I feel like I'm in church."

Mary lives in a remodeled house close to the greenhouse that was formerly used as the office. Pointing to her home, she declared, I'm very fortunate to live so close by, since arthritis has crippled me so. But my Ford still gets me where I want to go. It will be 35 years old next July."

Mary has seen quite a bit of this country since her arrival in Columbus more than half a century ago. Traveling with the Stephens family and friends, she has visited California, New York City, Washington, D.C., Virginia, New Orleans and Lincoln's home in Salem, Ill., as well as the Tulip Festival in Holland, Mich.

"This is a wonderful country," she said, 'I'd never want to go back to Germany." Then, speaking of the West Side, "This is my home and here is my life."

Coming Events Cast A Shadow On The City

In all the big plays for headlines down around the city hall the public is not often supplied the real meat of the situations and while a lot of stories make interesting reading, a lot of them add up to nothing and in the meantime the city of Columbus is the loser.

For the past several months now we have heard a lot of talk and read a lot about the financial condition of the city but as yet it appears that nothing of real importance is being done.

It all comes down to this place: The estimated income of the city is considerably less than the amount that will be needed to carry out the presently supplied services of the city for the rest of the year. This means that about Oct. 1 and it appears very evident that certain curtailments in numerous departments will be necessary.

People of Columbus don't like curtailments of their city services. This was found to be true back several years ago when the fire engine houses were boarded up.

But unless city council sits down and does something about this matter very soon it is evident that the city will find operation on a normal basis practically impossible.

A goodly portion of the present economic difficulty was brought about by the survey that was made a couple of years ago in which it was determined that city salaries should be increased. The city fathers at that time went along with the program which was good . . . except that they didn't" provide any money to cover the increases and as yet they have done nothing about providing the money.

Ouster Of Hilltop From Group Sought

Official of W. Franklin Co. Assns. Demands 11th Ward Be Dropped

Repercussions were still being felt today from a demand made last Thursday night by an official of the West Franklin County Associations, Inc., that the 11th Ward be eliminated from the group in a reorganization meeting slated tentatively for sometime early in March. Under current rules, the 11th Ward, Prairie Township, and Franklin Township have equal votes in the organization.

Ed LeCaptain, secretary of the associations, near the end of the "community brotherhood banquet meeting", attended by more than 100 persons representing some 20 organizations in the three areas, in the Prairie Elementary School on Norton-rd, made the proposal to oust the so-called "Hilltop Ward."

Marking the end of some hour and one-half of fellowship addresses, LeCaptain demanded the immediate dissolution of the association. "Let's face it," he said, "West Franklin County Associations cannot accomplish its desired aims as long as the 11th Ward, in which live such opponents of our aims as the two, Jerry Spears and Mayor Sensenbrenner, are in the same encampment. We must realize that we are involved in a city versus suburanites fight."

Pleads For Unity

New Rome Mayor D. J. Kunz, president of the associtions, answered him with, "No, we need the Hilltop. Let's join hands to solve our problems, not build a fort."

Before Kunz was able to gain control of the floor sufficiently to adjourn the meeting, Robert Steele manager of the Hilliards Raceway, asked, "Why don't you get off the fence, Mr. Kunz, and quit being so two-faced?"

The other event of significance at the meeting was the proposal of E. B. Quinn, president of the Capitol Beverage Distributing Co., that a plan offered by Kunz to solve the current water-sewer difficulties with Columbus through the formation of buffer zone of communities ringing Columbus and pledged not to incorporate be put to a vote at the meeting. He asked for the immediate formation of a special committee to take the plan to city officials.

Resolution Outlined

The Kunz plan, offered in the form of a resolution, was as follows:

"Whereas the city of Columbus has the watershed and all the facilities for water and sewers and also has the prospects of revenue to finance such a project, I therefore recommend that the city of Columbus serve the fringe areas within a radius of three miles, according to the statutes, with water and sewers and be allowed, according to law, to charge a profitable fee as long as this area remains an unincorporated area, or any other way feasible.

"This can be known as the Columbus Metropolitan Sewer and Water District. The district can be set up as zones, with villages to be charged a certain fee in order to attract industry more readily than outlying areas. Any subdivision beyond this district can be serviced by the cooperation of city, county and its own freeholders.

"Under this proposed plan the residents of suburban cities, villages and townships will be assured of water and sewer facilities and I am sure this would start all projects that have been stopped due to the water and sewer freeze."

Because of opposition offered by various other speakers, the plan was never put to a vote. This

Prairie Twp. Fire Forces Family Of 5 To Flee Residence

A Prairie Township family of five fled their home at 478 Emmitt-av early Saturday as it burst into flames that completely destroyed the five-room residence.

Both Prairie and Franklin Township fire departments battled the blaze which routed Mr. and Mrs. George Owens and their three children, Mabel, nine; Murray, six; and Eddie, two.

A next-door neighbor, Mrs. Jacob Volk, said the family's greatest concern was for Mrs. Owens, who had been ill for three weeks with a heart ailment. Explaining that the Owens family used coal for both heating and cooking, she said the fire apparently originated in a flue, as the family was alerted by flames which were discovered shooting from the upper part of the house near a chimney.

The family planned to stay temporarily with Mrs. Owens father, Ora Burke, at 490 Grener-rd, since they lost all their furniture and clothing, in addition to the estimated $3,000 damage to the house.

Councilman Candidate Russell Drake Issues Policy Statement

Russell D. Drake of 105 N. Chesaav, Democratic Reorganization Committee-backed candidate for city council, took a firm stand on five vital issues now facing city government in a statement of policy issued Wednesday.

Drake, unanimously endorsed by the 50 precinct delegates attending the Reorganization Committee's convention Feb. 3 at the Seneca Hotel, was nominated by Cliff Garwick of the 11th Ward. A printer at the Columbus Citizen, Drake is a member of the Columbus Typographical Union. Others endorsed for councilmen at the convention were Robert T. Forman, 1464 Highland-st; John L. Francis, 111 E. 20th-st; and H. Keith Passmore, 80 E. Lakeview-av.

The policy statement of Drake follows:

"I believe in a stronger Democratic party in Columbus so that our two-party system of government in America can be maintained. Columbus city council should be composed partly of Democrats so that the entire electorate of Columbus may be represented.

"Annexation—Areas and groups beyond the city limits should be invited to join the city. No new water or sewer permits should be issued beyond city boundaries. In event of severe water shortage, pressure should be maintained within the city and reduced where [illegible] our water mains leave the city limits. Arlington and Bexley residents should not sprinkle lawns while Columbus swelters.

"Housing and slum clearance — The mayor's war on illegal rooming houses should be backed and applauded by all members of city council.

"Health — Inspection of meat and milk should not be curtailed. Dr. Goodloe should be given a free hand to operate the health department because his ability has been demonstrated and his services sought by other cities. We must not take chances with tainted meat or unsafe milk reaching the citizens of Columbus.

"Finance director — I believe the city's financial problems could best be solved with the creation of the office of finance director. An expert on finances could aid city council, the auditor, and the mayor's office in their daily battle with the budget.

"Recreation — Passage of the recent bond issue for recreation makes it necessary for purchase now of additional areas and for improvement of present facilities. Baseball diamonds should never again be allowed to deteriorate. New housing developments should leave room for recreation in their plans. The city planning department should okay only those plans which incorporate recreational areas."

Another recent candidate for city council is James L. Skinner, who has been a West Side and Hilltop resident for 30 years. Skinner, who lives at 2120 Sullivant-av, announced his candidacy on a "civic betterment" basis. He is an employee of the Harper Printing and Engraving Company and is 43 years old.

Russell D. Drake

"GORP is the name under which George Merzluf, above, son of Mr. and Mrs. Paul Merzluf, 216 S. Harris-av, is entered as one of 11 candidates in the annual "Uglyman" contest at OSU. The honor student, a sophomore, is the entry of Civitas, independent men's association. He is a graduate of West High School. Final voting will be on Friday. (Hilltop Record Photo)

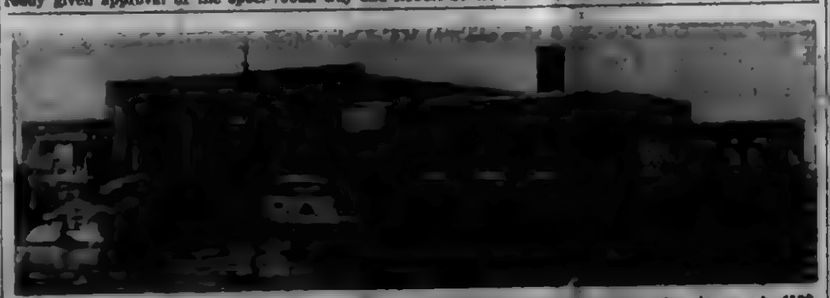
Despite Protests, Franklin Twp.'s Firemen Slated To Climb Higher Than Any In County

It appears that Franklin Township firemen are destined to go places — 100 feet straight up, to be specific, for that is the specified height for the department's forth-coming four-wheel aerial ladder.



Despite several protests of residents of the area that the aforementioned specifications "discriminate against a local manufacturer," township trustees voted to resubmit the only two bids received to the county prosecutor's office Saturday for approval.

The prosecutor's office has already given approval of the specifications and consent on the $98,773 bid by American La France Co. of Elmira, N. Y. is expected. The second bid, which was re-submitted, was that of Harry Sutphen and Associates, 1000 Dublin-rd, which provides for only an 85-foot ladder.

The seven protesting parties, all employes of the Seagrave Corp., claimed that the trustees by-passed the local contract because they are still miffed over Seagrave backing annexation of a portion of the township to Columbus.

Denying the accusation, trustees John Guy and Robert Steele added that they became convinced that the township's volunteer firemen needed a 100-foot ladder after conferring with the fire chief of Shaker Heights, Cleveland suburb.

Don Cox, a Seagrave salesman, pointed out that all of Franklin County, including Columbus with is taller buildings, has no ladder larger than 85 feet, and Steele admitted that the township at present has no buildings taller than 65 feet. He was quick to add, however, that a longer ladder would be needed to protect a local grain elevator and the Sears and Roebuck warehouse when it is built.

A HOME OF ITS OWN—The Franklin Township Fire Department's prospective home at 4160 Sullivant-av is nearing completion despite the weather, and is expected to be ready for occupancy by May. The fully-equipped building will cost an estimated $100,000, with space slotted for an eight-bed dormitory, a meeting or drill room, showers, lockers, a communications room, and drill room, plus garage space for an emergency truck, two pumpers and an aerial. The department is now operating its headquarters from a rented building at 3440 Sullivant-av.

Columbia Heights Church Class Plans Spaghetti Supper Feb. 26

By Mrs. James W. Whalen
Fr. 8-5113

The Monitors Class of the Columbia Heights Methodist Church is planning a spaghetti supper to be served in the church basement on Saturday, Feb. 26, from 4:30 to 7:30 p. m. This is the February fund-raising project for this group.

Seen at Seiller's

!!! It's been said that exclamation points are almost extinct in the "American" language, because we aren't surprised at anything anymore — but we're using lots of them this week, because we have some very special news — Remnant Days are now underway at Seiller's!

Yes, wise and thrifty Hilltoppers are all flocking to Seiller's during this semi-annual clearance to take advantage of the drastic reductions on values for each member of the family as well as household articles.

You'll want to hurry down right away, because Seiller's "Early Bird" tells me that there will be a special "Early Bird" table in each department just loaded with bargains for the wise shoppers who come early and save.

With so many cold days still ahead of us, be sure to visit the men's women's and children's coat department for coat and jacket bargains that will be a real shot in the arm for your wardrobe budget this winter and for many seasons to come.

Here's another tip, if you aren't already enjoying a convenient charge account at Seiller's, take a few moments to open one in your next visit to this fine neighborhood department store. As a shopper who wants the best and the most for his money, you'll be so glad you did! —Adv.

Hilltop Council Seeks Opening of All Playgrounds

Twenty-nine Hilltop organizations were writing letters this week to city council as a result of the Hilltop Community Council meeting held Monday night at the Hilltop Business Association offices.

Each of the member groups and the Community Council itself were asking that the recent $25,000 slash in recreation department funds voted by city council not affect the summer opening of playgrounds in this area and other portions of the city, according to Bill Burns, president.

The letter-writing action followed a vote on the matter after one of the members of the Community Council voiced that much of the playground activity on the Hilltop would have to be curtailed following the budget cut.

Arthur Witt, Civilian Defense coordinator for the zone, was the featured speaker at the meeting. He stressed the necessity of more volunteers for civilian defense, especially in light of the uncertain conditions prevailing in Asia.

Minister Loses Head, But Not His Composure

Customarily when one loses his head, his composure suffers proportionately. But not so with the Rev. J. W. Montgomery, director of church extension of the Columbus Baptist Union, American Convention, who was guest speaker at last week's meeting of the West Franklin County Kiwanis Club.

As a matter of fact, it was not until his return home after addressing the group that he discovered that he had lost his head and, according to the clergyman, even then he wasn't too concerned.

His faith in the return of his head proved justified, as a member of the club discovered it on the speaker's table a few minutes after the Rev. Montgomery's departure and it was back in its owner's possession the following day.

The head? Though it now is the clergyman's very own, it once belonged to a Peruvian native. Shrunken to about one-eighth its original size, the Rev. Montgomery used it in conjunction with the talk he gave concerning several of his visits to South America.

One thing is reasonably sure—the original owner, believed to have left this world some 150 years ago, must have been much more ruffled at the loss of his head, or the prospects of same, than was the present possessor.

Local Women Aid In Improving Lot Of Cerebral Palsy Victims

HILLTOPPER ASSISTED—Earl Lee, son of Mrs. Rita Lee, 368 Powhatan-av, is among many directly benefited by treatment and therapy received at the Cerebral Palsy Center, 323 E. Walnut-st. (Hilltop Record Photo)

• • •

A number of women in the Hilltop area are among those whose efforts help support the therapy treatment so desperately needed by cerebral palsied teen-agers and adults "to help them become productive, self-sufficient, accepted members of society." Branch 3, United Cerebral Palsy, the third group in Columbus to be concerned with help to teen-age and adult victims, was organized by former Hilltopper Mrs. Al Dailey two years ago.

The Cerebral Palsy Center, a member of United Appeals, is dependent on funds raised by the branches for many of its needs. Members also donate time to the Center, helping therapists wherever they are needed.

Branch 3 is currently sponsoring a children's style show and luncheon in the Hall of Mirrors, Deshler-Hilton Hotel, Feb. 26, 12:30 p. m. Jackie Ellis will be the commentator and music will be provided by the Eddie Mana trio.

Reservations may be made with Mrs. Dailey, Do. 8023 or Mrs. Robert G. Arnold, FR. 8-7865.

Anyone interested in helping with work of the organization may call Mrs. Dailey or Mrs. Arnold for information.

Mrs. Mary Bennett Named New Mon-E-Bak Area Correspondent

Mrs. Mary Bennett of 3305 Dover-rd, has been named correspondent for The Hilltop Record, serving the Mon-E-Bak Addition of Franklin Township, effective this week. She replaces Mrs. Louise Wolfe whose resignation was forced by the press of family duties.

Mrs. Mary Bennett

Mrs. Bennett, a native of Columbus, has been a resident of Mon-E-Bak for the past 14 years. She is the wife of the late Hugh Bennett, who died Dec. 26, 1952, after a long illness. Superintendent of the engineer department of Columbus General Depot in World War II, Mr. Bennett later worked as a carpenter. He built the Bennett home in Mon-E-Bak and was associated with contractors who erected many homes in the Westgate Area of the Hilltop.

Mother of five children, one of whom, Cora, will graduate from West High School in June, Mrs. Bennett was very active in the Skidmore School PTA when her children, four of whom are now married, were students there.

For the past two and one-half years, Mrs. Bennett has worked as a saleslady in ladies' sportswear at the Boston Store.

Rev. Anthony

Here is our American religious heritage, a little girl at her prayers as she prepares for sleep. Every child has a right to go to bed with a clear sense of the care and love of the God in whose world she has come to live. We impoverish little folk if we fail to surround them with heavenly blessing and providence. A child has a right to parental care and protection; a child has an equal right to a sense of divine concern for his happiness and well being.

"Our Father" is the affirmation of trust and of affection for God. "When ye pray, say 'Our Father'." And that makes all the difference in the world. The child who learns early to associate her (or his) God with friendliness and goodwill will never be afraid in the presence of the Almighty. God must forever be loving and helpful, instead of the judge sitting on the bench of wrathful condemnation. To know that God is our Father helps greatly in our daily living. The child has no fear in her eyes nor in her heart. There are only gratitude and trust and happy affection. That is religion at its best. She learned it at home and at church. Let us see to it that our girls and boys shall grow up in the same environment of quiet faith and reverent worship. To that end we shall be reverent and prayerful parents; to that end every child shall have a place in the best religious instruction the church can provide.

Atomic 5 Wins In Last Minute Rally Over All Stars By 31-28

The Atomic 5 staged a last quarter rally Thursday, Feb. 10, to sneak by the All Stars, 31-28, in an intermediate league contest at Glenwood Recreation Center.

The All Stars had complete charge of the game in the first half, the score at the half reading 18-9 in their favor. The third quarter found the All Stars slipping as the Atomic 5 split the nets for 12 markers while holding the All Stars to a single field goal.

Chuck Schmidt of the Atomic 5 and Morris Wade of the All Stars shared scoring honors with nine points apiece.

The league-leading Celtics made it six wins and no losses by trompping the Bulldogs 40-27. The game was close only in the first quarter; after that, the Celtics buried the Bulldogs in a barrage of points.

Jeff Dum led the victors with 14, while Chuck Long and Ralph Seymour collected 10 apiece for the Bulldogs.

The West Side Pirates found the win column again by trouncing the Trotters, 49-39 in the final game of the evening. The Pirates had charge of the game from start to finish, leading at the quarters by wide margins.

Chuck Coe led the victors with 13 points, while Mike Posey collected 12 for the Trotters.

The Panthers won a forfeit from the Wildcats to dump the latter into the league cellar.

Westgate Meth. Wins 42-40 Over Hilltop AC Squad

By Harry Grashel

Westgate Methodist last week was hard pressed by the Hilltop AC quintet and narrowly squeezed through to a 42-40 photo finish victory. Only a bad case of jitters in the first and third periods cost the Hilltop squad the game. And, when the Hilltop boys recovered and staged a last-quarter rally, they were kept from victory by Westgate's ability to "stall out the clock."

Gary Berleau, playing the pivot for Westgate in the absence of the ailing Bob Kern, dominated both back boards along with Jerry Pollock for the Methodists and forced AC to shoot from the outside. Loren Galloway entered the game in the second period and kept AC in the battle through his sensational shooting. Berleau, Cobb and Pollock with 11, 10 and nine points led Westgate while Galloway with 13 and Mike Posey with 10 were high for Hilltop AC.

West Senior Hi-Y continued its improved brand of basketball with a 53-39 victory over Hoge Memorial, reversing a first-round decision. Floyd Love and Orville Kidd were the Hi-Y mainstays with 16 and 13-point performances. The league's leading scorer, Dick Witter, dunked 22 for Hoge.

West Park Methodist also reserved a first-round loss with a 54-27 win over Hillcrest Baptist. The brilliant play of Chuck Dyro and Tommy Bowers was too much for Hillcrest as these boys each hit for 14 points. Fred Lanch, in addition to playing a fine floor game, tossed 12 tallies for Hillcrest.

League-Leading East High Tigers Win 57-50 Over West's Cowboys

By Woody Owen

East High School's Tigers, present loop leaders in the city high school cage league and ranked by many as the number one team in the state, staved off a brilliant rally in the final period by a valiant band of unranked West High Cowboys to emerge with a 57-50 triumph last Friday night on the winners' home court.

East preserved a winning streak that has now reached 13 straight.

Goals by Steptoe of the Tigers and Swindler of the Cowboys were the only scoring in the opening three minutes of action, as the Cowboys played a heady control type game. Soon, however, the home forces suddenly shifted into a troublesome all court press to gain a 14-2 advantage before Furry was able once again to break the scoring drouth for the Cowboys with a fielder.

The loop leaders held a 20-9 edge as the first period ended and continued to outscore the Cowboys in the second period to hold a 22-16 margin at half time.

In the first three minutes of the third period, the Tigers sprinted to a 25-point advantage as they ran the lead to a 44-19 score before Furry and Chappelear began to find the range and whittled the margin to 47-38 at the three-quarter mark.

Furry and Chappelear continued to find the range in the final quarter as the Cowboys outscored the Tigers by a 22-10 margin, with the home team being able to count but one fielder in the final eight minutes of action. Furry tallied eight, Chappelear six, and Prudeo four to cut the Tigers' lead to 53-46 with one and one-half minute remaining. However, four consecutive charity tosses by Wade in between a fielder and two free tosses by Deshler of the Cowboys iced the contest for the Tigers.

Easily the outstanding performer for the winners was Back Courtman Frank Wade who not only scored 19 points, cashing in on 13 of 16 free throw tries, but also played an outstanding floor game and directed the Tigers offense with his play-making.

For the Cowboys, Dick Furry led the scoring with 19 points and played well off both boards against his taller opponent.

This Friday night the Cowboys will visit North with high hopes of repeating their first-round victory over the Polar Bears.

West Park Methodist Victor In YMCA Volleyball League

By Dick Wilson

Last Friday night marked the final regularly scheduled league games of the Hilltop YMCA Volleyball League as West Park Methodist came through with an undefeated season to win the championship. Last week they played St. Paul's Evangelical and Congregational Church three games, winning easily all three.

The other games of the night saw Glenwood Methodist beat Hillcrest Baptist three games to clinch second place in the league standings.

Playing for Glenwood were Abram, Postlewaite, Young, Koehler and Roederer. On the Hillcrest team were McInturi, Roth, Kuntz, Howell, and Reynolds.

On the eligibility list of the championship West Park Methodist Team are Sam Alford, Ward E. Dailey, Bill Kearney, Bill Sisha, Ellis Breckenridge, Captain Hugh Stimson, Chuck Dillie, Ken Dillie, Ray Laudnier, Jr., Bob Dillie, and John Shoaf.

Friday Feb. 18, at 7:15 p. m., second-place Glenwood has challenged the champions to an exhibition game. Following this game, an All Star team will face the winners of the first game at 8:15 p. m.

On the All Stars are Kearney and Stimson from West Park, Corky Reth and Jim Reynolds from Hillcrest, Elden Koehler, and Harvey Postlewaite from Glenwood, and Rev. Dunn and Pat Moran from Hillcrest.

Hilltoppers, Pirates Leading League With Spotless Records

The Hilltoppers and Pirates annexed victories Tuesday, Feb. 8, at Glenwood Recreation Center to protect their spotless records of six wins and no losses. Leading the senior loop all season, the two teams will meet next week, Feb. 15, to decide the league winner.

The Hilltoppers posted their win over the Clowns 41-35. The game was fairly close throughout although the Clowns never threatened seriously until the final quarter. Here they bulled to within four points, but were unable to go any further.

Jerry Marvin of the Clowns was high scorer with 15 points, while Ronnie Reeb and Pete Spurlock each gathered nine for the Hilltoppers.

The Pirates' win came at the expense of the Hurricanes, 50-38. The victors were never in trouble as they went one step closer to winning the league championship.

Jim Hakes was the bright spot for the Pirates as he netted 19 points. Phil Jackson garnered 12 for the Hurricanes.

The Whiz Kids downed State School 79-30 to annex their first victory of the season. This was State School's sixth straight loss.

Bob Brokaw of the Whiz Kids captured scoring honors with 30 points. Roosevelt Jones led State School with 12.

The game scheduled between Milo and the Lightning 8 was forfeited to the Lightning 8.

Hawkeyes Go To Second In Junior Boys League

The Hawkeyes moved from 4th to 2nd place in Glenwood Recreation Center's junior league by handing a 37-17 walloping to the West Side 5 on Friday, Feb. 11.

The victors jumped to an early 11-6 lead and were never headed, the scores at the quarters reading 11-6, 18-11, and 27-14. Tommy Hartranft led the Hawkeyes with 13 points, while Jerry Strickler paced the West Side 5 with 10.

The league-leading Jailhouse 5 protected its unblemished record by smothering the Jets 44-12 in another junior league tilt. The game was a complete rout from start to finish, the Jailhouse 5 leading at the quarters 10-2, 22-7, and 28-7.

Dave Thomas was the big gun for the victors as he collected 12 points and game scoring honors.

HE GAVE MUCH "AND THEN SOME"
A midwestern industrialist when asked to what he attributed his great success, said these three little words, "and then some."
He always gave his customers all they expected "and then some." It is really refreshing in this day and age to receive something unexpected, and often, that is the very small margin between success and failure. Maybe the difference lies in "and then some."
We here at the Hilltop YMCA try to give the hundreds of youngsters, who come to us each year, that "something" that will carry them on through life and for which they will be forever grateful.
And we are grateful for the increasing number we learn about, who are making bequests which will permit the YMCA to expand its facilities, so necessary to do an efficient job.

GEORGE WASHINGTON

America has furnished to the world the character of Washington. And if our American institutions had done nothing else, that alone would have entitled them to the respect of mankind.

—Daniel Webster

• • •

Artemus Ward said "The prevailin' weakness of most public men is to Slop Over. G. Washington never slopt over." What a difference a vowel makes—if you are to believe all the Washington-slept-here signs you see in the southeast and northeast.

• • •

Mail—From Cleveland (age 18): "I have met my IDEEL! Caps and exclamation point. We held the same strap on the bus and he told me I had a smudge on my nose. What do I do now, Maw?" . . . From Portland, Ore.: "It sounds via radio like you are having some kind of weather back there. We have daffodils and tulips coming up all over the place, and even a few faded roses still hanging on" . . . From Columbus: "Did you see The Women the other evening on television? My husband enjoyed it. He kept saying 'How true, how true'—the brute. Men are worse gossips than women if you ask me. Don't you think so?" (Hey—I'm neutral!)

SORRY, SHAKESPEARE

To be or not to be: that is the question:
Whether 'tis nobler in the mind to suffer
The sneak glances and behind-the-hand remarks
Of visiting in-laws who are looking for dust,
Or to take broom and mop in hand vs the dirt
That has accumulated through the winter.
Ah—to sleep.

• • •

From somewhere — Egotism: a case of mistaken somenlity . . . Seeing ourselves as others see us wouldn't do much good. We would not believe it . . . By above-mentioned Artemus Ward: "I have already given two cousins to the war, and I stand reddy to sacrifice my wife's brother ruther'n not see the rebelyin krush. And if wuss comes to wuss, comes to wuss, I'll shed every drop of blud my able-bodid relations has got."

• • •

Open letter to the City Fathers (respectfully submitted): have you considered putting a traffic light at Broad-st and Belvidere-av? Many school children get the bus on that corner; attendants at Columbus State Hospital—some of them elderly ladies — cross the street there. Since I have lived on that corner, there have been seven traffic fatalities and hundreds of accidents.

• • •

Just wondering—how many pairs of red boots there are in all the kindergartens in the country and how many mittens are lost each day. And how many little guys and dolls rush home to show their grade cards "with all Ses!" . . . What bus drivers, ministers, traffic policemen and others who cope with humanity en masse, really think of us?

• • •

February has been called the darkest hour before the dawn of spring. Cheer up—it's half gone.

YOUR HILLTOP BRANCH LIBRARY

Six New Mystery Stories Among Books In Several Categories Received Last Week

By Mildred Phaler

The following mystery stories were added last week to the book collection of the Hilltop Branch Library, 2965 W. Broad-st: "The Case of the Seven of Calvary," by Anthony Boucher; "Death Wears a Mask," by Douglas Browne; "The Man in the Green Hat," by Manning Coles; "Sleep With Strangers," by Delores Hitchens; "The Devil His Due," by William O'Farrell; and "Old Mrs. Ommanney Is Dead," by Margaret Williams.

Reminiscent of "The High and the Mighty," by Earnest Gann, is David Beaty's new novel, "The Four Winds." It is a well-written novel of the dramatic flight of a great overseas airliner, a love story, and the excitement of an air-sea rescue. "The Bulls of Parral," Marguerite Steen's new novel, points up the differences between European and American concepts of the sport of bull fighting. An exceedingly interesting book, this reviewer finds.

On the lighter side "Good Morning Miss Dove," by Frances Patton, is a delightful tale woven around that pillar in the community life—the school teacher.

"Y" Indian Guides are going to find much useful material in a new book, "The Real Indians." A. Hyatt Verrill has long been an authority on the American Indian. His new book contains a glossary of the principal tribes now living in the United States. Presented are Indian legends, folklore, and jokes and a wealth of other material often difficult to locate.

Within the memory of many people today is the growth of petroleum with its increased usefulness in our modern way of life. "Three Stars for the Colonel" is a history of the industry as well as a biography of an important figure in its growth, General Ernest Thompson, popularly known as "the Colonel."

A new "how to" book published by Eastman Kodak Co. is "How to Make Good Movies." In the same "how to" field is a new book, "The Art of Flower Arrangement," by Tatsue Ishimoto.

The library is open from 1 to 9 p. m. Monday through Friday, and from 9 a. m. to 5 p. m. on Saturday.

MINUTE INTERVIEW

"WHAT DO YOU THINK THE SUDDEN SHIFT OF TOP OFFICERS IN RUSSIA WILL MEAN TO THE WEST?"

Mrs. Cynthia Flowers, 445 Halton-av: "I don't know much about these things but seeing what has gone on before this, I'd say we'll probably have war soon."

Mrs. Robert Kern, 3118 Wicklow-rd: "I'm suspicious of anything that Russia does. I think they made the switch for some big move outside their own country. It could mean war."

Curtis Thompson, 115 N. Warren-av: "I think it will make it tough for the West. In my opinion, Malenkov was a little more easy-going than most of these Russians, and now he's out of the picture things will get a lot tougher. I don't hardly think they'd attack us, though."

Russell D. Drake, 105 N. Chase-av: "I think it means there is internal strife in Russia and that there will always be internal strife there. Our greatest peace of mind should come from the 23rd Psalm."

Columbus 23, Ohio

Editor:

I was very glad to see that you are opposed to "stores doing business on Sunday" and I feel that every church member and civic-minded citizen should back you in your stand.

Today, practically every home is equipped with a mechanical refrigerator, with deep freezes in a large percentage of our homes.

When we had to depend upon spring houses, cellars, window boxes, etc., for keeping our food there was no Sunday shopping. However there is no logical reason for it today.

The majority of those who work are on a five-day week and could easily do their shopping on their day off or in the evening.

If the sale of package goods for "carry out only" was prohibited, I wonder if these stores could afford to remain open on the Lord's Day.

The letter signed "A Believer" in the Feb. 3rd issue of your paper was so inspiring and full of truth that I hope every subscriber read it and passed it on to others to read.

Sincerely,
S.D.S.

The first monthly meeting of the Disaster Hospital headquarters for the northwest section of Franklin County will be held in Kingswood School, 1091 King-av, at 7:30 p. m. Monday, Feb. 28. Personal Property Tax Return Deadline Still Mar. 31, Auditor Says

Although income tax deadlines have been changed, personal property taxpayers are still required to file returns between Feb. 15 and Mar. 31 with the County Auditor's office, according to an announcement made recently by Franklin County Auditor Fred C. Dunn.

Explaining that taxable personal property in Ohio is divided into two classes, tangible and intangible, Dunn added that a staff of deputies will be on hand each day from 8:30 a. m. until 4:30 p. m. (Saturdays until noon) to assist taxpayers in making out their returns, or completed forms may be mailed to the auditor between the above dates. Tax payments are made to the County Treasurer and early filing is urged.

Mrs. Liniman Shares Favorite Dessert Recipe With Readers

Mrs. Iva Liniman is the donor of this week's recipe contribution, "Zuider Zee." She tells us that this unusual and delicious dessert has been a long-time favorite of her family and guests and recommends it to anyone searching for "something different."

Mrs. Al Liniman

Her husband, Al, is the owner of the Pentagon Wholesale Co., 647 W. Broad-st, and Mrs. Liniman has been associated with her husband in business for the past seven years. They reside at 206 N. Ogden-av and have a daughter, Mrs. Betty Seip. Al is also past president of the West Side Board of Trade and is now serving as a director of the association.

A delicious answer to the dessert problem, "Zuider Zee" is also a perfect accompaniment to coffee when guests drop in.

ZUIDER ZEE

Crust: roll one package Holland Rusk fine; blend with one-half cup softened butter or margarine, one-fourth cup sugar and one teaspoon cinnamon. Save small amount for topping and press the rest evenly against top and sides of eight-inch pie plate.

Filling: Blend one-fourth cup sugar, two tablespoons cornstarch and one-fourth teaspoon salt in saucepan. Gradually stir in two cups milk. Cook and stir over moderate heat until mixture thickens and boils. Boil one minute, remove the heat. Stir half of mixture into two beaten egg yolks.

Return to remaining mixture in pan. Boil one minute more, stirring constantly. Add one teaspoon vanilla and pour into pie crust. Beat two egg whites stiff but not dry, gradually beat in one-fourth cup sugar. Spread meringue on filling and sprinkle with remaining Holland Rusk crumbs.

Bake in hot oven (425 degrees F) five minutes. Serve warm or chilled with whipped cream topping. Serves six.

WHAT'S NEW

A popcorn device which consists of a pie plate wrapped in aluminum foil containing the kernels and seasoning oil. After enclosing kernels, plate is put over flame. Within three minutes the aluminum container expands like a balloon; two minutes later popcorn is ready

Slow Arrival Of Deputies At Central Point Under Investigation By Sheriff

A report that more than two hours elapsed from the time deputies were called to apprehend a thief ransacking cars at the Central Point Shopping Center until they arrived was being investigated this week by Sheriff Ralph J. Paul.

A Hoover-rd woman and her 12-year old daughter, along with several other persons, noted the thief in operation. The woman immediately notified the manager of a nearby super market, who called sheriff's deputies. When the law officers arrived some two hours later, the thief had been captured by bystanders and was being held.

Franklin Township Now Boasts East, West, and North Franklin Schools

Skidmore School no longer exists—at least, not by that name. Due to a recent ruling by the Franklin Township School Board, the name of the school, which has been located at 1122 N. Hague-av for thirty some years, has been changed to North Franklin School.

The board made the change to bring a measure of unity to the names of at least three of the township schools, according to E. O. Clime, a member of the school board. He explained that two of the schools had been known since their construction as East Franklin and West Franklin Schools, and that the adding of a third in the Franklin series—the new North Franklin School—would make reference to the three schools a less complicated matter.

EDUCATION

Education being what it is, it is hard to understand why so few students like school.

Ouster Of Hilltop—

(Continued from Page 1)

week, however, at the request of association's president Kunz, Quinn who is chairman of the civic committee of the Rome Businessmen's Association, began to form a study group to explore the matter further. He said yesterday that much depends on the outcome of a "final meeting" on the proposed development of a metropolitan sewer and water district called by the county commissioners for 7:30 p. m. Wednesday, Feb. 23.

Hopes For "Strong Committee"

Meeting with the commissioners will be mayors, council members, and township trustees. Three solutions open to the group at this time include accepting a metropolitan system, creating local sewer and water districts, or allowing Columbus to furnish all facilities.

"It is my fond hope," Quinn added when interviewed yesterday, "that eventually a very strong countywide citizens committee of some 150 men may be formed to iron out such problems with no politics, only the good of the various communities as the governing factors.

Following last Thursday night's chicken dinner, prepared by ladies of the Galloway Methodist Church, Rev. A. J. Wold, pastor of Hope Memorial Presbyterian Church, spoke on the value of community solidarity. Ironical in view of the later verbal brickbats heaved with startling force by some of those attending, was Rev. Wold's observation that "You here tonight could conceive and carry through almost unbelievable projects if you would work together."

Opponents List Objections

Kunz then announced that a meeting would be held in early March to elect new officers, "possibly admit more member groups," and effect any changes in the West Franklin County Associations desired. He then reviewed the accomplishments of the associations since its chartering in January 1952 and announced that he would retire from active direction at the March meeting.

In opposition to the "buffer plan," Albert Becker, president of the Franklin Township school board, declared, "We attempted to cooperate but city officials told us to take care of our children and they would take care of theirs. Now we are in the process of developing our own hiih school which will serve the entire community."

Clyde Crandall, also of the Franklin Township school board, said that "City officials have no respect for citizens living outside the city. They're going to have to sell water anyway," he added, "because their additional water facilities are based on revenue bonds."

"One of the reasons for the Franklin Township incorporation move was to show city officials they are dealing with human beings, not just hunks of land." Crandall suggested that the associations deal only with the county commissioners "because the commissioners have certain discretionary powers over the city. They should be persuaded to use these powers," he concluded.

Mr. Fix-It Says Your Telephone Calls Help Fix 'Faulty Signals'

DEAR MR. FIX-IT:

What can be done about traffic lights sticking or operating improperly? It has been my unfortunate experience to be delayed by traffic signals in the city and on both county and state roads.

Just recently, for example, I was held up for about eight minutes by a traffic light at Wilson-rd and W. Broad-st. This particular signal, which has several combinations of turn, proceed with caution, and simple stop and go, seems to be in the habit of "freezing." After timing the light, I proceeded cautiously across the intersection. What should a citizen do to get faulty signals repaired?

"A Disgusted Motorist"

Mr. Fix-It Says:

The particular light that "has your goat" is maintained by the state of Ohio, as are all signals on state roads outside city corporation limits. An engineer explained that this signal is quite complicated and that a variety of things could cause it to get out of order. For instance, cold weather thickens the mechanism's grease, which causes cams to drag. Then again, trippers or cams become worn and cease to function properly after a certain length of time.

Officials charged with signal maintenance for the city, state and county were agreed on one subject: They appreciate telephone calls because they don't have sufficient staffs to make constant checks on all signals. All three agreed that their maintenance sections attempt to answer such calls and repair signals immediately.

Citizens who wish to assist by reporting faulty signals should, in the east of state road signals, telephone the State Highway Garage DO. 3613, where someone is on duty 24 hours a day. For mal-functioning county-operated signals, call the County Engineer's Office, CA. 1-7534. For broken city signals, telephone the Division of Traffic Regulation and Engineering at CA. 1-2211, Ext. 332; the division's maintenance section at the same number, Ext. 333, or ask the switchboard operator at this number for connection with radio section. In any event, the report will be radioed to a maintenance section truck for remedial action as soon as possible.

Highway Safety Program Deserves Applause

In an address it was our privilege to hear this past week, H. G. Felty, director of Ohio Highway Safety program, reports that during the past year through the coordinated efforts of his and other departments the highway accident toll was reduced by 9% over the previous year. This represents a saving in actual lives of 128 persons.

A year ago the Director outlined some phases of his proposed program which, at the time, were considered to be a little on the drastic side and as might be expected, such a program is not readily acceptable. But, in view of the phases of such a program that went into effect during the past year which resulted in a savings of 128 lives, it would seem that certainly any further improvement along this line should be encouraged.

It is pointed out that, for example, liability and property damage rates in the adjoining state of Pennsylvania are as much as 50% lower than in Ohio, due to the fact that we continue to allow mechanically unsound cars to use the roads. Likewise, it is pointed out that some ten or more individuals in the State of Ohio over the age of 95, actually have drivers permits today. Surveys also prove that 15% of today's Ohio drivers are irresponsible.

The new Ohio point system should be highly commended as should the Ohio Highway Safety Department.

• • •

This actually happened . . . A school teacher living north of Columbus recently came through a red light on the River Road and was hailed into court. Her case was later dismissed, however, when she was allowed to produce the highway sign which read, "Go right on red or green." Lack of punctuation caused the teacher to do just as the sign said—GO RIGHT ON!

Cats and Dogs Not Wanted

A country reader calls to advise that she has been deluged by cats and dogs dropped along the road in front of their home, apparently by city people who feel that the country is the proper place for such animals.

Such procedure is not fair to persons living in the country because it is not a fact that they are always anxious to have another cat or dog. In most cases they are merely put to the trouble of calling the humane society, the step that should have been taken by the original owners.

And too this past week several of the roads leading from this community into the country have been littered by garbage and refuse, another very unthoughtful act on the part of someone.

In a real spirit of neighbor-

Hilliards Man Burned When Gasoline Ignites

D. J. McDonald, 47, of 3470 Dublin-rd, near Hilliards, was burned when gasoline ignited as he was washing his tractor - trailer truck Sunday. He was treated at University Hospital for second and third degree burns on his right hand and leg.

Sheriff's deputies said the 47-year-old trucker lit a railroad flare, which in turn ignited the gasoline, the vehicle, and then McDonald. The trailer was damaged and the tractor was a total loss.

SUFFERS BACK INJURY

Police Capt. Marvin Canada, 42, of 795 S. Warren-av, was taken to Grant Hospital with a possible back injury by police emergency squadmen last Wednesday afternoon.

Injuries Fatal In Tuesday Crash With Train

Chester Lathem, 41-year-old driver for Haldeman's Dry Cleaners, 3115 W. Broad-st, died at 9:30 p.m. Tuesday in Mt. Carmel Hospital after his station wagon was demolished early Tuesday morning by a Pennsylvania Railroad streamliner at the Wilson-rd intersection. Funeral arrangements were incomplete early Wednesday at the Jerry Spears Funeral Home.

Lathem, who lives at 1128 Wilson-rd, underwent immediate surgery for a probable skull fracture and severe brain hemorrhage and was treated for chest injuries and facial cuts at the hospital.

Driving south on Wilson-rd, Lathem was going about 40 miles an hour and the streamliner about 55, when the crash occured. Apparently, the victim did not observe the blinker lights or hear the whistle blast of the train.

Highway Patrolman Kyle Read said the vehicle's rear wheels were squarely in the middle of the track when the train struck it at 8:33 a. m. The impact threw the car some 50 feet and tossed Lathem, driving alone, from the car. He landed some 15 feet from the auto and a few feet from the track.

A Jerry Spears ambulance was called and Lathem was en route to the hospital before the arrival of state patrolmen. Lathem is the father of six children.

YMCA Taffy Sale Going Great Guns

The Hilltop Y hopes that its 78 junior salesmen are able to sell 3500 boxes by 9 a. m. Saturday, at which time a victory rally will be staged at the Y. On the victory program will be movies, refreshments, and the distribution of prizes to star salesmen. On the selling staff are representatives of five Gra-Y Clubs, 11 Indian Guide and Indian Maiden Tribes, and one Jr. Hi-Y and one Sr. Hi-Y Club.

Franklin Township School Officials To Seek $1,252,000 Bond Issue Approval In Primary

WHAT'S NEW AT THE LIBRARY?—Well, for one thing, there's a new display of art and clothing items from China in the display case, placed there last week by Mrs. Russell Welch, right, of 8513 Dublin-rd. The items have been sent to the Welch's over the past eight years by Mr. Welch's former secretary. Helping Mrs. Welch fix the belt on a kimono is Ruth Finley, new assistant at the Hilltop Branch Library, 3955 W. Broad-st. The display case, which has held many exhibits of interest to the entire community over the past several months, was a gift from the Hilltop Kiwanis Club. (Hilltop Record Photo)

Additional Funds Required To Finish New Twp. High School

Plans to place a new $1,252,000 bond issue on the May primary ballot in Franklin Township to provide for expansion of the "not-yet-started" township high school and additional elementary classroom construction were announced Tuesday by V. J. Ullman, executive head of the Franklin Township school system.

At the same time, Ullman disclosed that bids for the high school, the first to be built in the township, were scheduled to be opened on Wednesday, Feb. 23. He estimated that the "first installment" of the general construction would cost in the neighborhood of $1 million.

The two-story brick high school will share the 28.5-acre plot at the southwest intersection of Briggs and Demorest-rds with the elementry school which is almost completed there.

Special Design Feature

The new high school has been so designed by Architect Claude Youst that it may be partially completed to accomodate pupils, and then easily expanded with the addition of several other rooms.

The proposed May bond issue is planned to finance 10 to 14 additional classrooms, an auditorium, and athletic field for the high school, plus additional elementary school rooms in the township, Ullman said.

Ullman declared that the bids opened Wednesday were for a gymnasium, cafeteria, home economics department, industrial arts workshop, and as many classrooms as the contractor would furnish. Ullman said the township was hoping for a minimum of 16 classrooms to be included in the original construction contract.

Hope For Issue Passage

"We're putting in the shops and the other necessary extras now, in the hopes that the new bond issue will pass," said Albert Becker, president of the township school board.

In 1953, township residents approved a $970,000 bond issue for erection of the 24-classroom elementary school building on the Demorest and Briggs-rd plot, which will be completed by late April and ready for occupancy by next September. The same bond issue provided for an eight-room and a cafeteria addition to North Franklin Elementary School.

A $1,058,000 bond issue for the high school was authorized by township residents last spring.

Emphasizes Crowding Problem

Enough of the new high school is expected to be completed by next September to permit the township to take care of its own ninth grade high school freshmen, Ullman said. For the first year or so, the high school curriculm will start with the ninth grade, with plans for a junior high school curriculm delayed until some time in the future.

In emphasizing the seriousness of the school problem in the township, Ullman disclosed that some 440 township high school pupils are now attending other high schools. Most of the sophomores and freshmen are attending Hilliard High School, with upperclassmen in the southern portion of the township also going to South. A few of the high schoolers are scattered over Central, West, Hilliards, and Grove City High Schools. The township is currently accomodating its 2100 elementary pupils.

With the arrival of the 1955-56 school year, township school population will rise to 2500-2600 elementary and more than 500 high school, based on probable enrollment and population increases. For the next two or three years, elementary population will increase at about 400 each year, Ullman said. High school enrollment will increase at the rate of about 75 per year for the next two years, then register a big jump as the first of the huge crop of post-war babies reaches high school age, according to Ullman.

"It is for this big jump that we must begin preparing now," he declared.

Firemen's Water Problem Almost Solved Is Report

Apparently the only thing standing between obtaining city of Columbus water for the new Franklin Township fire department headquarters yesterday was a difference of opinion involving the basis on which the township should pay for the service.

Township trustees have stepped up their dickering with City Service Director since fire department headquarters personnel and equipment, including the communications center, are scheduled to move into the new $100,000 fire house on Sullivant-av, just east of Georgesville-rd, sometime in May.

According to township officials, Redick has agreed to approve a tap if the township pays the regular fee on the 125-foot frontage of the building and grounds. Township Trustee John Guy, however, insists that the township should pay the frontage fee only on the 50-foot width of the fire house itself.

An odd situation has developed in the construction of the new fire house. Fire equipment has had to be used to cart water to the site to enable workmen to mix cement while a city water main runs directly in front of the fire house in Sullivant-av.

Lenten Prayer Thanks Savior For His Victory Over Death

By Rev. Leonard O. Wiese
Pastor of Highland Avenue Friends Church

Dear Lord, we thank Thee for the victory over a seeming defeat — death. We thank thee for the assurance that because Thou dost live, we shall live also. We rejoice because Thou hast taken away our fear. We have no fear in life, because we are in Thy hands. We have no fear in death because Thou art our deliverer. We have no fear of that which comes after death, for Thou hast gone to prepare a place for us, and we joyously anticipate that fuller life with Thee.

We praise Thee, our Savior, that Thy love for us was so great that no sacrifice, no suffering was counted too high a price for our redemption. Grant that we may find a fullness of joy in a yieldness of heart and life to Thee. In the name of our crucified and risen Lord, Amen.

WORRIED FOR NOTHING—One of the big things that worried Jimmy Phillips, left, last week when he went to New York City to meet his brother, arriving from Greece, was how he would recognize him, not having seen him for 38 years. The brother, Nichola Philopolos, holds a copy of the portrait he planned to use in identifying Jimmy. Customs officials solved their problem by getting the brothers together in short order. (Hilltop Record Photo)

Brother Last Seen 38 Years Ago Comes To America From Greece

How would you recognize a brother whom you had last seen 38 years ago when he was four years old?

That was precisely the problem Jimmy Phillips, owner of the Biltmore Restaurant, 2455 W. Broad-st, was wrestling with when he arrived at the New York City-Harbor Monday before last to await the arrival of the Greek vessel bearing his brother, Nichola Philopolos, from Kastoria, Greece.

Sure, the brother had a snapshot of Jimmy, but how was that going to help Jimmy find his brother in the red tape of the landing of a foreign ship?

"Fortunately," Jimmy says. "I ran into some of the nicest customs officials you'll ever meet anywhere. They treated me royally, sat me down in a special waiting room, and delivered my brother to me."

Nicholas, a builder and farmer in Greece, right now is busy at the Phillips home, 142 S. Southampton-av, attempting to master the English language. "So far, that's the only thing that troubles him," Jimmy said. "He's been real pleased with everything else he's run into in America."

Jimmy, who is serving as his brother's sponsor in America, added that probably someday soon, after Nicholas masters the language and decides what to do, he'll serve as sponsor for the wife and two children his brother left behind him in Greece.

"There's an awful lot of red tape involved in leaving Greece," Jimmy disclosed. "It only took me a couple of months to get all the papers in order here in America after my brother wrote me that he'd like to live in America. But it's taken him nearly a year to get the necessary Greek clearances taken care of."

The two have another brother, John, still in Greece. The hometown of Kastoria is in that portion of Greece formerly known as Macedonia.

The newcomer to the Hilltop has many memories of military life in Greece. Fact is, it seems that the entire period 1940 through 1949 was a matter of one uniform after another.

In the Greek army in 1940, when the Italians invaded Greece, Nicholas recalls how the Greek government hired Albanian natives to dig passages through rugged valleys which were under some six feet of snow.

When the Communists tried to make Nichols join the rebel army in 1947, he hid in a barn under straw. Making good his escape, he later joined the Greek government and fought against the Reds.

"After all he's been through, he's going to find it pretty calm here in America," Jimmy said.

LOTS OF CRAMMING NECESSARY

Life Of 'Freshman' Board Of Health Member Harried One, Says Goodwin

Almost any freshman will tell you that he's amazed at the number of books to be read and the information he has to cram into his head in the first few weeks.

Joseph Goodwin of 2909 Sullivant-av, "freshman member" of the city board of health, is no exception. Goodwin, who was appointed to a four-year term on the board by Mayor Sensenbrenner effective Feb. 1, puts it this way:

"The homework is terrific! I had no idea of the amount of reading and study that members of the five-man board have to do to keep informed so that their decisions will make sense and serve to protect the health of the people of Columbus."

Accustomed to working 12-14 hours every day of the week in his role as operator of Goodwin's Pharmacy on Sullivant-av for the past 15 years, the Hilltop pharmacist has had to "manufacture time" to sandwich in his health study.

For instance, this past Sunday, he arranged for someone else to take the calls at his store while he went on an afternoon tour of the offices of the health department building at 181 S. Washington-blvd.

Goodwin concedes that the "beehive of activity" he fell into since his appointment is probably just a bit unusual. Customarily scheduled to meet only once a month at 4 p. m. for a two-hour session at the health building, the board has had, since Goodwin's appointment, two special sessions which stretched long past the dinner hour.

The big topic has been meat

inspection fees, which David Davies Packing Co., Inc., in particular has opposed as being too high. The suggestion has been made that Columbus bear the cost of meat inspection because its citizenry benefits from the protection.

While not committing himself on the issue because of his newness on the board, Goodwin added that a large portion of the board's recent work has centered around the efforts of city council to place on the ballot the matter of the city supporting the meat inspection through an additional levy.

"I never before realized the scope of the work performed by board members," said the Columbus pharmacist of 29 years experience, "but now that I know the importance of every health decision to the community, I'm all enthused about doing a good job!

"My brief association with Health Commissioner Dr. O. M. Goodloe, Welfare Director Dr. Mildred B. Heisel and the three appointive board members besides myself — the last who serve completely without payment — has left me with nothing but respect for the whole crew. The appointees, all of whom are busy professional men, give freely of their time — fact is, even dip into their own pockets for dinners and other expenses.

"There's no 'rubber - stamping' done by the board. Members take new problems until they've had a chance to study every facet of them. It made me particularly

About The Hilltop

With Peg Warren:

Spring is just around the corner and so is the season's first baseball game. Enthusiasm and excitement continue to grow among the fans as managers barter for outstanding players and promising rookies . . . Baseball is nothing new to Don Labbrunzie, assistant to Harold Cooper, manager of the Columbus Jets. A former bat boy in the Mid-Atlantic League, Don hails from Youngstown, studied Law at OSU and now is residing with his wife and two lovely daughters in the Brookshire Addition . . . Young Dick Kirk, former West-Hi outfielder is in Sanford, Florida trying out for the Kansas City ball club. Who knows, maybe he will be in the Jet's line up this season? . . . Even the ladies are in there pitching. Mrs. Ben Knepper and her sister-in-law, Mrs. Jerry Spears, are heading the Women's Division of the Jets ticket drive committee. . . . At this writing, $43,300 worth of season box seats have been sold.

Last summer, these young business men, Al Vitsek, Jim Morrow, Jack Ziegler and Rod Waldman, all 39-grads, reluctantly gave up after one game of ball at Westgate Park and are now keeping in shape doing the "Mambo" with their wives at Jack Sherick's. That is all but one, an oil man. His wife is willing but he just wants to sit out this revolting development . . . Friday, the Al Tontis took off for the Mardi Gras. From there they plan to fly to Cuba and then on to Miami where they will wind up their vacation stay . . . The Joe Cleavers are home after a mid-winter vacation in Miami . . . Homer and Marge Hagans postcard us, from the sunny south . . . Get well wishes to Mrs. Change (Bess) Barnes.

We're happy to report, Mrs. Don Burgoon, RN, who has been all her expects to don her nurses uniform in another week and report back for duty . . . Thursday a week, Mrs. Don Nafzger (the former Marilyn Valentine) left to join her husband, 2nd Lt. Don, USAF who is receiving pilot training at Hindo Field Air Base in Texas.

The Guy J. Jones' daughter, Elnora Victoria, is engaged to wed Clarence M. Nicholson, son of the late Mr. and Mrs. Clarence Nicholson. No definite date has been set for the ceremony . . . This week-end Bob Toole, US Navy, arrived home from Cuba on a ten-day furlough . . . Recently, W. E. (Walter) Gilham, was re-elected to the Board of Directors of Hoss-Willoughby Co. . . . The Ohio Truckers will convene here, Mar. 7th to the 9th at the Neil House. Margaret Buell, vice-president of Eastern Motor Dispatch and the genial, Art Bishop are among the committee chairman for the 37th annual convention.

SAFETY CONSCIOUSNESS is impressed at all times on students of the driver-education class at West High School. Since preventive maintenance is an important part of safety, instructor O. D. Members Of West High's Driving Course Work Hard For Licenses

By Lu Ann Witt

Some four-fifths of the approximately 480 West High students who have been members of the driver-education course since it was first offered at West in 1951 have attained the goal they had dreamed of — they received their driving permits at the end of the course. The 56 students enrolled in the course in the current semester are applying themselves wholeheartedly to accomplishment of the same goal.

Driver-education is an elective course instructed by O. D. Lehman. It runs for approximately 18 weeks, after which time the drivers who meet the requirements receive certificates and drivers' licenses.

Driving skill is not the only product of the driver-education course. One also learns correct attitudes toward his and others' driving while being instructed in the classroom. Driver-education teaches that driving skill, like any other skill, should not be learned by the trial and error method.

On S-D (safe driving) Day, the West High driver-education students visited each homeroom to speak on safe driving and safe walking. The purpose was to remind teachers and students of the hazards of careless driving and walking.

To become a member of the driver-education class at West, one must be 15 or over, meet the physical requirements, obtain parents' consent, and pay the nominal fee of $3 to cover insurance, gas, and general car upkeep.

The cars used are provided by the American Automobile Association and are always very recent models.

Past and present members of the class salute Mr. Lehman for his cooperation, patience, and bravery!

Three Hilltoppers Granted Damage Claims By Council

City council recently passed ordinances authorizing the payment of damage claims by Hilltop residents against the city.

Payment of $40.67 to Dr. Michael E. Spangler, 866 Chestershire-rd, was granted to pay for damages suffered to his auto on Nov. 9, 1954, when a city engineering division crashed into his auto at Binns-blvd and Sullivant-av.

Jerry Rizer, 52 S. Richardson-av will collect $17.60 to pay for damages done by a street cleaning vehicle when it crashed into his auto in a private drive near Harmon and Pierce-ave on July 26, 1954. The third Hilltopper, R. L. Hart, 700 Racine-av, will receive $20 in payment for the damage done by a garbage truck when it collided with his auto in the first alley west of Ogden-av, near Wicklow-rd, on Sept. 21, 1954.

HILLTOPPERS WILL MISS HIM

Days Won't Start Off Quite So Cheery When Bill Retires From Feeder Bus Job

By Grace Durflinger

"Hi, Bill!"

That cheery greeting from his many friends and acquaintances on the Hilltop will be sorely missed by William D. Potts when he steps down from the driver's seat of the Hague-av feeder for the last time on April 30, after 48 years of bus driving.

Bill, who has been plying the Valleyview to Sullivant-av route since 1947, always responds to the greetings of youngsters and oldsters, alike, with a big grin and wave of the hand. Meanwhile, he is most likely keeping up a running conversation with his passengers on the possibility of rain or the situation in China.

The man whose creed has always been to treat the youngsters and work-weary adults the way he, himself, would like to be treated, was born in Monroe Furnace, O., in Jackson County, or, as Bill puts it, "back in the sticks."

His first job with a transit company was in Portsmouth in 1910 when he drove a streetcar and later the inter-urban car between Portsmouth and Ironton.

Coming to Columbus in 1921, he joined forces with the Columbus and Southern Ohio Electric Company to drive the Arlington line streetcar.

HIS CHEERFUL GREETING is what probably will be missed most by Hilltoppers when William D. Potts, veteran of 48 years of bus driving and driver on the Hague-av feeder route since 1947, retires, effective May 1. (Hilltop Record Photo)

• • •

The devotion that residents of Arlington and Grandview had for Bill was clearly illustrated when he was seriously injured in 1944. Scores of friends and acquaintances, whom he had come to know along the route, came to see him during his four-month hospitalization period and numerous others sent gifts and cards. As he told of how he often gets out the cards and letters, received at that time, and reads them over, Bill added, "I never realised until then how many wonderful friends I had."

Bill, who resides at 1823 E. Main-st, was also a supervisor for two years and a foreman for one year at the Kelton-av office before coming to the Hilltop.

When asked about how he felt about retiring, the 70-year-old widower, who to many residents, is as much a part of the Hilltop as the schools, the parks, or the old Confederate cemetery which he passes again and again on his daily route, summed it up this way:

"Driving a bus, I've naturally heard a lot of remarks about the bus company, but in my opinion, they are the finest people in the world to work for. As for the Hilltop, all I can say is that I love it and all the people here. I guess everybody has to make the break sometime, but I surely hate to leave all these wonderful people."

Seeing Triple Holds No Terror For John Burroughs' Principal

John Burroughs School faculty had a surprise this week — in triplicate, when Jim, Jon, and Joel Williams, aged four, accompanied by their mother, Mrs. Richard Williams, 526 S. Eureka-av, registered for kindergarten. They will be the first triplets to attend the school.

Principal Genevieve Maloney said she wasn't a bit worried. She added that their teachers and classmates would soon be able to tell them apart because "every child is different."

The triplets' mother, however, wasn't so confident of the fact. She confesses that the only way she can keep them straight is by remembering that Jim has a slightly wider face, Jon's is a tiny bit smaller, and Joel's forehead is slightly higher.

WISHIN' TO GO FISHIN'

Angling Is Favorite Pursuit Of Hilltop Woman Recently Turned 90

"They're not going fishing this year unless they take me with them. And that's for sure!"

The above statement was not made by a teen-age fishing fan, as you might suppose, but by Mrs. Louise Borchers, who celebrated her 90th birthday on Feb. 2.

Present to assist Mrs. Borchers, 330 Binns-blvd, mark her birthday were about 25 guests, mostly members of her family, which includes four children, four grandchildren, and 12 great-grandchildren.

The Hilltop nonagenarian, keeps house for two bachelor sons, Charles and Louis at the Binns address, is a source of constant surprise to every one who meets her. Surprisingly spry and possessed of a voice that sounds middle-aged at the oldest, Mrs. Borchers is proud of the fact that she has most of her own teeth.

Perhaps the most surprising thing about her, though, is her devotion to fishing. She's never quite forgiven her sons for driving some 500 miles last year to a lake in Michigan for a fishing vacation without her.

Summer before last, Mrs. Borchers made the trip to the family cottage in Michigan according to her daughter, Mrs. Howard Lane, 176 Garden-rd. "She caught quite a few and even went out in the rowboat with members of the family," Mrs. Lane said. "This year, we thought the trip would be too much for her."

It's on this subject that the 90-year-old angling fan disagrees with her family, which includes another son, Arthur Borchers, 2921 Olive-st.

"I fish for anything that will bite," declares Mrs. Borchers. Up until a few years ago the family had property at Buckeye Lake and Mrs. Borchers delighted in spending early spring till late fall in a cottage, fishing to her heart's content.

Born in 1848, the year the Civil War ended, Mrs. Borchers is a native of Columbus and the daughter of a Civil War veteran. She lived in the east end of Columbus all her life until about a dozen years ago when she moved to the Hilltop.

When her husband, the late George William Borchers, died on Mar. 1, 1947, the couple had been married for nearly 60 years. He was a foreman in the plating department of the Lilley-Ames Co. before his final illness.

Troubled lately by cataracts on her eyes, Mrs. Borchers is nevertheless looking forward to spring with as much enthusiasm as perhaps anyone on the Hilltop.

"You don't have to see too well to enjoy fishing," she declared. "There's no thrill like the tug on your line that means you might be hooked onto a whopper."

Broken Arms Suffered By Two Local Pupils In Past 2 Weeks

By Mary Bennett
JO. 2824

Within two weeks two children have slipped on ice at the school yard and are at home with broken arms. They are Linda Smith, daughter of Mr. and Mrs. Herb Smith, and Richard Biggs, Jr., son of Mr. and Mrs. Richard Biggs, Sr.

A Valentine party was held at the home of Mrs. Martha Georgy, 2589 Fisher-rd, Monday, Feb. 14, for the Sunshine Girls Class of Dover Community Chapel. Present were Jesse Napier, Verna Fields, Georgia West, Patty Anderson and Janice Masterson. Three-year-old Linda George, who makes her home with her grandmother, Mrs. George, was also present.

Mrs. Bennett

Pvt. Floyd Ralph Six, home on furlough for 14 days from Fort Knox, Ky., visited Mr. and Mrs. Clifford Bennett, 3346 Brookside-blvd, before returning to camp, Sunday, Feb. 13.

Congratulations to Mr. and Mrs. James Ives, 2326 Melrose-av, on their seven-pound, seven-ounce son, Ronald Allen, born Saturday, Feb. 12, at 6:45 a.m., at St. Ann's Hospital. The Ives have three other children, Jimmy, Barbara and Carol. James Ives is the son of Mr. and Mrs. John Ives, 3330 Dover-rd.

Mr. and Mrs. Sam Young, Sr., Mr. and Mrs. Clifford Bennett and son, Carl, visited Mrs. Lucinda Speakman, 1128 Margaret-st, at Shepherd, last Sunday, Feb. 13. Mrs. Speakman is Mrs. Bennett's mother.

Mrs. Richard Perry and children, Richie and Christina, 408 Grener-rd, visited Monday, Feb. 14, with her sister, Mrs. Richard Bennett, 3305 Dover-rd.

Birthday greetings are sent to Minnie Bennett, 3346 Brookside-blvd, on Feb. 14.

Get-well wishes are extended to several of our neighbors: Chester Fields, 2528 Dover-rd, who was taken to Mt. Carmel Hospital last Sunday, Feb. 13; Harry Pierson, 3533 Dover-rd, ill at home; William Van Meter, brother of Mrs. Pierson; and Patty Anderson, daughter of Mrs. Joseph Sadler, ill at home.

How about a card shower for Rev. G. V. Parker, 200 W. Second-av, pastor of Dover Community Chapel, who is gravely ill at home?

(Continued from Page 1)

proud when I found that Columbus health authorities are maintaining health standards here at $1 per capita while comparable services throughout the nation average $8 per capita," Goodwin declared.

How has the appointment affected the home-life of "Freshman [illegible]"?

Well, for one thing the third drawer of his huge home desk has been cleared and now contains nothing but papers referring to health problems. And his wife and daughter see even less of him.

"Now, in addition to handling my business correspondence, my wife has taken on the job of keeping all these extra board of health books and papers in order and does all the additional typing necessary.

"I guess you could say that both my wife and daughter are taking it like real troupers, he concluded.

In Passing

By

LEAN COMFORT

People walk these streets and sigh,
Feeling just as sad as I:
Climb on busses, cream their faces,
Swallow food and hurry places.
Other folks find things to do
When their hearts break clean in two:
Bake a pie or write a ditty.
Many people in this city
Weep, when all is said and done.
My heart's not the only one.
Frances Boal Mehlek, in her book
A Sinner Contemplates.

• • •

In Passing — There aren't any "first robins of spring" any more. The robins stay all winter, at least the ones in our back yard do . . . A friend told me her television isn't working so she doesn't know what she will do with her evenings — said she would probably have to read, or write letters to long-neglected friends. How awful! . . . The thing to remember when you are tired of snow and ice or have to go to the dentist or have trouble with that income tax, is "This, too, will pass."

• • •

Two friends left us during the past two weeks — Mrs. Fenton O. Fish and Mrs. Nelle Cummins. Mrs. Fish was a good friend of long standing. Both of these ladies had hundreds of friends who will miss them. My deepest sympathy to their families, who will miss them most of all.

• • •

From "Sanaire," publication of Benjamin Franklin Hospital (Editor, Edgar H. Wilson:) A small boy was trying bravely to conquer his fear of a neighbor's large collie dog. He crawled through the fence in an effort to get on better terms with the friendly animal. Seeing the little tyke, the dog bounded over and licked him on the face. The youngster let out a scream that brought the dog's owner on the run. "Did he bite you, sonny?" inquired the owner. "No," came the fearful reply, "but he tasted me" . . . "How come you knocked this man down?" Driver: "I never touched him. I stopped my car to let him cross in front of it and he fainted."

• • •

Mail — From San Francisco: Speaking of suckers — we received a wire from by kid sister in Dayton (sent collect) which said "Wire fifty dollars immediately. Love." We were scared stiff, thinking she might be ill so I phoned her from here. There wasn't anything wrong, she only wanted the money for the down payment on a used car. We sent the money; paid five dollars for the phone call, and bought a box of aspirin. Needless to say, the aspirin broke us! . . . From Columbus: I told my five-year-old grandson about George Washington's cutting down his father's cherry tree and then telling the truth about it. He was impressed (I thought) but the next day he said "Grandma, don't you bet George Washington's father was watching through the window and saw him cut down the tree? That is why he told the truth. I bet."

Two favorite quotations — The soil of sadness watered by tears is the most fertile and rich of all. In it all good things will grow. In it we meet. Every day, in banks, on the streets, in the busses, there are many like you and me. They pass by quickly and once in a while when the need is great, they do not pass by each other . . . All of us are frustrated. None of us can force life into his own pattern. No one attains all he wishes to attain. No one can avoid all he wishes to avoid. But the sane realise this unpleasant reality and face it. They compromise; they adjust; they strike an average between their basic desires and what can be achieved.

YOUR HILLTOP BRANCH LIBRARY

Annual Report Indicates 128,090 Books Borrowed By Localities During Past Year

By Mildred Phelps

Of all the services a public library performs, the basic and perhaps most important one is that of lending books to readers. The annual report of the Columbus Public Library shows that 128,090 books were loaned to the residents of the Hilltop alone through the facilities of the Hilltop Branch Library, 2955 W. Broad-st.

There are 7,150 card holders in this community, 2,632 of whom were newly registered at the Hilltop branch during 1954. The staff of the Hilltop Branch Library is happy that residents of the community find the library useful to them as they pursue their daily tasks and hope that the library facilities will be increasingly used by more and more people. We welcome all newcomers to visit our library and enjoy the home-like atmosphere and the friendly welcome awaiting them.

Two new fiction books received last week at the Hilltop Branch Library are "The Adventurers" by Ernest Haycox, and a collection of short stories and mystery stories you will enjoy by members of the Mystery Writers of America, entitled "Butcher, Baker, Murder-Maker." The book by Ernest Haycox is a switch from his usual western novel. "The Adventurers" is a tale of Oregon of 1865 with its stormy frontier life plus a powerful love story.

"The Complete Round-The-World Cookbook" contains recipes gathered by Myra Waldo for Pan-American Airways from the 84 countries served by the airlines, interspersed with interesting travel comments. A new Willy Pogany book on oil painting will delight the soul of the art aspirant.

Other new books include "The Open Door," by Lois T. Henderson; "Sister on Baseball," by George Sisler; "Games of Many Nations," by E. O. Harbin; "The Family Book of Games and Sports," by Helen Joseph; and "Arco Courses for Civil Service Jobs." The last contains study material, exam questions and answers to help Civil Service aspirants in making high grades on tests.

Hilltop Army Private Flies To Germany After 30-Day Furlough Here

Pvt. James Carlson, of the U. S. Army Railway Engineers, recently spent a 30-day furlough with his folks, Mr. and Mrs. Phillip Sansone, 549 Whitethorne-av.

He left Feb. 2 for Camp Kilmer, N. J., from where he went to Westover Field, Mass., and boarded a plane for Munich, Germany, on permanent change of station orders.

FACE THE FACTS

We all have to play life's game with the hands dealt us, so why expect a reshuffle.

Annual Police Relief Fund Ball Slated For Monday, Feb. 28, At Rollerland Rink

The 23rd Annual Police Ball will be held Monday, Feb. 28, at Rollerland Skating Rink, 18th and Mound-sts. Lt. E. H. Hinckley, general chairman has announced.

Tickets are $1 each and my be obtained from any police officer or at police headquarters. Chuck Selby and his orchestra will again furnish the music for this popular mid-winter affair.

Dancing will be from 9 p. m. until 1 a. m. and many specialty acts have been planned, Selby said. Proceeds of the ball will go to the Police Relief Fund for aid to officers and to the widows and children of policemen killed in line of duty.

All police officers are serving on the general committee and a brisk ticket sale during the past week indicates that this year's dance will be bigger and better than ever. The public is urged to attend and enjoy a fine evening's entertainment.

MINUTE INTERVIEW

"IF YOU HEARD A GENUINE AIR RAID ALARM, WHAT WOULD YOU DO?"

Mrs. R. R. Decker, 247 N. Burgess-av, "I suppose I'd get someplace under cover and lay flat."

Mrs. Robert H. Rich, 611 Larcomb-av, "I think I would go to the basement with the children. One of them is in school and they teach them about air raids there. I think he would know how to get in shelter someplace in case of an air raid."

Frederick Hartmann, 569 Crescent-rd: "I would immediately turn on the radio for vital information. I would take all the furniture I could carry to the basement and form it into a sort of shelter in the corner. Then I'd take down groceries and water and blankets and rags to prevent contamination from radio activity. The most important thing is to stay in the shelter for 36 hours after the blast, changing your outer clothes frequently so that the radioactive dust would not be in contact with the body for long."

Mrs. Robert E. Camp, 211 S. Hague-av: "I'd go to the basement as fast as I could go. I've read quite a bit about it and heard a lot about it over television. I've tried to educate myself as much as possible on what could happen and what to do in case it does."

Ann Tallman, 186 Haldy-av, "I'd go to the basement, get in the corner and hope for the best!"

ANOTHER THING

If you are arguing with your wife . . . just keep in mind the longer the explanation . . . the less convincing it is.

And all thy children shall be taught of the Lord, and great shall be the peace of thy children.—(Isaiah 54, 13.)

West Assured Of At Least Third Place Tie In Columbus High Loop

By Woody Owen

West High School's cage squad repeated two first-round victories in the city High School league last week and thereby cinched no less than a third place tie in the final standing. West defeated Aquinas 54-50 and North 67-49.

The Cowboys, with Dave Randall hitting successfully on five fielders in as many attempts, held a comfortable 33-20 halftime margin over the Irish, only to see the cellar-dwellers stage a brilliant last-quarter rally to come close to grabbing their first league win of the season.

Trailing 50-38 with only five minutes remaining, Irishman Tom Goble hit on four successive fielders and two free throws to cut the margin to two points.

Chappalear, Cowboy guard, then cinched the win as he hit on a fielder and two free throws. Schumich added another fielder for the Irish as the contest ended.

The Cowboy-Polar Bear contest was the most loosely played of the season, with neither team being able to hit with much consistency until late in the contest.

Three successive fielders by Dave Randall sent the Cowboys into a 6-0 early lead which they never relinquished. The Hilltoppers were leading 14-8 at the quarter and 24-19 at halftime.

The Cowboys broke the game wide open in the third period as Furry and Randall added eight and seven points respectively to run the score to 45-33.

Guard Bill Chappalear broke loose in the final period scoring 14 points, on five fielders and four free throws to become the games high scorer with 23 points. Furry added 19 and Randall 18, with the latter also playing a great rebound game and passing off several times to team mates for easy scores.

This week, the Cowboys will close out their regular city league schedule by tangling with Second-Place Central at the Fairgrounds Coliseum at 6:30 p. m. in the opening contest of another big triple-header.

Drawings will be held Saturday morning for the central District Class A Tournament, which begins Tuesday, Mar. 1, and continues on Mar. 2, 3, 4, 5, 8, 9, 11, and 12 at the Fairgrounds.

Two Way Lead Tie Still Stands In Hilltop YMCA Jr. Cage Loop

By Dick Wilson

After league play last Saturday in the Hilltop YMCA Junior Church League, a two-way tie for second-round lead honors still remained.

Glenwood Methodist retained its position in first place with a decisive 62-19 victory over Hilltop AC. The AC made a contest of the game for the first quarter, but then the superior height and experience of the Methodists made a rout of the game. Stan Huff was once again high for the Argilla-coached team with 17 points. He was closely followed by Steve Bierly, who had 15. High scorer for the losers was Butch Boyd, who accumulated six for his afternoon's effort.

Westgate EUB did not have such an easy time staying in the first-place tie as Westgate Methodist pressed the Williams-coached team throughout the game before EUB could forge ahead in the last quarter to win 35-30. Hallam and McQueen were high for the losers with six points apiece. Jeff Dum once again lead the victors with 12 points.

Hoge Memorial won over the inexperienced and shorter Community Christian five to the tune of 31-8. The Community Christian team was only able to score one point in the first quarter while the Presbyterians were accumulating 16. Every member of the Hoge team managed to break into the scoring column. Bob Smoot and Spencer led the victor's attack with 12 points apiece. Punk Melbourne led the losers with five.

The West Jr. Hi-Y "Midgets," with four of the starting men under five feet in height, managed to overcome a definite height advantage of Burgess EUB to win their game 3' 18. The score was tied six times during the game, but the Junior Hi-Y's fast breaking and scrappiness paid off in the final quarter when the EUB team was held scoreless and the Y team racked 13 points. Johnny Herold led the victors' offense with 15 points and Dick Curtis led the losers with eight.

Lop-Sided Scores Characterize Y's Interm. League

By Harry Groshel

Lop-sided scores were the order of the night in this past week's session of the Hilltop YMCA Intermediate Basketball League.

Hoge Memorial Presbyterian, with Dick Witter tossing in 21 points, snowed under a scrappy West Park Methodist five by a 42-26 count in the opener. Bernard Ranney was a big help for the Hoge cause with his fine rebounding. Chuck Deye was the leading point maker for West Park with 12 tallies.

Hilltop AC's well-balanced scoring attack was too much for Cortland Roth's Hillcrest Baptist squad Mike Posey and Walt Dolder, with and the final score read 37-22. 12 and 11 points respectively, led the AC eagers, while Fred Lanch and Tommy Coffman were high for Hillcrest.

After a close first half, the Westgate Methodist power asserted itself to swamp Burgess EUB 53-29. Dick Berio and Jerry Pollock were the big differences in this game and their timely goals turned a close game into a rout.

For Westgate, Berio had 21 points, Pollock 14, and Cobb 10. Byron Poston scored nine points in addition to playing a fine defensive game for Burgess.

The Cubs outpointed the Hilltoppers 9-5 in the third, to stretch their margin to 14-7. The Hilltoppers came back in the fourth, outscoring the Cubs 10-5 to come within two points of the victors when the final buzzer sounded.

Glenwood's Bill Quinn dropped his final match to Ronnie Loring of Sunshine, 21-17 and 22-20, in the junior boys division. Bill drew a bye in the first round.

Louisa Potts of Glenwood dropped her first match to Mary Hillis of Schiller 21-10 and 21-17 in the senior girls division.

After drawing a bye the first round, Richy Holman of Glenwood fell to defeat in the final round at the hands of John Hewitt of Sullivant Gardens, 21-2 and 21-7.

Glenwood did not have representatives in the intermediate girls and senior boys. To qualify for the inter-center tournament, entries had to be champions of the tournament held in their respective centers. The tournament was sponsored by the Columbus recreation department.

YMCA Volleyball Champions Drop 2 Exhibition Games

By Dick Wilson

West Park Methodist, Hilltop YMCA Volleyball League champion, lost two sets of exhibition games last Friday at Glenwood Methodist Church. The Glenwood Methodist team defeated the champions three games in the first set by scores of 15-7, 15-13, and 15-6. Playing for the Glenwood team were Les Click, Harvey Postlewaite, Elden Koehler, Rev. Paul Dunn, Paul Haybron, and David Young. On the West Park team were Hugh Stimson, Bill Kearney, K. Dillie, W. Dailey, J. Shoaf and C. Sowers.

The Hilltop YMCA League All Stars added insult to injury as they also beat the league champions three games in the second exhibition of the night. The All Stars won by scores of 15-8, 15-12, and 15-8. The same team played both sets for the League Champions. On the All Stars were Rev. Paul Dunn of St. Paul's Evangelical and Congregational Church, Corky Roth and Jim Reynolds of Hillcrest Baptist, and Elden Koehler and Harvey Postlewaite of Glenwood Methodist.

A vote was taken at the end of the second set by managers of the four teams and the two league supervisors to determine the team who would receive the sportsmanship award. Charlie McInturff's Hillcrest Baptist team won this honor.

Celtics Win Intermediate Crown By Taking Forfeit From Wildcats

The fast-moving Celtics copped the Glenwood Recreation Center intermediate boys basketball league crown Thursday, Feb. 17, by winning a forfeit from the cellar-dwelling Wildcats. This gave the Celtics a 7 and 0 record for league play. This team will be Glenwood's intermediate team entry in the forthcoming inter-center tournament.

Members of the squad include Richard Castle, Dave Conrad, Jeff Dum, Bill Edwards, Stan Huff, David Key, Jim McWilliams, Dave Snavely, Don Spencer, and Bob DeWitt.

The Atomic 5, led by the sharpshooting of Guard John Hunter, romped over the Trotters, 49-36. Hunter collected 29 points to pace the Atomic's well-balanced attack. Mike Posey of the Trotters garnered 19.

The All Stars outlasted the Bulldogs 33-28 in what turned out to be a real battle. The teams were deadlocked at six-all going into the second quarter. Here, the All Stars exploded for 14 points, while limiting the Bulldogs to four. The third quarter, however, saw the Bulldogs reverse the situation and score 14, while holding the All Stars to eight. The final stanza saw the teams fight it out on equal terms. The scoring was evenly distributed on both teams.

The West Side Pirates went on a scoring spree to sink the Panthers 61-14 in the final game of the evening. The quarter scores read 10-4, 22-6, and 46-6.

Chuck Coe of the Pirates raged 23 points to cop scoring honors.

The Jailhouse 5 protected their spotless record of six victories by swamping the Bobcats 38-7, Wednesday, Feb. 16, in a junior league contest at Glenwood Recreation Center.

Doing The Best You Can With What You Have To Do With
Hundreds of youngsters and adults of this community benefit from the present YMCA program. But nothing near the fine job is being done that could be provided if the Y had a fine facility.
Youngsters of this community are entitled to the benefits that can come through a large gym, swimming pool, recreation rooms and meeting places, all of which can be provided through a new Y building in this community.
We have plans for such a building.

Kelleys See 'Red'; Flood Of Wrong Numbers Is Cause

The word usually associated with the name of Kelley is green, but there's one family by that name that's seeing "red."

As most readers and advertisers of The Hilltop Record are aware, this newspaper's phone number was changed several weeks ago. The previous number had a RAndolph prefix, which now has been changed to JOrdan — JOrdan 9444.

The number change itself has seemed to register very well with readers and advertisers, but not so the prefix. That's what's causing the Alfred Kelley family of 301 Emmet-av to see "red."

Their number, as you probably have guessed, is RA. 9444, and their exasperation has steadily mounted during the last few weeks as they have attempted to explain the errors of the callers in temperate and restrained voice.

According to Mr. Kelley, there have been as many as 30 or 40 "wrong number" calls received on his phone on some days. He, as well as this newspaper, wish to again advise that our new number has a JOrdan prefix — it is

Village Council Gives Its Nod To Joining County Sanitary District

By Louise Pohlmann
FR. 8-4186
C/O Hilltop Record
Box 29, Hilliards, Ohio

The sewage disposal topic continues to hold the interest of Hilliards residents, following the recent action by council authorizing union of the local facility with the proposed county sanitary district. While considerable opposition has been expressed by taxpayers who feel home rule should prevail, Council President Leo Shade said that the ordinance as enacted is not subject to referendum vote.

Miss Pohlmann

However, Shade said that if council members become convinced that the public does not want the wider setup, as representatives of the public, they will not oppose the will of the voters. Members of the council, he emphasized, are elected to serve the best interests of the citizens and it is the intention of the present body to execute the will of the electors.

The meeting set by county commissioner for Wednesday, Feb. 23, was expected to provide a further guide for local procedure.

In order to expedite village business, the council has had a telephone installed in the council room of the municipal building.

Hilliards fire department made a run Sunday afternoon to the Marble Cliff Quarries, where a truck was on fire. Upper Arlington and Franklin Township firemen had the blaze under control when the local crew arrived.

Memorial Post 614, American Legion Auxiliary will continue its bi-weekly games parties with another session tomorrow evening, Feb. 25, and succeeding meetings on Mar. 11 and 25.

The Quarterly Conference was held at Hilliards Methodist Church on Sunday afternoon, with Rev. Warren Wiant, district superintendent, presiding. Reports of organizations and committees of the church were presented and approved.

At the congregational meeting which followed the conference session, the building committee presented its plans for proposed new building and the plans were accepted.

By unanimous vote, the church membership agreed to have a building fund campaign this coming spring and also voted to employ a fund raising organization to run the campaign. Members agreed this is a good beginning for future development within the church.

Dr. Wiant was guest speaker at the morning service. At the congregational meeting in the afternoon, a guest was Rev. Dr. Ingmire of McKendree Methodist Church, who discussed the operation of his church's recent fund-raising campaign, which has been handled by an outside group to the entire satisfaction of his congregation.

Ladies of the Woman's Society of Christian Service of the Hilliards Methodist Church are to meet at the church at 10 a. m. on Tuesday, Mar. 1, and from there proceed in a body to the South Side Settlement House, where they will convene in regular meeting at 10:45. The Settlement House wil serve luncheon. Members are reminded to bring with them a can of meat for the settlement relief work.

On the homeward trip, the group will stop at McKelvey Hall, a home for business girls, which is maintained by the organization.

Two officers of the local Red Men Lodge have been chosen to help with preparations for the Great Council of United States, IORM, which will be held in 1956 at the Deshler-Hilton Hotel in Columbus. M. A. Hoffman, past Great Sachem, is recording secretary of the entertainment committee, and Herb Reibel, Prophet of the local lodge, will serve as publicity chairman.

Representatives from all states and territories in the United States will attend this nation-wide council.

Members of Stillwater Tribe, IORM, will accompany the degree team to Troy, Ohio, when it puts on degree work at a regional meeting to be held there on Mar. 26. Transportation will be by chartered bus and individual cars. About 20 members are expected to attend from the Hilliards lodge.

In a game highlighted with an intense feeling of revenge fairly won, last Friday, the Hilliards Junior High School basketball team defeated Arlington Junior High on its home court 53-37. Scorers were Roger Pritchard and Paul Pence, each accounting for 12 points; Kenny Adkins with 10; Edson Kidwell, 7; Philip Russell, 6; Don Yore, 4; and Tommy Bowman, 2. Coach Don Shaw has been warmly praised by local cage enthusiasts, particularly parents of team members.

Following the Friday game, Edson Kidwell entertained a group of his team mates at dinner.

Hilliards High School seniors were measured for caps and gowns at the school, Monday morning . . . Reports of another false alarm bomb scare, this time involving local schools, resulted in no interruption of classes, last week.

Hilliards High School is celebrating FFA week. The agricultural department of the school will be in charge of a special assembly tomorrow . . . Homecoming dance was held Monday evening at the high school with Ziggy Coyle's orchestra providing the music . . . Local bandsters are giving a concert at Prairie Elementary School this evening.

HHS basketball team goes to Grove City this Friday for its last pre-tournament games of the season. Next Monday at 7 p. m. the HHS faculty will play the varsity basketball team on the high school court.

Harry N. Miller, who has been associated in the building contracting business with Lawrence Kaiser for several years, has accepted an appointment in the office of the Hilliards Lumber Company. He started on his new job Monday.

Informed of the illness of his mother last mid-week, Rev. Adams of Hilliards Methodist Church hesitated to take the time-consuming train journey to her home at South Bend because of press of church work claiming his attention here. His predicament was solved in one of those heart-warming acts so pleasing always to record: A number of the members of the congregation went together and bought the minister a plane ticket which enabled him to make the desired visit and still be on hand for his local duties on Sunday.

At a dinner given by members of the staff of the department of agricultural education at Ohio State University last Friday evening honoring Dr. W. F. Stewart, retiring head of the department, Hilliards residents Mr. and Mrs. L. W. Boucher, Mr. and Mrs. A. E. Ritchie, Mr and Mrs. Ralph Woodin and E. O. Bolender were guests.

Mr. and Mrs. Robert McCormick and son visited his parents at Lykens, O., called there by the recent illness of Mr. McCormick's mother . . . Mrs. Rosa Chambers of Columbus called on Mr. and Mrs. Walter Arndt of Hilliards Sunday.

Eight enrollees of the Busy Bee Kindergarten, conducted by Mrs. Barbara Canny, enjoyed a visit to the Columbus Union Station last week. They were taken through the building and shown through a train, where they saw every feature of rail passenger service, inspected day coaches, roomettes, and dining and sleeping cars.

Future trips planned by Mrs. Canny for her charges include visits to the Borden and Omar plants, to Port Columbus, and to

END MEN WARMING UP for the sixth annual Dixie land Jamboree of American Legion Memorial Post 614, which will be held at 8 p. m. Friday, Mar. 4, in the Hilliards High School auditorium, are portrayed above. End men include David Fetch, Jack Rader, Ralph Goose, Findlay DeWolfe, Robert Mayer, and Paul Miller. Harold Conklin will be interlocuter of the show which is presented by the post's band under the direction of Paul Kindinger. Participants include Legionnaires and other men from Hilliards. A singing chorus and dancing chorus will also be featured in addition to several specialty acts. Tickets may be purchased from Hilliards Legionnaires.

West And Hilliards High Schools Slated To Get TB Society Awards

Framed hand-lettered certificates will be presented in the near future to 15 Franklin county schools, including West and Hilliards high schools, which participated in the annual school press project of the Tuberculosis Society.

At the same time, a total of seven medals will be awarded top entries in the annual educational project open to all junior and senior high schools in the county.

Participating in the project from this area were Barbara Schmitzer, 327 E. Algonquin-av, who placed fifth in the senior literary division and will be awarded a bronze medal in a scholarship assembly at St. Joseph Academy; Brian Lewis, 1234½ W. Broad-st, whose article featured Larry Miller of 397 Binns-blvd, as TB patient; Joan Dunlap, West High; and Deanna Holcomb, Hilliards.

The press project is designed to inform teen-agers about the tuberculosis problem and to encourage an interest in journalism.

Entries are made on a tuberculosis subject prescribed by the National TB Association. Locally, the project is a part of the Tuberculosis Society's health education program made possible through the annual sale of Christmas seals.

W. W. Barlow, principal of Starling Junior High, served as a member of this year's school press project advisory committee.

'Desperate Plight' Of Prairie Local Schools Outlined For Citizens

First official report to the public of reasons for a new three-mill tax levy on the primary election ballot of May 3 was given by members of the Prairie Local School District board in an open meeting yesterday at 8 p. m. in Prairie Elementary School on Norton-rd.

Meanwhile, the Franklin County board of elections has announced that residents of Prairie Local School District who wish to vote on the special issue in the primary, and who are not registered, may register at the court house annex up to 12 noon Saturday, April 23. This constitutes a one-month extension of the registration deadline applying to all other voters in the primary.

Representatives of all Prairie Township civic, fraternal, and service organizations were present to listen to the "desperate plight of Prairie schools," according to Paul S. Noblitt, spokesman for the school board and principal of the system's two elementary schools.

Summarizing the reasons presented to the public for the new operating levy, which will raise approximately $21,000 additional per year, Noblitt declared, "School enrollment is increasing at a very rapid pace: teacher pay must go up if we are to compete for the best teaching personnel: and we must have more classrooms, and, consequently, more supplies."

This past year, official records disclose that Prairie Local Schools have operated some $15,000 in the red. The annual deficit has increased as state aid has decreased. For instance, Noblitt said, state aid to school districts throughout Ohio ran about 45 per cent in 1946-47 and dropped to 34 per cent of the total operating cost of the school systems in the 1953-54 school year.

A major expense facing Prairie Local District in the approaching school year revolves about high school pupils, Noblitt said. Next year, Prairie must send all its high school freshmen, an estimated 80, to Columbus schools because of the refusal of Hilliards and Grove City high schools to accept additional pupils because of rapid growth of their own school populations.

Noblitt estimated that sending 100 students to Columbus high schools would cost about $38,500 per year, compared to the cost for 100 students at Grove City of $7,600 and $11,160 per 100 at Hilliards. The Columbus figures would include the addition of a new school bus to the system, which would cost about $4,000 per year. Students from Prairie Local already enrolled at Hilliards and Grove City will be permitted to complete the high school curriculum, Noblitt said. Some 200 are enrolled at Hilliards and about 60 at Grove City.

Previous to the coming school year, no high school students from the district have been sent to Columbus. Because elementary schooling in Prairie District ends after eight years, students sent to Columbus will have to complete the ninth year in junior high schools.

As for the rising school population, Noblitt declared the problem to be self-evident. "when we consider that the current total population of Prairie Local is now 4,600 but is forecast to rise to 18,000 by 1980 according to the Metropolitan Planning Commission.

"These figures prove we need a high school badly, but we just don't have the funds, or prospects of raising any."

Passage of the new three-mill operating levy will bring the total yearly income of the school district to about $140,250 per year, he asserted.

Prairie Local School District is an eight-year elementary system and consists of one school on Norton-rd, accommodating some 750 students, and Prairie Lincoln School in Lincoln Village, which now takes care of 170 students with five classrooms. Plans call for the addition of several classrooms to the latter school before September.

The Prairie school board filed request for the new three-mill operating levy with the county board of elections early last month, but yesterday's meeting was the first explanation to the electorate.

"One reason why the board has not asked for an additional levy before," Noblitt said, is that the system was using money derived from the sale of three antiquated school buildings four years ago. At the time the schools were sold, there was no indication of the current spectacular growth in district population and the new school on Norton-rd was expected to be sufficient for years to come. The old schools, built in 1918 were antiquated, run-down, and contained no sanitary facilities. They would not have aided in our current plight," he concluded.

ADOPTED—We're not quite certain who adopted whom, but Hilltop Jack Harrison and Lady have been great pals ever since she began following him four years ago. (Hilltop Record Photo)

'NEITHER RAIN NOR SNOW . . .'

Really Inseparable Are Hilltop Mailman and Dog

"She goes for this 'Neither rain, nor snow' stuff a lot more than I do. And's there's no question about that!"

Those were the words of Hilltop Mail Carrier Jack Harrison, 624 S. Warren-av, as he talked about a Lady. Only this particular Lady is a dog and that's how Lady came into his life four years ago this spring and she's made quite an impression on him.

As far as that goes, Lady has made quite an impression on the entire Harrison family — Mrs. Harrison, two sons, 13 and 11, and a daughter, 5, included. Fact is, we bet you that almost everyone on Route 411 out of the Hilltop Post Office Station knows Lady by sight and, maybe, even know the story about her career with the mail service.

Harrison, who will have completed seven years as a Hilltop mailman on May 16, recalls vividly his first meeting with Lady. It was at the mailbox at the corner of Terrace-av and Whitehead-rd. The mail truck was a little late because of the heavy load that day and Harrison had to wait instead of merely unlocking the mailbox and picking up his first load of mail as is the usual procedure.

Up walked Lady, whom Harrison describes as "a yellowish, more-or-less short-haired collie with a long tail that she started wagging from the moment we met." It was evidently a case of mutual admiration, because the two have been together ever since. Six-footer Harrison says Lady comes up to his knee, which makes her a pretty big dog.

At first, Lady would go a block or so with him. The next day she'd go two blocks. And before you could recite the famous mailman's slogan about rain and snow and stuff like that, she was following him on the whole route which includes everything south of Sullivant-av between Eureka and Highland-avs.

"As time wore on, Lady learned the schedule," Harrison said. "She would meet me on Sullivant-av instead of waiting at the mailbox. On Sundays and holidays, she'd try to meet me on Sullivant, then run to the box and stand there and bark.

Who's Fooling Who?

One of the best side shows in many a day was going on down at city hall for some time now while the mayor and two councilmen jockey for position in the coming primary election in May.

But the show gets to the place where it is downright comical to say nothing of being pathetic at times. Such was the instance in the past few weeks in the hassel over the proposal to build a new city sewerage treatment works south of the city.

Now it was to be expected that the people of the South Side would become quite concerned over the establishment of another sewerage plant anyways near their community. In fact the mere mention of the subject causes some South Siders to see red, and they certainly can't be blamed!

But the same thing that has happened over so many years in the handling of such matters happened again.

City council; those seven upright Republicans who have nodded their heads together most every Monday night since the new mayor took office and have stood for anything just so it was against the administration, went ahead, ordered a survey that cost the city $18,000 and was ready to say amen to a sewerage plant south of the city.

But now it apparently looks like this is a good chance to make it appear that the administration is in the wrong and so by holding a wet finger above their head they respond to the objections of South Siders and say "no" to the whole plan. Suddenly they decide they don't need another sewerage treatment plant, the old one can be remodeled.

To make the comedy all the funnier they decide that Councilman Jerry Spears shouldn't get any part of the credit for their master plan since he seeks the job as mayor, and so they make the decisions in a meeting to which Spears isn't even invited.

Spears should have taken a handful of ice cream cones to council Monday evening . . . if they were going to act like children they should be treated like children.

On Monday evening the council decides "let's buy the property south of the city for recreation purposes."

So far it appears that no one has come up with enough fortitude to say what he thinks and it would appear that the action to date is probably only a postponement of the matter until after the votes are counted this year . . . with the thought in mind that they can and probably will go ahead and follow their original plans at that time.

People of the South Side or any other section of the city are not so dense that they can't see through this action of council.

To date the whole matter stinks worse than the sewerage plant.

Who's fooling who?

Kiwanis' Spring Roundup Set For Next Thurs. Eve.

The annual Spring Roundup of the Hilltop Kiwanis Club will get underway at 7 p. m. Thursday, Mar. 10, in the auditorium of Hilliards High School, according to Russ Carter, chairman of the club's agriculture committee, which sponsors the event.

Highlight of the evening will be a talent contest staged by the dramatics department of Hilliards High School with three cash prizes said Carter. He promised the "same tomfoolery that the agriculture committee has provided at the event in past years when it was knowns as the Nut Festival—only more so."

A galaxy of prizes, undescribed, will be given for competition which was also not described by the chairman. Carter disclosed that the committee had "signed a contract with Jackie Gleason and Ed Norton, who will present the famous Hasty Pudding Pooners' skit on the program.

Tickets to the Spring Roundup, which will be an interclub affair with the West Franklin County Kiwanis Club are limited to 250 and will be available from Ticket Chairman Harry Parker on a first-come-first-served basis, Carter declared. Parker may be contacted for reservations at RA. 3602 after 5 p. m.

TO PAY DAMAGE CLAIM

City Council recently authorized the payment of $36.65 to Mrs. Marie L. Shalasky, 37 N. Warren-av, as damages for injuries she suffered on Dec.3, 1954, when she fell over a defective portion of the sidewalk at Front and Gay-sts.

Lenten Prayer Asks Contrite Hearts For All During Season

By Rev. George J. Taylor
Pastor of Westgate Methodist Church

Almighty and everlasting God, our Father, who lovest everything thou hast made and dost forgive the sins of all those who are penitent, create and make in us new and contrite hearts, that we, truly lamenting our sins and acknowledging our wickedness during this wondrous Lenten season, may obtain of Thee, the God of all mercy, perfect remission and forgiveness.

Grant us, O Lord, in all our ways of life Thy help, in our perplexities of thought Thy counsel, in all our dangers of temptation Thy protection, and in all our sorrows of heart Thy peace. Through Jesus Christ our Lord. Amen.

Paul Langdon Discloses Possible School Board Candidacy In Nov.

Declaring that public school education in Columbus is big business and requires businessmen as well as educators in its administration, Paul R. Langdon, 548 Nasbobs-av, this week disclosed that he is seriously considering becoming a candidate for the school board in the fall election.

Paul Langdon

Langdon, 41, said he felt his extensive experience as a certified public accountant and his current position as controller at Battelle Memorial Institute qualify him to aid in the administration of the approximately $20 million annual budget of the Columbus school board.

"The field of education should be the most important concern of every citizen of Columbus," Langdon declared. "It is one of the best ways we can spend money, if expenditures are conscientiously reviewed to see that maximum benefits accrue. Salaries of teaching personnel, too, should attract the most qualified personnel and not force them to seek more lucrative employment," Langdon added.

Four new members will be elected to the school board on a non-partisan ballot in the November election since the four-year terms of Mrs. Mildred Bickel, Daniel W. DeHayes, Homer Trantham and Carl Tressmer all expire on Jan. 1, 1956. These members have not stated whether they will be candidates for re-election. Terms of the other three members of the seven-man board do not expire until Jan. 1, 1958.

Nominating petitions, containing not less than one per cent of the number of electors in the school district who voted in the immediately preceding election for governor, must be filed 90 days before the fall election.

Langdon, a native of Columbus and a Hilltop area resident most of his life, is married and the father of two sons, both of whom attend West High School and are members of the band there. Himself a grad-

State Senator Shull Blasts Ohio Officials For Deplorable Shape Of Columbus State School

FAST SERVICE—It took only five minutes by the clock from the moment Mrs. Donald Conrad of 203 S. Ogden-av, approached the Hilltop Kiwanis Club license branch at the Westgate Electric Shop, 2655 W. Broad-st, until she received both her plates and change from Mrs. Harry Parker, one of the members of the Hilltop Kiwanikwe staffing the booth. All customers can expect similar swift service, said Russ Carter, chairman of the license project, thanks to the assistance of Hilltop Kiwanikwians. The 25-cent fee collected on each sale goes to the Hilltop Kiwanis Club. On sale through Mar. 31 at Westgate Electric, auto license plates will be sold the remainder of the year at the Hilltop Business Association, 3183 W. Broad-st. Truck license applications will be processed at the HBA until Mar. 20. (Hilltop Record Photo)

Cites Crowding, 'Firetraps,' Lack Of Modern Facilities

Representatives of more than 40 interested Franklin County organizations heard State Senator Wilbur L. Shull (R.) blast state officials for failure to provide adequate facilities in Ohio mental institutions in an address given Wednesday morning at the Columbus State School, 1601 W. Broad-st.

Specifically, Shull deplored the conditions at the Columbus State School itself, declaring, "The Institution now houses over twice the number of patients that there should be and there is a waiting list of more than 2,000." Shull urged all civic-minded citizens to interest themselves in the program to relieve "these deplorable conditions." The senator is the author of a bill now pending in the legislature to appropriate $4.5 million for rehabilitation of Columbus State School.

Lloyd Ferguson, special services officer at the institution, was unable to supply a list of the organizations represented in the audience addressed by Shull, but said that it included church women, PTA of both city and county, and officials of Boy Scouts, Girl Scouts, Camp Fire Girls, and others. Representatives of West Side and Hilltop Protestant churches included members of the Franklin County Council of Church Women; while the representatives from Holy

Westinghouse 69th Stockholders Meet Will Be On Hilltop

The 69th annual meeting of stockholders of the Westinghouse Electric Corporation will be held at the Hilltop plant of the company's electric appliance division on Wednesday, Apr. 6, it was announced yesterday in Pittsburgh, Pa., by Gwilym A. Price, president.

Stockholders will get their first view of the giant $45 million plant, which was completed last year and is the largest ever built by Westinghouse. The meeting continues the policy, inaugurated six years ago, of holding the annual gathering at a different plant location each year so that shareholders in all sections of the country may see their properties and meet their management in person, Price said.

Success Of 'Starlit Fantasy' Show Will Assure West High Best Dressed Band

By Mrs. Howard Dellinger

"Starlit Fantasy," the theme for the West High School's 16th annual Band Variety Show, to be given Mar. 17 and 18, may have something to do with the students having stars in their eyes and heads in the clouds but their feet are firmly planted on the ground. And they're working hard to make their annual musical production a huge success.

Not only are the participants interested in the show, but it has the backing of the entire school. Success of this production means a continuation of one of the best-dressed marching bands in the city because proceeds go to the uniform and instrument fund.

The two instrumental instructors, Clair Barnard and Robert Ginther, are putting every spare waking moment into the show and it probably dominates their sleeping hours, too.

Barbara Constans, show emcee, is quite happy to be a "first lady"—she is the first girl to be mistress of ceremonies in the show's 16-year history.

Mr. Ginther is pleased with the vocal group selected from the Senior High Band and Orchestra for background music for the show. Members of the ensemble are Sheva Harlow, Janice Butterbaugh, Judy Gilbert, Mary Jane Eagon, Julia Higgins, Margaret Jenny, Judy Hawthorne, Doris Dailey, Bill Brannan, Bill Ocker, Ivan White, Dick Glass, Tom Bertman, Ronnie Knipp, Jack Hostetter and Steve Miller.

Solo vocal selections will also be given by Doreen Chakeres, Phyllis Hill, Judy Lloyd, Vickie Howells, Norman Latorre, and Robin Sharp. A vocal trio consisting of Joan Hill, Arbadella Witcher, and Barbara Johnson and a quartet including Ralph Wheaton, Gary Darby, Danny Grant, and Jim Bodenheimer, will add their talents to the show.

The tapping feet of such young ladies as Carol Temple, Judi Fenimore, and Judy Williams, the Alberry sisters (Sheila and Sharon), Jean James, and Ruthann Hardacre also will be heard. Returning to the show is Bill Greene, a wonderful tap dancer. The youngster of the show is a 7A pupil, tiny Dorothy Reese, who does an acrobatic dance.

A must for a West High show is a chorus line of 12 lovely girls. This year Lois Hunter, Marilyn Shrover, Carol Temple, Judy Swartz, Judy Krouse, Carole Chatfield, Clara Grabill, Rozzie Rus-

Contracts Totaling $787,000 Awarded For Twp. High School

Contracts totaling $787,000 for the construction of the new Franklin Heights High School at the southwest intersection of Briggs and Demorest-rds were awarded Wednesday by the Franklin Township school board, according to V. J. Ullman, executive head of township schools.

The general construction contract went to the Knowlton Co. of Bellefontaine, O., on a base bid of $636,900, which rose to $644,000 with alterations required by the school board. The Limbach Co. of Columbus garnered the heating and plumbing contract by submitting the lowest of nine bids. There were eight bids for the general construction, Ullman disclosed.

Both contractors have agreed to start work as soon as practicable on the 16-classroom brick structure, which will share the 38.5-acre plot on which the 24-classroom West Franklin Elementary School is practically completed. Completion of the high school is expected to take about 15 months.

Included in the general contract for the high school are a gymnasium, cafeteria, home economics department, and industrial arts workshops.

Meanwhile, the county board of elections has announced that persons residing in the Franklin Local School District who wish to vote on the $1,252,000 bond issue on the May 3 primary ballot, and who are not now registered, may register at the court house annex until noon Saturday, Apr. 23. This is a one-month extension of the deadline for registration as it applies to other voters in the primary.

The $1,252,000 bond issue has been described by Ullman as a move to finance the addition of some 14 more classrooms to the new high school, plus an auditorium and athletic field. In addition, the issue will provide additional elementary school rooms in the system, he said.

High school freshmen in the township this fall will be accommodated in elementary class rooms in Franklin Township, Ullman disclosed.

6-Ton Load Limit Announced For Six Hilltop Area Roads

A load limit of six tons has been set on six Hilltop area roads by County Engineer Guy Elbin to help ease the strain on road surfaces which have taken a beating from alternate freezes and thaws and heavy traffic in the past few months.

The weight limitations apply to the following county-maintained roads or portions thereof: Climer-rd, Demorest-rd, Hague-av, Rome-Hilliards-rd, and Wilson-rd.

Lessening the load limits at this time of the year will prove a big factor in keeping the roads from becoming pulverized, according to Robert Koerner road construction engineer for the county engineer's office.

NEWS OF HILLIARDS

Past Week End Crowded For Local Methodist Youth Fellowshippers

By Louise Pohlmann
PR. 5-4134
C/O Hilltop Record
P. O. Box 29, Hilliards, O.

In reviewing the activities of members of the Methodist Youth Fellowship of the Hilliards Methodist Church during the past week end, one cannot escape the sense of resistless advance expressed in the hyma, "Onward Christian Soldier."

On last Friday, a group of Hilliards MYF-ers attended the kick-off rally of the Columbus Christian Witness Mission, the first youth evangelism campaign ever held in the United States.

Young people and leaders from throughout the nation gathered at the Broad Street Methodist Church for the initial meeting. Six guests — Rev. Frank L. Robertson of Douglas, Ga., Rev. Lon Moneyhun of Oak Ridge, Tenn., and Rev. Gilbert Heaton of New Knoxville, O. all representing the ministerial delegation, and Nan Kennedy of Nacogdoches, Tex., Joe Reiff of Washington C. H., and John Rainbolt of Fairborn, all of the lay group — were assigned to the Hilliards MYF. Following the central rally, the whole group and their guests returned to Hilliards and had dinner in the church dining room.

Following the meal Rev. Moneyhon led an instruction session on calling on those who were not attending a particular church and at 7:30 the young people went out and made calls until 9:30, when they returned to the church for a short discussion on problems encountered while visiting.

Saturday at 8 o'clock the group had breakfast at the church and Rev. Moneyhun conducted in another instruction meeting. At 9:30 a. m. 25 young folks resumed their community calls, returning at 11:30 for discussion and lunch at 12 o'clock.

At 1:15 the Hilliards group left in a body for Centenary Methodist Church in Columbus to attend another rally. After 6 o'clock dinner at the Hilliards church, Rev. Robertson led an instruction group and at 7:30 the young folks again went out visiting other young folks, returning at 9 to the church for dancing and games until 10:15.

Despite almost one and one-half days spent exclusively in intensive church activities, which they might have claimed as an excuse of skipping the Sunday services, 26 were on hand for Sunday School and filled up two pews in the worship hour besides singing in the choir.

The last meal with their guests was served at 12:15 and another calling period followed, at which time those who had not been at home on previous calls were contacted. In the afternoon they attended the last service of the current Christian Witness Mission at King Avenue Methodist Church after which they parted with their week end guests and came home to rest and prepare for the regular MYF meeting at the home church.

Results of the Witness Mission at Hilliards were noted in 15 new faces at the Sunday evening MYF session, making a total of 37 present. A total of 30 people were found who plan to start attending Sunday School, Worship Service or MYF, representing a notable revival of religious interest in a community the size of Hilliards.

Thanks of MYF are extended to Mrs. Mary Lambert, Mrs. Hazel Seeley, Mrs. Jane Adams, Mrs. Jane Adkins, Mrs. Thelma Windle, Mrs. Maxine Yore, Mrs. Jane Chenoweth, Mrs. Jane Reeb, Mrs. Laura Siegfried, Mrs. Olive MacCarthy, Mrs. Virginia Bowman, Mrs. Margaret Kletrovets and Mrs. Genevieve Johnson for preparing the meals and to Mr. and Mrs. Floyd Miller, Mr. and Mrs. M. D. Hardock, Mr. and Mrs. Edwart Patterson and Mr. and Mrs. Kenneth Swapston for housing the out-of-town guests. Thanks are also given to Rev. John Adams and Miss Betty Fultz who supervised and led the MYF group in preparation and execution of the local participation program.

All signs point to an outstanding program tomorrow evening, when American Legion Post 614 presents its sixth annual Dixieland Jamboree at the Hilliards High School auditorium. Among the acts will be favorites of former years, including the famous dancing group which has made a yearly appearance, the tap dancers, accordion trio, boy vocalist, and special acts. Among the specialty actors are skits by Paul Noblitt, Jackie Hiltz, and Luann Svoboda, with music furnished by the post's own American Legion Band and a men's chorus, both directed by Paul Kindinger.

The Interlocutor is Harold Conklin and End Men David Patch, Jack Reder, Ralph Geese, Findlay DeWolfe, Robert Mayer and Paul Miller will give out with traditional minstrel show "stuff."

Tickets will be on sale at the school the evening of the show, which will begin at 8 p. m.

Coach Don Shaw of the Hilliards Junior High basketball team has continued to lead his team to victory in recent games. At Grove City, Hilliards defeated the host team, 54-30. Roger Pritchard still led the scorers with 18 points; and Edson Kidwell and Kenny Adkins accounted for 13 each. Paul Ponce rolled up eight and Philip Russell scored two points, bringing the team's record up to 13 wins and only one loss.

In the first tournament game of the season, Hilliards Junior High defeated Dublin, 46-19, with Roger Pritchard Collecting 17, Paul Ponce nine, Edson Kidwell and Kenny Adkins each eight, Philip Russel and Martin Davis each two, and Neal Durban four points.

Hilliards has now advanced to the quarter-finals and will play Prairie this week.

Death came unexpectedly early Sunday morning to Kenneth Cornell, 116 Columbia-st following a brief illness. The community extends sympathy to Mrs. Cornell, the former Maxine Holcomb, and the children and family. Mr. Cornell was a long-time employe of the Pennsylvania Railroad Co., working at the Columbus Union Station for many years . . . Mr. and Mrs. John Russell attended the meeting of the Ohio Grain and Feed Dealers Association at the Deshler-Hilton in Columbus Monday and Tuesday of last week. Russell was on the program at the Tuesday forenoon session.

The home economics committee of Hilliards Grange has announced that the 1955 baking contest will be held at the next meeting on Mar. 10. Please bring your applesauce cakes at this time . . . Ten members of Hilliards Grange met with University Grange on Feb. 23 and put on the program. After the grand march and several contests and songs, Leon Boucher gave a very interesting talk on the Future Farmers of America.

Mr. and Mrs. Lester Porter and Mr. and Mrs. Russell Cramer attended the Shrine ball at Columbus last Friday evening . . . Mr. and Mrs. Arch Yost, Mr. and Mrs. Carey Pace and Mr. and Mrs. John Russell were Saturday dinner guests of Mr. and Mrs. Robert J. F. Bauer at their home "Quail Hollow" on Cemetery-rd.

Mr. and Mrs. W. T. Connor entertained the past patrons and matrons of Level Chapter OES Monday evening . . . Mrs. J. M. Walker returned home Friday from a week's visit with relatives at Lawrenceville, Ashville and Kingston.

Hilliards Methodist Church continues to be represented in the weekly sessions of the school of religion at Central High School, Columbus, on Monday evenings.

Building and remodeling operations just completed by the Russell Grain Co., appliance division have added a full 50 percent to merchandising area and reorganization of the store into a semi-self-serve system is expected to facilitate customer attention. Nelson Russell spent the first three days of last week in Chicago where he attended the Housewares Show. John Russell joined his brother in Chicago Tuesday afternoon and the two members of the local firm spent considerable time selecting stock for the newly remodeled housewares and appliance store.

Sale of 1955 automobile license plates began Tuesday at the Sinclair Service Station, corner Gill and Norwich-sts, with Mrs. Frances Connor, deputy registrar, in charge. Mrs. Connor said that she will be able to accept applications for truck licenses until Mar. 15th, after which time such licenses will have to be obtained from Columbus. To save local truck owners' time and delay in obtaining plates, she suggested they make their applications early. Mrs. Connor will be on hand every day of the week during the month of March from 8:30 to 5:30 as a minimum. She will observe longer hours as necessary to provide fully adequate service to motor vehicle owners.

ROBERT A. WEISENBERGER, Sr., above has succeeded Robert J. Housel as chief of product engineering at GM Terminal plant, it was announced this week. Housel has been transferred to the GM plant at Flint, Mich., where he will become production manager. Weisenberger joined the Columbus plant as a production supervisor in February, 1949, transferring to product engineering in 1950. Several promotions culminated in his advancement to the product engineering post.

Co. Sanitary Engr. Joins 2 Hilliards Men In Corporation

County Sanitary Engineer Desso T. Mitchell joined a corporation with two Hilliards men early in February "to build some houses in the Hilliards area," Mitchell disclosed Monday. Associated with Mitchell in the Norwich Construction Co. are Kelly Conklin, owner of the Conklin Furniture Co., who is already involved in extensive development activities in the Hilliards area, and Milton H. Wilkinson, building contractor.

"To date we haven't been able to locate any land to build on," said Mitchell, "but Conklin owns some land in the Hilliards area that he may let the corporation procure later on."

When asked whether he was planning on aiding Hilliards to obtain additional water supplies either privately or through the county, Mitchell replied, "Absolutely not. The Hilliards private water supply is entirely adequate at this time."

The county is currently buying water wholesale from Columbus and selling it only in the Rome area west of Phillipi-rd, Mitchell said.

New Hudson Car Agency Opened On W. Broad St.

The opening of the new Hudson agency, the Vaughan Motor Car Co. at 4160 W. Broad-st by Eugene E. Vaughan, was announced this past week by N. K. VanDerzee, vice-president in charge of sales for the Hudson Motors Division of American Motors Corp.

Vaughan, who has sold used cars at 806 Parsons-av for the past 13 years, has disclosed that his new Hudson retail agency is open for business now, but that a grand opening is planned in the near future. Monday, Feb. 28, marked the informal opening of the Vaughan firm as a dealer in Hudson cars, parts, and accessories.

The new Hilltop businessman has announced that Hudson's complete line of 1955 Hornets, Wasps, Ramblers, and Metropolitans will be on display in his showroom. A modern service department, staffed by expert service mechanics, will provide fast and efficient service for Hudson owners, Vaughan said.

Hilltop Mail Man—

(Continued from Page 1)

I guess she was confused. On my days off, she'd either go back to her home or run up to our house; she never would go with the other fellow on the route."

When her owners, Mr. and Mrs. Ray Cameron, moved off the route to a new home at Gilbert and McCord-sts, Lady started fretting. For about three months they had to keep her locked up in the yard and house. Then they tried leaving her at Harrison's home for a week and taking her with them for a week. That's didn't work either.

Shortly before Easter last year, the Camerons brought the nine-year-old Lady to the Harrison home and admitted they'd have to give her to Harrison even though they'd miss her gentle friendliness terrifically. Mrs. Cameron dropped in just before Thanksgiving to visit with Lady.

Now, Lady is apparently completely happy — if a rambling wagging tail is any indication. She meets Harrison at various spots along his route and trots faithfully at his heels. Most evenings she accompanies him when he checks out at the post office. Lady has traveled with the Harrisons as far as St. Louis, and as far as Harrison knows, she's never bitten anyone.

The 32-year-old mailman has refused to bid on other mail routes, mainly, he admits, "because Lady is getting too old to learn a new route and she's happy with the one we've got."

When asked if anything especially unusual had ever happened to him when accompanied on his rounds by Lady, Harrison replied: "No, but one day when she was not with me, I got bit by another dog."

Westgate EUB Is Scene Of Angelcor - Watts Rites

MR. AND MRS. JAMES WATTS
(J. Curtis Allen Photo)

Candelabra and ferns with two large arrangements of white calla lilies and white stock, decorated the altar of Westgate Evangelical United Brethren Church for the wedding of Miss Beverly Angelcor and Mr. James Watts on Saturday, Feb. 26. Rev. Harold B. Dutt read the double-ring ceremony at 3:30 p. m.

The bride is the daughter of Mr. and Mrs. Joe Angelcor, 947 Oxley-rd and her husband is the son of Mrs. June Watts, 106 N. Harris-av and Mr. Elwood Watts.

Given in marriage by her father, the bride chose a ballerina-length gown of white net over white satin. The strapless net bodice was worn with a fitted jacket of embroidered net with a Peter Pan collar and long tapered sleeves. Her bouffant skirt featured a pointed apron effect of embroidered net.

A seed pearl crown held her fingertip length veil of illusion. She carried a white prayer book, gift of the bridegroom, mounted with a white orchid and stephanotis with streamers entwined with stephanotis.

Miss Barbara Watts, sister of the bridegroom, served as maid of honor. Pale yellow net fashioned her ballerina-length gown with the bodice and apron effect in embroidered yellow lace. She carried an arrangement of yellow daffodils with aqua lace and ribbons.

Mr. Fred Watts served as best-man for his brother and seating the guests were Mr. Terry Hitt and Mr. Tom Hill.

The mother of the bride chose a gown of lemon yellow with a matching hat and black accessories. Mrs. Watts' identically styled gown was in chartreuse with black accessories and they each wore a corsage of crysanthemums in shades of rust and yellow.

A reception was held in the church basement immediately following the ceremony.

The new Mrs. Watts attended Grandview High School and has been employed at the A and P Super Market on Olentangy-blvd. Her husband was graduated from West High School and is associated with Westinghouse Corp.

The newly-married couple is at home in Westgate Manor.

Many Hilltoppers will remember Eugene Lusk, daughter of Mr. and Mrs. Homer Lusk, formerly of this community and now living at Indian Lake; and niece of Mrs. C. E. Distlehorst. Eugene, 24, has been in Puerto Rico for the past year, teaching children of Air Force officers stationed there. She was married Saturday, Feb. 19 to 2/Lt. William Baxter and, tragically, contracted bulbar polio on the same day.

She is now in an iron lung in Rodriquez Hospital, Ft. Brooke, San Juan, Puerto Rico, and is paralyzed from her hips down. Mail from old friends would surely help.

Mr. and Mrs. Dan Roush (Gertrude Wilkins) announced the birth of their first daughter, Melanie Irene, born on Feb. 7. Little Melanie has three brothers . . . Mrs. Grafton Gruesser, 130 N. Roys-av, has returned from a two-weeks visit in Wichita, Kas, where she became acquainted with her first grandson Car, son of Dr. and Mrs. A. W. Fransmann.

Mrs. George W. Pruden of 169 E. Huron-av, is recuperating at home following surgery at University Hospital on Feb. 9 . . . Also recovering at home from serious illness is E. W. Hodges of 2963 Fremont-av, who has been hospitalized in Mt. Carmel.

Mr. and Mrs. Charles G. Bennett, formerly of 134 Whitethorne-av, are now residing at 1572 Sanboindr, Redding, O. . . Mr. and Mrs. E. Gordon Jenkins of Crestline and Jane Offenmiller were week-end guests of Mr. and Mrs. Henry Jones of 60 Powhatan-av.

Gay Looks, daughter of Mr. and Mrs Warren Looks, 204 S. Richardson-av, has returned home following a tonsilectomy . . . Charles Allers is a patient in Grant Hospital.

Sincere sympathy to Warren Hilbert, 162 S. Southampton, on the death of his father in Piqua, and to Charles Stortz, 539 Larcomb-av, on the death of his mother in Zanesville.

West High Ex-Track Star Nabs Intruder Tuesday

Bill Smith, 26, captain of the West High School track team in 1946, captured Reid Morgan, 34, of Brooklyn, N. Y., after the New Yorker allegedly attempted to burglarize his home. Morgan was in city prison for investigation of burglary.

Smith told police he heard a noise upstairs in his house at about 7 p. m., investigated, and found Morgan in the hallway. Tossing the intruder out on the front lawn, Smith called the police. Then he stepped outside again and started his successful pursuit of Morgan, who already had a block lead.

The end of the world will arrive on time; so don't be bothered with predictions.

TEEN TROUBLES

by John Douglas, M.D. and Mary Douglas

Question: Should your family always know exactly where you're going?

Answer: Yes. You should talk over with them your plans for the evening. Tell them where you're going, whom you're going with and ask them when they expect you to be home.

This is only common courtesy and home relationships would be much happier if all teen agers practiced it.

It isn't that your parents want to spy on you — or keep you from having fun. It's just that they are genuinely interested in your welfare. They want you to have fun — but they want to be sure you're safe while you're having it. They'll be much happier if they know where you are and whom you're with.

If you find, after leaving home, that your plans have changed — call them up and tell them so. They'll appreciate it more than you know.

This isn't being chicken — or tied to your mother's apron. It is the sensible, well-brought-up thing to do.

Question: Should you ever date secretly?

Answer: No. Secret dates only lead to unhappiness for everybody concerned.

Both you and your date would soon begin to feel guilty about it and this would eventually ruin your friendship. Besides, it would cause your parents to lose confidence in you once they found out — which they always do sooner or later.

Talk it over with them. They'll tell you their reasons for not wanting you to date. And remember, whether you like it or not, they are only trying to do what they believe is best for you.

Instead of secret dating — why don't you go ahead and have fun in group activities such as skating parties or square dances — or mixed record sessions in your own home or a friend's home? You'll have just as much (or more) fun, and there will be nothing to feel guilty or "sneaky" about.

* * *

Teen agers: Send your questions to TEEN TROUBLES. Dr. and Mrs. Douglass will answer through the column in this newspaper.

Water Tap Issue For Fire House Still Deadlocked

The issue of city water for the new Franklin Township fire department headquarters was still deadlocked late Monday afternoon with Service Director Floyd C. Redick insisting that the township pay a frontage fee on 645 feet for the privilege of tapping city water lines and township officials willing to pay for a maximum of 175 feet frontage.

Redick declared that the township could pay a lesser frontage fee only by disposing of some of the land on which the new $100,000 fire house is located on Sullivant-av, just east of Georgesville-rd. "It wouldn't be ethical to permit Franklin Township to pay just for the width of the building or a little more," he said.

"As far as claims by township officials that the city should pay for easement rights on the Columbus water main running through the front of the property, I can only say they are ridiculous," Redick asserted. "Only the original owner would have any claim against the city."

Meanwhile, John Guy, township trustee and president of the township board of trustees — the man who would write the check for the frontage fee — said he would be willing to send a check tomorrow to the city for 150 feet or even up to 175 feet of frontage, although the fire house is only 104 feet wide.

Guy reported that Paul Martin, former assistant prosecutor, who was hired by the township to negotiate on the frontage matter has obtained only one concession and that is that Redick would accept a frontage fee on 500 feet.

The frontage fee for a water tap runs $2.20 per foot. "We're not going to waste money of Franklin Township taxpayers just for nonsense," Guy said.

Guy also reasserted the claim to township officials that the city should pay for easement rights for the 20-inch city main on township property. This line services the Sullivant Avenue Airport, Georgian Heights and Rosary Addition, he said.

"The fact that we've had to use one of our 500-gallon pumpers to fill drums for use in mixing mortar at the firehouse site every morning has constituted a real danger," Guy said. "If a fire were to occur while the pumper were delivering water, the department would be greatly hampered.

"And as far as Redick's claims that I tried to hold up the city for $3,000 for an easement when the city was running its 36-inch Hague-av and Fisher-rd line, there's not much truth to it." "Actually," Guy continued, "I had a potential buyer for my property who offered me $15,000, but said he'd deduct $3,000 from that figure if the city ran its main through the property. I considered it only fair to ask the city for the amount the main easement would cost me."

YOUR HILLTOP BRANCH LIBRARY

Autobiographies Of 3 Famous Literary Figures Are Acquired

By Mildred Phaler
Branch Librarian

Three celebrities in the literary world, Pearl S. Buck, Mary Ellen Chase and Ellen Glasgow, are featured in new autobiographies now available at the Hilltop Branch Library, 2856 W. Broad-st.

"My Several Worlds," by Pearl Buck, is a tremendously exciting sparkling, and worthwhile record of her life from the period of the Boxer Rebellion to 1953. Universally known for her novels on China, Pearl Buck lived in China for 40 years and knows Asian people as few Westerners ever have.

Of equal importance is "The White Gate" by Mary Ellen Chase. New England born and bred, her books have all carried the quality of the well-known "Windswept." "The White Gate" is the symbol around which the life and adventures of a child are centered. On one side is the warm security of a Maine country family and on the outside is a magic world of strangers, wonder and surprise. The book is a re-creation of a warm, happy childhood.

Ellen Glasgow's life story was begun a number of years before her death in 1945. It is a document of unusual interest and reflects the good qualities of unsparing honesty and spiritual austerity found in her regional novels of Virginia. "The Woman Within" is the personal story of a woman struggling to fulfill herself as an artist, while being handicapped in the search for happiness by encroaching deafness.

"Red Carpet for Mamie," by Alden Hatch, is a happy beguiling story of the vivacious wife of President Eisenhower. The author is a personal friend of the Eisenhowers and he has included in this charming biography many interviews and interesting events. Line drawings by Allene Gaty, the author's wife, add interest and spice to the book.

Other new titles added to the book collection this week are self-explanatory:

"Abingdon Party Parade", by Beatrice Hogan, contains 27 party plans for teen agers and many suggestions for nice parties; "Adventure in Water Colors and Painting," by Paul Montgomery; "South and Central Africa," edited by Dore' Ogrizik; "My Ohio Home," by Irene Keeley, contains much of historical value; and "The Story of Men," by Carleton Coon, has the subtitle "From the First Human to Primitive Culture and Beyond." "Practice Civil Tests for Law Enforcement Officers" is the latest book in the series to be added to our collection.

OLD COUPLE

We walk the shadows hand in hand
Through our twilight years.
Behind us, soaking in the sand,
Our many tears.

In twilight shadows you and I
Enjoy a taste of peace.
We lived it all; now with a sigh
Await our blest release.

Mail — From Columbus: I have taken up soap-sculpturing, at least I did take it up. My ten-year-old who never before voluntarily touched soap, pilfered all my statues and threw them at other young cowboys in the neighborhood, or maybe they were T-man that day. So — the world has lost a soap-sculpturess, and it is already in such a mess! . . . From Dayton: I see where two d-j's down in Louisiana played a record for 26 consecutive hours. I'm sure I've heard "Let Me Go, Lover" more hours than that . . . From Columbus: Speaking of your private Waterloo, my pet peeve is the announcers of late TV movies who insist upon explaining the movie to us. Don't they think our IQ is as high as theirn?

• • •

My private Waterloo — Pouters . . . Having my picture taken . . . The phrase "As a matter of fact" when it is used in practically every sentence — people on radio and television are the worst offenders. If they may be called that . . . Hearing children called kiddies. So I'm an old grouch!

• • •

One of life's bitterer disappointments: The phone rang. It was a lonely, dark, rainy day. A coy female cooed "And how is Mrs. Weakley today? We are not gloomy today, are we?" Thinking it was a friend playing a joke, I started telling her about my operation but she interrupted by gushing "Now we have the very thing to cheer you — So-and-so's fabulous beauty cream. It removes wrinkles, blemishes, etc." Did I ever mention that I don't like telephone interviews?

In a box of old letters I found one from the late Rev. Fr. Richard B. Bean, who at the time the letter was written, was Professor of English at St. Mary of the Springs College. He wrote in the letter that he had told his class a poem could be written on any subject; a pupil challenged him. He had earlier in the class asked a pupil to put the window down, so the challenging pupil suggested that Father Bean write a poem entitled "Put That Window Down." Here is the result:

PUT THAT WINDOW DOWN

(Written in a class room)
I'm gazing out the window, but I'm
light shut in.
Though the youthful years' s-tip-
tee, and it's simply sin
To keep a soul and body taking
notes from some old noddy
While the flowers are s-crowding
where the sun's just been.

So I've shut my ears to wisdom and
its droning tune.
And my fancy's off a-wandering
from March to June:
I can hear the fairies singing and
the bluebells tinglelingling.
And my dreams are gone a-wing-
ing through the sweet, rich
noon.

Or, suppose I dream of twilight,
and a moon-kissed sea,
With a lazy bow a-leaning to the
waves that lap the lee.
And a silver wake a-trailing down
the pathway we've been sailing,
And my lover-lad to slather in the
sail — and me.

But I'd rather leave my solacing
in my study brown;
Come back from moon and meadow
to the dull old town,
For I fear the prof's a-noting that
my brain has been a-boating,
And he's just about to bellow: "Put
that window down!"

WHY CONTRIBUTE TO UNKNOWN WELFARE?

Hundreds of thousands of dollars are sent out of this community annually to wealthy Texas, New York and other states when it is needed so badly right here at home.

It is a struggle every year for the Hilltop Y to meet its restricted budget. Our building is old and inadequate. It is bulging at the seams. Hundreds of boys, girls and adults pass through our doors daily.

We need a new building. We need a lift. Where could your spare dollars do more, either currently or when you are through with them!

We have plans for such a building.

We welcome your interest!

LETTERS TO THE EDITOR

Dear Editor:
To match the news headlines from City Hall, this should be printed in the biggest type you have!

I would like to have the City Council and the Mayor declare themselves on an increase of the city income tax from ½ to 1 per cent; they are afraid to declare themselves man by man — the way it reads in the papers it's either the Council — or the Mayor — or somebody else — that's blocking a decent administration of Columbus' city affairs.

They wrangle about the personnel of our police and fire departments and about cutting the number of employees on the city payrolls.

Columbus already ranks unfavorably with other cities on police and fire department pay and we can't keep enough good men on the police force to insure the safety of our citizens and their property.

And while they talk about cutting police and fire department because of the expense, they are hiring every day new employees in practically all city departments. Could this personnel cut talk be just a camouflage for a higher city income tax? "What a scheme!"

Dear Editor:
I seldom write letters to the editor, but in this case I feel justified in doing so.

Recently I read that certain auto insurance companies are reducing rates for women drivers. This seems to me the most discriminating act possible. It is a fact that the women drivers' accident-free record is due in large part to the ability and skill of men in avoiding accidents with the drivers of the opposite sex.

Therefore, it is only fair that the men should have the advantage of the better rate.

With the development of more and more time and labor saving devices for women in the home, men are being exposed to more and more indignities at the hands of women drivers who have even more time to gad about.

Just this past week I was a victim of a woman driver. The lady (?) concerned should have had her face slapped and I would have done it, too, if I hadn't been afraid she'd turn out to be a lady wrestler or judo expert.

I think a law should be passed banning women drivers from the road unless they can come up to the standards demanded of men drivers.

YOUR YOUTH

By Dick Wilson
and Bob Schmidt

The other evening your executive secretary, Bob Schmidt, was privileged to serve as a moderator for a panel discussion. "What's Wrong With Parents." This discussion was presented for the Randolph CCL Club and the members of the panel were Barbara Herbster, Janice Butterbaugh, Bill Green and Bob Schmidt.

Bill Green presented a poem entitled "Dad" which we feel was very worthwhile and would like to share with you:

DAD

Always my counselor, always my friend,
Always with patience his help he would lend,
Always at hand, when life's problems I met;
Throughout the world, my best friend yet.
Always consistent, understanding my mould;
Midst all my sorrows as true as gold.
Always the first to wish me luck,
Always the first to praise my pluck,
Always at hand to give me a tip
Usually saying, "Keep a stiff upper lip."
Always at hand, whether rain or shine,
The same old sport, this Daddy of mine.
Old age overtook him, and now under the sod
Lies his old body, but he's nearer to God.
I shall never forget him as long as I live,
He asked of me nothing but always did give:
He's the greatest hero his son ever had,
My dear old loving, kind old Dad.

'Small Fry'

By J. Curtis Allen

"I thought I'd die laughing at the party the other night!"

Assuming the role of a real party line gossip for the photographer is Sherry Lee Hartman, 20 month-old daughter of Mr. and Mrs. Hayward Hartman, 458 N. Hague-av. Looking at the photo from another angle, Sherry Lee could be real angry about something. But from any angle, she's mighty cute.

MINUTE INTERVIEW

"Should all High School students be required to study Ohio history and government?"

Mrs. Robert E. Esser, Jr., 438 S. Harris-av, "I'm all for it. I surely would rather they studied Ohio history than ancient history. It sounds much more practical."

Mrs. S. C. Hines, 44 N. Eureka-av, "Yes, I do think it's a good idea. When they grow older they would have a better understanding of state government that would help them to vote wisely."

Charles Cooley, 2929 Crescent-dr, "I'm in favor of anything that would teach people more about their local history and government. Foreigners who come to this country start studying right away, and in a very short time they have more knowledge of local history than those who have lived here all their lives."

Mrs. H. O. Archer, 2135 W. Mound-st, "Yes, because everyone should have a knowledge of their state government and laws. People should start learning these things while they are young."

Mrs. Harley B. Watts, Jr., 814 S. Roys-av, "It is a very good idea. I think people should be more familiar with how their state government is run."

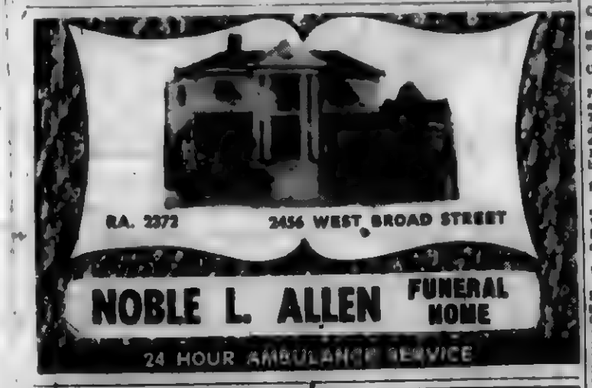
Ninety guests attended the Brotherhood sponsored "Sweetheart Festival" at Hilltonia Evangelical United Brethren Church, Tuesday, Feb. 22nd.

An organ recital by Mrs. John Kreitzman preceeded the grand-march, and Miss Charlene Sunker and Mr. Robert Howe played the role of sweethearts. Tables were decorated in red and white with billfolds and sewing kits as place-cards.

Dinner was served by candlelight with Dr. E. E. Nietz, conference superintendent, South District, offering the prayer of grace. Mrs. Floyd Eugene Hampp was "Sweetheart Queen", with her husband as attendant.

The pastor, Rev. Carl L. Wilson, introduced as master-of-ceremonies, Rev. Clayton F. Lutz, pastor of the Fifth Avenue Evangelical United Brethren Church. Melvin Watrous, Brotherhood president, gave the address of welcome and Mrs. I. M. Wise offered the response for the ladies.



David and Mabel Zimmer, radio artists, presented a novelty number, followed by dramatic readings by Miss Rheta Harmon.

The program feature was the appearance of television personalities, "Dad" and Blanche Meacham.

A surprise birthday recognition was given the pastor by Mr. Watrous.

There's Only One Way

IN 1949, 1,763,290 people landed in the penitentiary; 719,515 mental patients in hospitals; 386,000 in divorce courts; 16,354 committed suicide. *All these people wanted to be happy but they took the wrong way.* They thumbed their nose at the faithful guard trying to stop them and never saw the warning sign, "BRIDGE OUT!" Byron said, "The thorns I reap are of the tree I planted; they have torn me, and I bleed." The way that seemeth right is the way of death. *God's highway is marked by brotherhood, reverence, virtue and self-control.* Time is precious. Better follow that guiding hand . . . Tourney For Foul-Shooters Started

After one week of play, Ellen Linginger, Sue Verogne, and Shirley Berio were leading the junior, intermediate, and senior divisions, respectively, at Glenwood Recreation Center.

In the junior division, Ellen Linginger was leading with 16 out of 15 shots, followed by Donna Young, and Betty Evans with seven each.

Sue Verogne was leading the intermediate girls with 16 out of 25, followed by Alice Martin and Martha DeBerry with 13 and 10, respectively.

Shirley Berio's 19 out of 25 led the senior girls division. Mary Ann McCann and Carol Karshner were tied for second with 17, while Shirley Fleischer 16.

The tournament is still open for new entries, with the Glenwood finals scheduled the week of Mar. 14. Glenwood champions will then compete in the inter-center tournament on Mar. 22.

TO GIVE RECITAL

The Ohio State University school of music presented Robert Johnson, 59 S. Ogden-av, piano student, in graduating recital at 1 p. m. Tuesday, Mar. 1 in Hughes Hall Auditorium on the campus.

It would be easier to rush into a war with the six hundred million Chinese than to rush out of it.

East And Central Dominate Hilltop Record's All-City Basketball Squad

East High School, City League champ, and runner-up Central High dominated positions on the 1954-55 Hilltop Record All-City League squad selected by Record Sports Writer Woody Owen.

The Tigers and Pirates captured three positions each, while every squad in the league has at least one representative.

These selections were made after witnessing every team perform at least five times.

The players were named not only on their point scoring ability, but also on their value to their respective teams and all-around team play, as many players can shoot but nothing else. The following are the selections:

F—Harris, East
F—Robinson, Central
F—Goble, Arlington
F—Wherry, North
C—McCampbell, Central
C—Furry, West
G—Porter, L. McKinley
G—Farrell, South
G—Wade, East
G—Jordon, Central
G—Steptoe, East

The captaincy of this squad would have to go to Frank Wade, stellar Tiger back-court man, who was the most valuable cog in the Tigers' drive to the title and number one rating in the state.

Many of the cagers today could take a lesson from this youngster, as it is more important to win games than to be top scorer on the losing team.

Does your cigarette give you satisfaction? Then, remember, it's still not a perfect smoke unless you begin and end it safely. A little burning is a dangerous thing and the tip of your cigarette burns at about 2,000 degrees. The Safety Council of the Columbus Chamber of Commerce says, whatever brand you use, prevent fires by snuffing out every match and every cigarette before flipping it away.

Jailhouse 5 Make It Eight Wins In Row To Cop Jr. League Title

The Jailhouse 5, winners of Glenwood Recreation Center's preseason junior league, added another feather in their cap on Feb. 23 as they trounced the West Side 5 by 53-6 to wrap up the regular season junior league title with eight straight victories. This game also marked the close of the basketball program at Glenwood for the 1954-55 season.

The victors took charge of the game right from the beginning and held their command throughout the game. They held the West Side 5 to nothing but foul shots until the waning minutes of the fourth quarter, when Jerry Strickler tossed in a field goal. Leon Evans and Bill Ingle paced the Jailhouse 5 with 14 and 13 points, respectively.

The Jets pulled a last quarter rally to sneak by the Bobcats 16-14 in the other Feb. 23 game. The score at the first quarter was 2-2, and 6-4 in favor of the Jets at the half. The third quarter saw the Bobcats tally seven points, while holding the Jets scoreless. The final stanza, however, saw the Jets rally with 10 points, while holding the loser to three.

Otis Moman led the Jets with six markers, while Ronnie Ogden and Kenny Hatfield each collected seven for the Bobcats.

Westgate Gra-Y Leads B League Of Hilltop YMCA

By Dick Wilson

The Hilltop YMCA Gra-Y Basketball leagues were on the home stretch this week, with only two more games in each of the two leagues remaining on the schedule. Westgate Gra-Y was leading the B League, which is played on Friday evenings at Glenwood Methodist Church. The Westgaters won the first round and were leading the second round with two victories and no defeats.

Westgate was also leading the second round of the A League, which plays every Tuesday at Glenwood Methodist Church. The Westgaters have won two and lost none for the second round. They were tied with West Broad and West Mound with three victories and one defeat each for the first round.

Last week's play in the B League saw Highland defeat a scrappy West Broad Team 40-26. Steve Galentine and Billy Karns were the big difference between the two teams as they scored 32 points between them. Glenn Rohr was the star for the losers, scoring 20 of his team's 26 points. Jimmy Izzard of the losers and John Iles of the victors were outstanding defensively in this game.

Westgate remained undefeated by slaughtering West Mound 32-10 in its game last week. Roy Ferguson was outstanding for the losers as he scored seven of the team's total points and rebounded ferociously. Jim Cook was the outstanding player for the victors, tallying 14 points, playing a good floor game, and starring defensively.

The best game of the week was in the A League when Westgate edged West Mound 10-9 in a battle for first place. Jerry Long led the losers with four points, while Bob Ross was high for the victors with five.

West Broad remained in the running for the second round of the A League by edging a scrappy and determined Highland team 17-16. This game was tied five times in the 40 minutes of play, the lead changing seven times.

Blackie Diedrich was the standout for the losers with seven points. Dick Williamson starred for the victors with 10.

Senator Shull—

(Continued from Page 1)

Family Church, St. Aloysius Church, and the new St. Agnes Parish are members of the Council of Catholic Women.

Date Back To Civil War

Shull pointed out that the Columbus State School was established in 1857, that nearly all the buildings were constructed shortly after the Civil War, and that very little in the way of capital improvements had been made by the state since that time. The buildings have not been modernized or fireproofed; neither have they been replaced as they fell apart, he declared.

"Nearly all the buildings are firetraps and practically falling in," Shull asserted. Many of the roofs are in such a deteriorated state that the water has caused the plaster to fall off in many of the buildings. Nearly all the plumbing is in a sad state of repair. There are no modern kitchens and it is almost impossible to keep food because of the lack of refrigeration. Very few modern appliances can be used because most of the buildings are using antiquated direct current."

Responsibility Of Citizens

Shull further stated that "the State could no longer avoid its responsibility to these unfortunate wards and urged that something be done before there is a fire caused by these unsafe and overcrowded conditions and hundreds of human beings burned up. "It is the responsibility of every citizen in Ohio to see that these deplorable conditions exisiting in the various state mental institutions are corrected so that the state need no longer hang its head in shame," he concluded.

Shull, who is serving his second term in the state senate, is serving his first term on the body's finance committee.

Ferguson, speaking for officials of the Columbus State School, declared that Shull was completely correct in his description of conditions at the school. The W. Broad-st institution, which serves as a state receiving hospital for mentally ill, is currently accomodating 2,200 patients, he said, with about 700 in colony homes, on trial visits to their homes ,or working during the day and returning to the school or colony homes at night.

Some 70 per cent of the patients at the school are in the 5 to 18 age group, with other patients ranging up to old age. On the basis of the quota system, Ferguson, said, Franklin County would have 64 patients admitted to the school while densely-populated Cuyhoga County would have 174.

Diagnosis Time Varies

Patients are kept at the school for diagnosis and classification from six weeks to six months before some of them are transferred to other institutions, continued Ferguson. About one-third of the new patients admitted each year are candidates for eventual return to their places in society.

"Columbus State School is fortunate in that the city has some of the state's top psychiatrists, psychologists, pediatricians, and neurologists, who work for the school as consultant staff members," Ferguson asserted.

"Even the best professional workers in the world, however, need the room in which to work. We are terrifically overcrowded here—at least by 60 per cent—and we're not able to approach good hygenic conditions in buildings which range up to 90 years old."

The 197-acre grounds of the State School contain 35 buildings —all the facilities of a city of more than 10,000, according to Ferguson. In addition, located on the grounds, but not part of the school administration, is a clinic for the general public. Citizens having problems of a mental nature may come to the clinic for professional assistance and are not required to pay for the service.

West High Band—

sell, Nancy Geyer, Gayle Lamb, Carol Fuller, and Sharon Tanner have put in their time and talents and are doing a beautiful job.

Ken Carpenter, the fellow so handy with an accordian, is again with the show. Carolyn Stickel, Gail Hostetter, Selba Jones and Joyce Strickler will harmonize on their clarinets.

No show is complete without laughter. Comedy this year will be provided by Floyd Love, Fred Corcoran, Dana Deshler, and Floyd Chappelear.

Last but not least is the pride and joy of Mr. Barnard—the West High Dance Band. Dick Dorr, Fred Greene, Dave Parker, Ray Williams, Tom Coffman, Charles Hanson, Art Slate, Ted Calvert, Gary Tague, Fred Williams, Jack Alexander: Rudyard Fay, Ronald Stilwell, and Bill Bigelow comprise this group and will add color and beat to the show.

Tickets for the general public go on sale Friday, Mar. 4, in the lobby of West High during school hours. All seats are reserved and cost 75 cents each.

Paul Langdon—

(Continued from Page 1)

uate of West, Class of 1931. Langdon was graduated from the Ohio State University college of commerce in 1935 and completed graduate work in the field of management at Ohio State and Northwestern University. He is a CPA both in Ohio and Illinois.

Vice-president of the Columbus Chapter, National Office Management Association, he is also vice-chairman of the NOMA education committee and chairman of the workshop committee which has developed rapid reading courses. In working with commercial teachers of the school system, he has arranged to have Elmore Day of the Ford Foundation address seniors at Central, North, East and West High Schools on Mar. 22 on entrance requirements for high school graduates into office work.

A past cubmaster of the Cub Scout Pack 37 and advisor for Junior Achievement, Langdon was chairman of the West Mound PTA, which was successful in its campaign for the present new school. Chairman of the civic affairs committee of the Columbus Chapter of the Ohio Society of Certified Public Accountants, Langdon is also secretary of the Columbus Control of the Controllers Institute of America.

In the period 1940 to 1947, he was an employe of the U.S. Railroad Retirement Board, becoming its director of finance. A member of the Highland Friends Church, he is also superintendent of Christian education there, a job which includes planning and supervision of many youth activities.

Langdon cites rapid growth of Columbus school population as one of the most pressing problems facing the education system. "With a hop of school pupils from 40,000 in 1947 to the current 60,000 figure, an increase of 50 per cent in seven years, it is plain to see the imperative nature of this problem," he said. "National trends, which show that 22 per cent of the nation's population is now of school age and that this figure will rise to 60 per cent by 1960, is proof that the problem will remain with us for several years."

Especially interested in the welfare of commercial teachers, Langdon recently has attempted to aid teachers of this category in obtaining summer vacation employment with local firms at a time when the firms need replacements for their own employes who are on vacation.

Fireman Arrests Illegal User Of Fire Hydrant

A Franklin Township volunteer fireman, who also doubles as a deputy sheriff, apprehended a man in the act of tampering with a fire hydrant last week.

Deputy Howard J. Lyons, a member of Fire Company No. 2, was driving down Hopkins-av last Thursday when he saw a man taking water from a fire hydrant in the 1800 block of Hopkins-av. He immediately called fire department headquarters to find out if permission had been granted for the man to open the hydrant. Learning that the man was acting without permission, Lyons quickly took the man into custody.

Ferrel J. Francis, 344½ E. Main-st, was slated in the court of Justice of the Peace Ben Winters, Briggsdale, and pleaded guilty to the charge of tampering with a fire hydrant. His employer, Elmer J. Candill of the Candill Construction Co., 234 E. Fulton-st, paid the fine of $25 and costs of $8.40.

Fire Chief James C. Moffitt and members of the board of trustees of Franklin Township have expressed concern with the repeated use of fire hydrants by contractors in an unauthorized manner. Chief Moffitt pointed out that all hydrants are pumped out at the beginning of winter to avoid freezing. If they are used for any purpose and not repumped they will be frozen in severe weather, resulting in delay and extended fire damage in the event of an emergency.

Justice Winters pointed out that under the law, violators are subject to a maximum fine of $100 and costs.

Witter Sets New League Mark In Tallying 34 Pts.

by Harry Graebel

Dick Witter, leading scorer in the Hilltop Y Intermediate League, increased his margin by setting a new league record for scoring in a single game, hitting for 34 points as his Hoge Memorial team upset the favored Hilltop A. C. quintet 62-39. The other members of the Hoge team were also in rare form, making on 75 per cent of their field goal attempts. Ranney, Brokaw, and Wilcox turned in fine offensive games, while Fred Worch was sensational on defense for Hoge. Mike Posey again was the mainstay for the Hilltop A. C.

With Dick Berlo tossing in 25 points, Westgate Methodist coasted to an easy win over Hillcrest Baptist. Jim Cobb, with 10, and Jerry Pollock, with 14, were the other Westgate stars. Erlenbach played a very good game for Hillcrest in addition to hitting for 12 points.

Burgess E. U. B. had one of it's better nights in mastering West Sr. Hi-Y 48-33. The score was tied at half-time, but a spirited last-half rally by Burgess pulled the game out of the fire. Eddie Yahn, with 18, and Karl Davis, with 12, were the pace-setters for Burgess, while Floyd Love led the Hi-Y attack with 17 points.

Individual scoring totals include Witter, Hoge, 179; Pollock, Westgate, 119; Berlo, Westgate, 110; Love, West Sr. Hi-Y, 106; Cobb, Westgate, 105; Deyo, West Park, 98; Kern, Westgate, 96; Trott, Burgess, 78; Posey, Hilltop A. C., 77; Davis, Burgess, 72.

Three-Week Delay Is Expected Before City Council Can Act

Gomer Jones Offers To Sell Field At Loss To City For $300,000; Plan Well Received

City council apparently will have to wait at least three weeks before it considers the possibility of purchasing the Sullivant Avenue Airport as a secondary municipal air field, it appeared Wednesday as the municipal airport commission awaited a physical survey of the facilities by the Civil Aeronautics Authority.

Francis A. Bolton, superintendent of Port Columbus, secretary of the airport commission, and an enthusiastic backer of plans to buy the airport, said Tuesday that he had written a letter to the CAA and asked CCA authorities in informal conversations to make such a survey.

"Unless the airport meets certain qualifications for a secondary municipal airport, we would be unable to obtain federal funds for assistance in developing it," Bolton declared.

The airport commission was to consider the entire matter of the airport for the first time in its session today at city hall.

Ernest Stork, chairman of the city planning commission, meanwhile said that the commission unanimously endorsed in principal the idea of buying Sullivant Avenue Airport but would await a report from the airport commission before forwarding any such recommendation to city council.

Gomer Jones, owner of the Sullivant Avenue Airport, and operator of the Jones Flying Service there, has attempted to interest city authorities in purchasing the airport as an auxiliary field since March of last year.

The current interest of the city in purchasing the field dates back to early last week when Jones approached Mayor Sensenbrenner on the matter and was advised to meet with officials of the city's planning and airport commission.

In a meeting with the planning committee on Mar. 2, Jones disclosed that he would sell the airport, located directly south of the General Motors Ternstedt and Westinghouse Appliance plant in Franklin Township on the western outskirts of the city for $300,000.

Included in the sale price would be some 90 acres, established by previous sales, to have a value of $180,000; an 800-foot frontage on Sullivant-av, including four acres, valued at $48,000; a heated and insulated shop building valued at $35,000; a hangar valued at $15,000, and 14 individual unit hangars with a total value of $23,000.

In addition, Jones said he would surrender his option to purchase 30.49 additional acres south of the airport for $76,075

Hilltop Woman Assaulted In Her Home Tuesday

Police yesterday were seeking to link the brutal assault of a 26-year-old Hilltop housewife, who was found bound and gagged with adhesive tape and bandage gauze Tuesday afternoon in the second floor bedroom of her home, with two other recent assaults of women on the Hilltop.

The victim, an Eakin-rd resident, was discovered by her husband when he returned home from the Pennsylvania Railroad about 6 p. m. She had pounded the door of the closet intermittently at times of consciousness throughout the period of imprisonment, but was unable to attract [illegible] the next door neighbors in the stone and frame double were not at home. A rag kept her from screaming and her eyes were covered with bandage.

Suffering from shock, the victim was taken to Mt. Carmel Hospital, where she recovered consciousness later in the afternoon and told Detective Sgt. Paul Fulton and Detective Lawrence Lane she had been attacked by a man who came to her door at 1 a. m. seeking to use her telephone to "report an accident down the street."

Numerous bruises about her shoulders and head and bite wounds led Detective Lane to classify the assault as a sex attack, even though the victim had not been raped. Lane declared, "We're pretty certain the man was a pervert and certainly wasn't normal."

He said, "This could be the man responsible for two other assaults within the past couple of months on the Hilltop. If so, it is the first clue to the mans color and general build."

The other two attacks were at night and the victims were confined. One occurred at Belvidere-av and W. Broad-st, where the victim was dragged into an alley and raped. The other took place on Harris-av north of W. Broad-st.

City Should Look To The Air and Future

This is an air age. Travel by air is the modern method and in keeping with this situation the city should look ahead to the needs of our rapidly increasing population to provide proper air transportation facilities.

Today as the city faces this large growth in population the various departments of city government look to the needs of the people and take steps to provide our needs for the future.

The growth in school attendance means we must have more classrooms and so the board of education provides more schools and more teaching staff.

More homes mean more streets, more water lines, more sewers, more water, more electricity, etc.

Increased air traffic means an expansion of airport facilities is needed. The proposal that the city purchase the local Sullivant Airport is one that should have the approval of city council and as soon as possible.

The industrial growth in this area is such that it should be serviced by a nearby airport. The Sullivant avenue field will meet such needs as well as provide an auxiliary landing field for large air liners and smaller private craft.

We believe any move by city council toward securing this field will be a profitable one for the city in our look to the future.

West Students Given Threefold Plan For Success At Career Day

By Bill Satkin

West High School students have a much clearer idea about the possible choice of life work today than they had before the third annual Life-Career Conference held at the school Tuesday morning.

Clifford Garwick

Parker Garwick, president of the Garwick and Rose Construction Co. was the keynote speaker at the assembly program. Garwick is a member of the Columbus Athletic Club and the Downtown Kiwanis Club, is a director of the Columbus Town Meeting and the Columbus Chamber of Commerce.

Garwick offered the students a threefold formula for getting ahead in their life work:

One: To ensure success, you've got to work.

TWO: You must display integrity on your job.

THREE: Your job must render a service to the community.

Following the assembly program, 1078 students attended 44 conferences each addressed by an expert in his or her field.

The 12 occupations most interesting to the students, as evidenced by those conferences they elected to attend, were, in order: detective, airline hostess, air force, lawyer, forestry, medicine, nursing modeling, teaching, secretarial, women's air force, and navy.

Faculty members in charge of the Career Day conferences were George Neeb, Cyrus Sedgwick, Mrs.

Bill Burns, president of the Hilltop Community Council, has indicated he will appoint representatives to the new organization and many other civic leaders on the Hilltop have indicated their interest Reiss said. He asserted he hoped that PTA's of both elementary schools and West High School would take an active interest in the group.

Announced aims of the conference are, "To promote and foster a program of traffic safety and education for the Hilltop on a community-coordinated basis with representation from all recognized agencies and groups on the Hilltop. The group will also work for a city parking facility on the Hilltop," Reiss disclosed.

Broad-st, according to Bill Burns, HCC president.

Topic of the addresses by the guest speakers will be "Juvenile Delinquency As It Affects the Hilltop." All interested members of the community are urged to attend in addition to regular members of the council, Burns said.

Plans will also be made at tonight's meeting for the annual Easter Egg Hunt, which will be held at Westgate and Glenwood Parks.

Bob Schmidt, executive secretary of the local Y, discloses that complete kitchen facilities have already been donated to the Y for its new home at 2725 W. Broad-st, including a stove, dishes and utensils. Only a refrigerator is missing.

Anyone having a refrigerator in usable condition is asked to telephone the Hilltop YMCA at JO. 4641 to arrange for its transportation to the Y building.

YOUR MONEY OR YOUR LIFE

Hilltop Boys, Age 9 And 14, 'Star' In Melodramatic Extortion Scheme

What would you do if you received a telephone call or a message on a dirty scrap of paper telling you to deposit an $10 or forfeit your life?

It's not much of a joke to three ladies occupying apartments near the Hilltop Postal Station. And by now, the juvenile extortionists responsible, who didn't collect one red cent and who had the daylights scared out of them by police officers, must realize the lack of humor in the whole situation.

It all started last Thursday evening, when one of the ladies, alarmed by a phone call which told her to place $10 in a milk bottle at the base of the stairs of her apartment at 42 N. Harris-av, called the police. Evidently the police weren't too worried about the call, for they sent no one to investigate, she reported.

On Friday night, the same gruff voice called two of the women and repeated the same threats. The fact that a note, printed in awkward block letters on a torn-off strip of brown paper toweling, had been slid half under the hall door of one of the victims the same day, certainly didn't aid the women in keeping their composure.

But one, a little braver than the others, ventured to the hall stairway and spotted two forms huddled in the shadows at the base of the stairs.

That's when the ran to her telephone and called Alex Minkfield, 43 - year - old maintenance worker for Hilltop Attorney Donald F. Smith, owner of the apartments. Alex said he'd be right over and he must have made pretty good time. Because, just as Alex rounded the corner of the postal station at 2700 W. Broad-st and turned on to Harris-av he saw a small boy start running.

Alex said he chased the lad about half a block before he caught up with him in a garage behind the West Broad Street School playground. Taking the boy back to the apartments, Alex and his silent and sullen nine-year-old prisoner awaited the arrival of a police patrol wagon.

Lenten Prayer Gives Thanks For Season With Its Message Of Hope

By Rev. George H. Alexander
Pastor of Hilltop Church of Christ

"Our loving heavenly Father, as we come again into the Lenten season, carrying with it its message of hope and redemption for our lives, we pray that we let not the outward smoothness of life blind us to the common faults which we share with others. May we resolutely cleanse our lives of every sordid sin and live in the new nature Thou dost make available to us, through Christ our Lord.

We thank Thee that He is with us day after day, as He said, and that with one another we have the faith which assures us we can overcome all the fears and enemies of the soul by the strength of the Lamb and by the word of His testimony. In his name. Amen.

Hilltop Developer, W. R. Barnett, Dies In Zanesville

William R. Barnett, 77, one of the developers of the Hilltonia and Wiltshire Heights sections died Thursday, Mar. 3 in Bethesda Hospital, Zanesville, following a long illness.

Well-known builder, real estate broker and a former realtor, he had been in business in Columbus for 31 years and on the Hilltop since 1922 with offices at 1263 Sullivant-av. Formerly of 668 Wiltshire-rd, he had resided at the home of his son, W. Clare Barnett in Zanesville, for the past six years.

A native of Zanesville, Barnett had been superintendent of American Rolling Mill there for 19 years before coming to Columbus.

He had served as elder in the Neil Avenue United Presbyterian Church and later became a member of the Zanesville United Presbyterian Church when he moved there. He belonged to the Scottish Rite in Columbus and to the Amity Lodge in Zanesville.

Besides his son he is survived by his wife, Mary J.; one grandson and one sister, Mrs. Emma MacDonald, all of Zanesville, and several cousins.

Hilltop Church Plans Bldg. In Lincoln Village

Concordia Lutheran Church, which now occupied a converted dwelling at 45 S. Brinker-av, has acquired a slightly less than two-acre tract in Lincoln Village and hopes to begin construction of a $45,000 to $50,000 church building there sometime next fall, it was disclosed this week by the pastor, Rev. Hubert W. Riedel.

The transaction for the site, two blocks west of Murray Hill-rd between Taunton and Amesbury-ways, was completed with Peoples Development Co. on Feb. 17, with the Lutheran Church-Missouri Synod, of which Concordia Church is a member, furnishing the funds for the major portion of the $22,340 purchase price.

Rev. Riedel said that his congregation hopes for approval of building plans at the district convention of the Missouri Synod in Ft. Wayne, Ind., this summer. Funds for the building itself, if approved, would come partially as a grant from the district and the remainder in loans from the synod district's church extension fund.

Now accomodating some 85 worshippers on Brinker-av, the new building would seat about 250. Plans call for an L-shaped structure of combined brick and concrete block construction, with the rear portion on two levels. In addition to the main portion of the church, the structure would include a meeting room, two classrooms for the parish school, and sanitary facilities. The more adequate facilities would also permit a larger enrollment in the parish school, which now accomodates 45 pupils.

L. C. Chatfield is the ex-officio congregational chairman of the building committee.

Voice Of Hilltop Pastor Guides Air Force Men In Icy Labrador

By Berry Daft

"Joe always attaches himself to a religious group wherever he happens to be". is Rev. Roth's explanation of why Joe Dickson so keenly felt the absence of a pastor at his Air Force Base, "somewhere north of Labrador."

Joe, a West High School graduate and son of the late Mr. and Mrs. William Dickson of S. Wheatland-av, was transferred to his present base in October for a ten-month tour of duty, all the Army permits in this intensely cold climate. When he found there was no chaplain stationed there he wrote his pastor, Rev. A. L. Roth of Hillcrest Baptist Church for help.

In immediate response, Rev. Roth began recording his Sunday morning worship services, complete with sermon, on tape. These are sent by airmail to Joe, who receives them within a week. The boys build their own worship service around the recordings and then return the spools. The tapes are erased and reused.

The church has purchased four spools of double-track tape for this purpose and they are constantly in transit; many times passing each other as they shuttle back and forth from the Hilltop to the far north.

This isn't the first time Rev. Roth has responded to the need of servicemen for a chaplain. He served in that capacity "without commission as a chaplain" to the Fort Wayne Ordance Depot in Detroit during World War II, and also wrote a weekly column, "The Chaplain's Corner", for the Army's weekly publication, "Truck Tracks". At that time he was pastor of the Immanuel Baptist Church in Detroit.

He considers this latest project as a continuation of such service to "the boys in uniform".

MANY PLANS, NO SOLUTION

Prairie School District Open Meeting Airs Overcrowding, Need For Hi School

Approximately 1,500 individuals or families were represented by some 90 individuals attending the open meeting of the Prairie Local Board of Education held last Wednesday, Mar. 2, at Prairie Elementary School on Norton-rd.

After the information reported in last week's Hilltop Record, concerning the plight of township schools, was presented, residents and representatives of groups present queried board members concerning high school plans in the township. Also included were questions about schools in Lincoln Village.

In reply to questions, Board President Frederik Kuns said that there had been some talk of consolidation and that the matter was not dead. Vice-President Paul Lehnert pointed out that since the board was without funds, no plans were made for building additional schools.

Lehnert also pointed out that over-zealous real-estate salesmen had given the impression to prospects that certain schools in the township were assurred.

Principal Paul Noblitt pointed out that when Lincoln Village was planned, factories were included in certain parts of the plot as a part of support for the village but that all these sites lay outside Prairie Township and that actually none of the revenue therefrom could be used by or for the village.

Introduced as "the financial wizard of Prairie Schools", Clerk Lawrence Karnes then explained how many months elapse before either township or schools receive any tax payment.

Residents then expressed dissatisfaction with plans to send Prairie High School children to Columbus South High School but agreed with Board Members Jack Kidwell and Clarence Berry that the board has no choice.

A proposal was then made from the audience that a group be formed for the express purpose of getting a high school for Prairie Township. As expressed at the meeting, this group would have no connection with the local board of education but would act as a citizens group giving aid to the board.

Plans were also discussed for bringing the Prairie Township situation to the attention of state legislators representing Franklin County, to the attention of all project builders in the township, and to the attention of any other organizations from which help might conceivably be obtained. On this point of action, the meeting adjourned.

Reports in daily newspapers since the meeting indicate that the formation of the group was no idle gesture. Already personal contact has been made with legislators, fact-finding meetings have been set up, and citizens of the community are using every means at their disposal to publicize the situation in the proper places. Project developers are now apparently actively interested and the major power of the Peoples Development Company is being marshalled to help in solvist the school problem.

While denying emphatically that Peoples Development Co. had ever authorized salesmen to give the impression that PDC would build schools at its own expense in Lincoln Village, a spokesman for the firm disclosed that a committee of developers are currently studying five possible steps that could aid in alleviating the overcrowded conditions. He listed these possible steps as:

ONE: Pressing for some sort of legislation to have a state authority formed for the express purpose of providing aid for hard-pressed school districts in the state.

TWO: Discussion of the school district plight with county commissioners.

THREE: Discussion with state school board officials.

FOUR: Consideration of a plan to merge Prairie Local District with Franklin Local District.

FIVE: Adaptation of the so-called Pennsylvania Plan, under which Peoples Development Co. could build the school and lease it to the school district. Lease monies would then apply to the purchase price of the school building over a 25-30-year period.

Among groups in Prairie Township studying the overcrowding problem and the school situation in general are the Lincoln Village Residents Association, New Rome Business Association, Inc., PTA, and Blue Star Mothers.

A tender point with some Prairie local school officials is that the district is being held responsible for all school children in Lincoln Village, while the tax revenue from the portion of the project zone for industry will go to Franklin Township.

BEAN DINNER DATES SET

The annual Hilltop Bean Dinner will be held on July 26 and 27 this year, it was disclosed this week by the Hilltop Business Association. The business advancement committee, in charge of the annual project, will name its subcommittee in the near future.

MORE GAS FOR HILLTOP—Workmen are shown at work on a portion of the new 2,000-foot section of pipeline being installed on Hassie and Reynav to improve gas service to the Hilltop area north of Broad-st. Wilbur T. Collins, Columbus district manager for the Ohio Fuel Gas Co., said the entire project should be finished by the first week of April. In addition to replacing two, three, and four-inch pipe with four, six, eight, and 10-inch pipe, the project involves the construction of a regulator station just off Steele-av, between Eureka and Waynesa. Approximate cost of the entire project is estimated at $12,000. (Hilltop Record Photo)

Sanitary District Ordinance Goes Into Effect After Waiting Period

By Louise Pohlmann
Fr. 8-4186
c/o The Hilltop Record
P. O. Box 79
Hilliards, O.

Hilliards village council met in regular session Monday, Feb. 28, and, as formal complaints having been received relating to the ordinance passed at the January meeting which authorized the village to unite with the county sanitary district for sewage disposal, the ordinance was declared in effect. Notices had been posted in five public places throughout the village and residents had the right to protest within the 30-day waiting period before the ordinance became enforceable, Mayor Patterson announced.

The sewage problem becomes more acute each day as new permits for new construction are added to the load already exceeding the capacity of the village system. Not much relief can be expected in the near future, either. The most optimistic estimate sets 1957 as the year when fully adequate facilities can be completed and put into operation.

Plans to connect the North Grant addition with the existing plant included extending the sewer line across property owned by Henry C. and Frances M. Burbridge which extension will give the Galbreath development access to village facilities.

Other matters taken up by the council included a resolution asking the county highway department to repair village streets damaged by winter freezing and thawing and a discussion of the control of dogs running at large through town.

Mayor Patterson announced the appointment of the village building committee for 1955. Donald ("Jake") Massie was appointed building inspector; Richard Massie, plumbing inspector, and Robert Morris, electrical inspector, must meet the requirements of the county code and plans submitted to the building inspector and approved by him before a permit may be issued.

Organization meetings were held during the past week for the three-week campaign to raise funds to finance new church facilities for the Hilliards Methodist Church. Campaign chairman is John Russell, with Ralph Woodin serving as co-chairman. Other members of the fund committee include Robert Kinney, employment group representative chairman; Clarence W. Latham, special guest chairman; C. E. Arnold, teams chairman; Robert McCormick, publications committee chairman; Mrs. Paul Van Cullin, arrangements committee chairman; and Mrs. Kenneth Swepston, hostess committee chairman. Paul Rider has been named canvass treasurer.

Members and friends of the Hilliards Methodist Church have been requested to attend a "loyalty dinner" on the evening of Wednesday, Mar. 16, at the King Avenue Methodist Church There will be no charge for the dinner and no solicitation of funds.

A party for the children under high school age will be held at the Hilliards Methodist Church the same evening, beginning at 6 o'clock. There will be a nursery for the smaller children.

An Omission Supplied: Bob Windle, president of the Hilliards MYF, asks us to extend his apologies to Mrs. Marie Patterson for failing to include her in the group of ladies who helped serve the meals for the Youth Mission groups reported last week. In addition to entertaining the out-of-town guests, Mrs. Patterson helped in the church kitchen and dining room; inadvertently, her name was left off the list of those receiving MYF thank-yous. The group wants Mrs. Patterson to know they appreciate her efforts as well as those of all the other ladies without whose help the affair could not have been the success it was.

The FFA boys presented an assembly to the Hilliards High School student body last week, at which time they showed a movie based on the national FFA convention at Kansas City.

The Hilliards Merchants and Farmers Bank presented him an award of $16. Gene also won a silver award in the Central Ohio extemporaneous public speaking contest conducted among pupils of 23 schools.

Shaefer was confined to his home for several days last week with an attack of flue.

Mr. and Mrs. Charles High were spending a quiet evening at home last Saturday without thinking much about the date until reminded by a group of old neighbors from Brown Township, who came with filled baskets of food and gifts to help them celebrate their golden wedding anniversary. The group included Mr. and Mrs. Harry B. Ingalls, Mr. and Mrs. Harry C. Huggett, Mr. and Mrs. Charles Windle, Mr. and Mrs. Stanley Barrett, and Mr. and Mrs. Richard Kuhlwein. Having known these fine folks and old neighbors since "way-back-when," it is a pleasure to add the felicitations of this column to the congratulations of all their other friends.

Arch Alder has been quite ill at his home for the past couple weeks, battling the asthma from which he has suffered for many years. He was somewhat improved earlier this week and his many friends are hoping he will soon be out and about again. Main-st is a different place without Arch!

PLAN CLASS REUNION—Memories come flooding back to four members of the West High graduating class of 1935 and George Nash, problems of democracy teacher at West, as they look at pictures of other members of the class in the lobby of West. The four women are members of the committee planning a reunion for the more than 300 members of the class in the Seneca Hotel on May 28. Left to right are Mrs. O. W. Menz, Mrs. K. V. Fuller, Mrs. K. E. Brady, Mrs. H. P. Weller, and Mr. Nash. Mr. Nash was one of the teachers of the class members when West High School occupied the present day site of Starling Junior High School. West High Class Of 1935 Seeks 41 'Missing Grads' For Reunion

A committee working on plans for the Silver Jubilee Reunion of the West High School graduating class of 1935 this week sought the assistance of all Hilltoppers in locating the present whereabouts of 41 members of the class.

Meanwhile, members of the committee were mailing out "western cowboy style" invitations to the approximately 300 members of the class whose present addresses are known. The reunion will include an informal buffet dinner, followed by dancing to the music of Ziggy Coyle's Orchestra, on Saturday, May 26.

Several members of the 1935 class who were interested in a get-together met in Westgate Park last September and formed a working committee. Since then, committee members have been checking city directories, phone books, and interviewing other graduates for names and addresses of class members.

Comprising the committee are Delores Howells, Orian Menz, Pearl (Forshier) Menz, Robert Denman, Edward Walker, Don Hoskins, Clarence Berry, Dorothy (Winkelhausen) Fuller, Valedith (Miller) Weller and Lucille (Braskett) Brady.

The class of 1935 is known as the Silver Jubilee Class because it was the 25th class graduated from West High School after its founding in 1908 in a building located at the present day site of Starling Junior High School, Central-av and State-st.

Working committee members have reported that alumni are scattered all over the United States, with some even in Hawaii and Germany.

Anyone knowing of the whereabouts of Lavern Collins, Mary Heimerl, Mary O'Brien or Evelyn L. Toohey—all "missing" members of the January, 1935, class—is asked to notify anyone on the committee.

"Missing" members of the June, 1935, class are as follows:

Alice Faye Addison, John Barnett, Vera Bell, Doris Boyer, Pauline Fleming, Ileen Gearhart, Laura June Hall, Don Harrison, Clayton Hoyt, Helen Johnson, Farrell Hubbard, Robert Klein, Earl Keil, Robert McGonigal, Elinor Louise Miller, Evelyn Mae Moore, Helen Parker, Charles Murray, Edward Moesman.

Edwin Moats, Doris Norris, Melly Peffers, Georgie Lee Ramsey, Jeanne Robey, Lucille Sanford, Winifred Selvey, Doris Sheppard, Talma Smith, Wallace W. Watson, Dwight Walker, Stella Mae Whitlock, Claudia Adams, Harry O'Neil Black, Carl Coleman, Raymond Hunt, Ruth Neff and Margaret Lucille Norwood.

To Mark Golden Anniversary With Open House Celebration

Mr. and Mrs. William H. Riley

photo by Anderson

Mr. and Mrs. William H. Riley, 118 N. Burgess-av, will observe the golden anniversary of their wedding day with open house at the home of their son, Mr. and Mrs. Myron E. Riley, 155 N. Westmoor-av on Sunday, Mar. 20 from 2 to 5 and from 7 to 9 p. m. All their friends are cordially invited to be present.

Hilltoppers since 1930, they have been residents of the Burgess-av address since 1924. They have been members of Hope Memorial Church since they came to the community.

The couple has two children, their son, Myron and one daughter, Mrs. Walter Brown of 127 Arcadia-av.

They were married in Belmont County on Mar. 22, 1905, where Mr. Riley was employed with the Belmont Casket Co. He was transferred to Columbus when the company was moved here.

Mr. Riley retired last year after 50 years service with Belmont as foreman of the wood working shop. Refusing to accept much inactivity though, he has a workshop in the basement and much of his time is spent there at his woodworking hobby. His garden is also the envy of many a younger man.

Mrs. Riley began teaching Sunday School classes when she was 18. She has taught at Hope for most of the years she has belonged to the church and is still teaching the Women's Bible Class there. She reminisces that many of the children she once taught in Sunday School classes are now grandparents.

TEEN TROUBLES

by
John Douglas, M.D. and Mary Douglas

Question: When a boy is with two girls, where should he walk — in the middle or on the outside?

Answer: Always on the outside. This rule is a hang-over from the early days when streets were not streets but only muddy roads. In those days, somebody had to get well splattered with mud from the buggy wheels and it was supposed to be the boy — not the girl or girls.

Now, the boy walks on the outside, next to the traffic, for the girls' protection. You see, if a hot rod goes crazy and jumps the curb, the big strong male is right there to stop it. So, whether it's mad or motors he's trying to keep off the girls, or even if he is just trying to prove he knows his way around, a fellow always walks on the outside.

Question: How can you get a boy to go home without hurting his feelings?

Answer: First, talk it over with your parents and come to an agreement as to time. If you agree on 11 p. m., then around 10:30 say to your date, "My parents and I have agreed on an 11 p. m. deadline tonight. We just have half an hour more. Let's listen to these records and have a coke before you go."

Your date will appreciate this because it lets him know what he's expected to do, without making him feel awkward.

Most boys expect the girls to dismiss them and are embarrassed when they do not.

Incidentally, any slow easing out or prolonged good-byes mark him as an unfinished product. The smooth fellow, when it's time to go, simply says, "Thanks a lot. It's been loads of fun." He then says a firm, "Goodnight — I'll see you," and goes home.

CHAPTER TO MEET

Robert Morris Chapter 372, OES, will meet Mar. 15, 7:30 p. m. in Westgate temple. Entertainment by Semper Fidelis. All Eastern Star members invited.

About The Hilltop

Now, just wouldn't you know? The sun shines brighter, the balmy breezes begin to blow and you're in the mood to get all those annoying household chores out of your hair so you can be all set when the season arrives for golf or for a trek along the river to try out that new casting rod. What happens? It snows! . . . This one didn't get away: Jim Browning returned home with a 14-pound red grupper, his biggest catch while fishing at Ft. Pierce . . . Mary Kay Hughes has been basking in the sun at her parents' winter home in Lake Worth . . . The Gene McGurers traveled red carpet style, via plane, for a week-end in New York. While there they attended a Demolay installation ceramony . . . Tuesday, Kenny Timmons, the body man, and his buddies left for Leesburg, Fla., to get a preview of the Columbus Jets in training . . . While vacationing in Miami, the O. D. Hathaways celebrated their 29th wedding anniversary . . . A belated happy birthday wish to George Meece. He was 96 years young on Feb. 28.

The Larry Kennedys are knitting tiny garments . . . Recently the Albert Clarks announced the marriage of their daughter, Patty, to Larry Parsons. They were wed in a quiet ceremony on Feb. 3 in the Liberty Methodist Church at Liberty, Ind. Mr. Parsons is an associate of Westinghouse . . . The Glenn Thrushs are new residents of Las Vegas . . . D. M. Meyer received a special emblem commemorating his completion of 30 years of service with the company.

Mrs. Edward Fisher is the newly elected vice-president of the Council of Leagues of the Good Shepherd Convent . . . At this writing, Seaman William E. Levering and Theodore H. Follmer, USN, are at Norfolk, Va., awaiting further assignment to a naval unit . . . Earl James, the Ford truck salesman at Beasley-Grove, has taken up flying and will soon be taking his pilot test examination . . . In the very near future, in Garden Heights, the Speedway Petroleum Corp. of Detroit will erect a super service station across from the Seven Acres Camp. The land was leased by the company from the George Painters.

YOUR BRANCH LIBRARY

Several Historical Novels, Mysteries And Westerns Among New Books

By Mildred Pfeifer
Librarian

Historical novels head the list of new books this week at the Hilltop Branch Library, 2969 W. Broad-st.

"Both Banks of the River," by Anyie M. Briggs, is a novel based on the life story of Charles Journeycake, last principal chief of the Delaware Indians. Around the Aztec Indians of Montezuma is plotted a narrative of tremendous sweep. "The Golden Princess," by Alexander Baron, portrays Cortes as a powerful figure who believed it his destiny to sweep all before him. Still another phase of Indian history, this time the story of the untamed Sioux tribes of South Dakota, is told by Verna Moxley in her "Wind Till Sundown." Switching again to the south, in his "Shadows In the Dust," John Jennings tells of the siege of Santa Rita Del Cobre, when for days the whole town waited for the silent Apache.

Those who read "The World Is Not Enough," by Zoe Gidenbourg, will welcome its sequel "The Cornerstone." The hero of the earlier book is an old man wandering through France. A vivid picture of the 12th century, "The Cornerstone" is a rewarding meaty novel.

The name of David Garth spells to most readers adventure and intrigue. His new novel, "Three Roads to a Star," will be rewarding as usual. "Benton's Row," by Frank Yerby, returns to the Louisiana of "The Foxes of Harrow" and is another saga of four generations of a fabulous Deta clan.

Several mysteries and westerns complete the fiction list. Collected from the American Weekly are a number of crime stories by the world's foremost crime writers. There are also "The Dream Walker," by Charlotte Armstrong; a new Earl Stanley Gardner mystery, "The Case of the Glamorous Ghost,"; a new Ellery Queen, "Queen's Bureau of Investigation"; "Storm Fear," by Clinton Seeley, and "Black Powder Empire," by Rutherford Montgomery.

Excellent for Lenten reading is the second series of Bishop Sheen's "Life Is Worth Living," and an inspiring book, "Lives of Saints," with excerpts from their writings.

SPRING FEVER

The languorous flowers,
The lullaby showers,
Or maybe those factors, combinative,,
Have made me a drip, too;
I haven't the zip to
Ambitiously split an infinitive.
Mary Anspach Simon, in her book, The Hooky Well,

And speaking of spring fever — who else has it? Sunday afternoon (Feb. 27) we drove out to Buckeye Lake and saw many signs of spring along the way and at the lake. People were cleaning and painting cottages at the lake; men and women and kids were fishing in the canal that runs through Millersport, the poor man's Venice; some of the trees were showing faint green; we saw two kites; lambs were jumping around like Scamper; the grass was green in some yards; here and there a window was open and the curtains were blowing, and in several roadside parks picnics were taking place, although we noticed the young people were staying pretty close to the fires in the barbecue pits. And at home, the neighbor - who-is - always - the - first - to - finish - her - house - cleaning has that look in her eye.

Mail — From Columbus: Ogden Nash said he said "Candy is dandy but liquor is quicker" but I remember a columnist on a western paper says HE said it first. Think I'll write to Ogden and suggest "Let's you and him fight it out," only who cares who said it first? Sounds Ogden Nash-ish to me . . . From Columbus: My Dad says his salary runs to four figures — Mom and his three daughters. He probably heard that on TV or some place for we are not really extravagant. . . . From Douglas, Ga.: Come down and meet Spring, don't wait for her to get to Ohio. She is here already.

• • •

In Passing — Have just finished No Time For Sergeants and have started Love Is Eternal. There is variety for you, but if you are blue, read the former and forget the blues . . . For a pleasant afternoon drive, try Route 16 to Newark. The highway has been remodeled and all the curves and dips cut out . . . We stopped to look at Hoover Dam Sunday afternoon, along with hundreds of other Ohio-ans, and a man in the crowd said "I'll say this for the people in Ohio — give them something worth looking at, and they'll look!" Also in the crowd was a family of three children and the dad and mother. One little girl said "That stone down there is where our kitchen used to be."

• • •

From somewhere — A baby will make love stronger, days shorter, nights longer, bank rolls smaller, homes happier, clothes shabbier, the past forgotten and the future worth living for . . . Church sign: What on earth are you doing for Heaven's sake? . . . Drive so that your driver's license expires before you do . . .

If you of fortune be bereft
And of your store there be but left
Two loaves, sell one and with the dole
Buy hyacinths to feed your soul.

Instead of "Drums Along the Mohawk" this past week there were "Drums on the Hilltop." The chiefs of the Hilltop Y Indian Guides met for their quarterly Hilltop Nation Longhouse and planned many special events for Big and Little Braves of the Hilltop Nation, who are especially looking forward to Apr. 17, when they will conduct their annual Kite Contest at Westgate Park.

Another special event is the Bunny Hunt, which will be held Apr. 2 at 1:30 p.m. at Westgate Park. Each Little Brave will be required to buy a "hunting license" to be eligible to hunt for the bunny. The Wyandottes have elected C. Carlton Hartley as their new chief and the Cherokees have as their new chief Jack Spencer. The Miami Tribe have also elected a new chief, Howard Beougher.

MAKE YOUR BURIAL NOW!
ASK YOUR PASTOR
He'll tell you it's wise to plan your family burial estate NOW!
Sometimes people turn to him in time of sorrow, so knows so well that is no time for the bereaved to have to hurriedly select a cemetery lot.
He'll tell you, "The selection of a family burial estate is a family matter that should be agreed on by all after due consideration has been given the subject." The time to do it is now, when weather and [illegible] are favorable.

Rev Anthony

"BLESSED ARE THEY..."

As the little birds trust the mother bird, so let men trust God. If a sparrow cannot fall without God's attention, if He counts the hairs of our head . . . why do we fear (Mat. 10:29-31)? Worry about future security? God is the security for those who trust Him. Your Heavenly Father feeds the birds, and you are of far more value than they (Mat. 6:26). *"Blessed are they who hunger for God's good things; they shall be filled."* In childhood we needed mother and welcomed her . . . as adults we need God and ignore Him. In prosperity we forget God, the Bible, the church; but when disaster comes we want them all.
As your days so shall your strength be (Deut. 33:25). He will cover you with His feathers, and under His wings shall you trust (Psalms 91:4). Then why not trust God where you cannot see; the plan is His, the promise yours. "Blessed are they."

You In The Church... The Church In You
Form a combination for good. We should attend church regularly. Every man, woman and child needs the influence of the CHURCH. Be faithful. Be a Churchman!

Hilltoppers, Celtics Lose In Inter-Center Tourney Finals

The Hilltoppers, Glenwood Recreation Center's senior boys entry in the inter-center tournament, went as far as the finals before they were knocked off by Beatty, 49-42.

The Hilltoppers managed to sneak by Schiller, their first opponent, 34-30. This victory came on a last second basket by Ronnie Reeb and two foul shots by Pete Spurlock.

At the half of the Glenwood-Beatty game, Glenwood was leading 23-11, and seemed destined to cop the tournament. Beatty players had different ideas, however, as they came back strong in the second half to overpower the Hilltoppers. Reeb again paced the Hilltoppers with 18 points.

The intermediate Celtics romped over Sunshine, 49-12, in their first game, but could not hold up against Beatty intermediate, the final score reading, 51-32. Bob DeWitt and Jeff Dum paced the Celtics in each game with their rebounding and shooting.

The Jailhouse 5, junior league entry, were bumped in their first game, also by Beatty. The score of this game was 21-11.

The above three Glenwood teams will play one more game, which will mark the end of Glenwood's 1954-55 basketball season. Each team will play its respective league winner during Glenwood's open house program.

Blazers Cop City Basketball Title

The Blazers defeated Beatty, 24-14, in the senior girls inter-center basketball tournament finals, Thursday, Mar. 3, at Schiller Recreation Center. The Blazers represented Glenwood Recreation Center.

Beatty held a 6-5 edge in the first quarter, but Glenwood came back in the second, outscoring Beatty 27-1, to take over a 12-7 lead at halftime. In the last half, the Blazers out-pointed Beatty 12-7 to take a 24-14 decision.

Captain Sonia Forgrave took scoring honors with 14. Other teammates were Annette Forgrave, Eleanor Curry, Barbara Stocker, Sue Atkinson, Beth Sheets, and Ann Calland.

The Blazers defeated Schiller, 23-16, in the semi-finals.

The Striking Six forfeited to Schiller in the finals, and the Hilltop Hoppers also forfeited to Schiller in the finals. The Striking Six and Hilltop Hoppers were Glenwood's junior and intermediate representatives, respectively.

Two Overtime Battles Features Of Hilltop Y Intermediate Loop

By Harry Grashal

Two overtime battles featured play in the Hilltop YMCA Intermediate Church League this past week as West Park Methodist dropped West Sr. Hi-Y 29-27 and Hillcrest Baptist nosed out Burgess Avenue EUB 44-42. In the other game, the league leader, Westgate Methodist, had an easy time with Hoge Memorial Presbyterian, 58-22.

Hillcrest Baptist copped its first game of the second round, and, in doing so, played its best brand of ball of the season. Gary Erlenbach played a very fine game in leading Hillcrest to victory, his three points in the overtime proving to be the winning margin. Byron Poston kept the Burgess team in the game as he tossed in 20 points in addition to playing a sterling floor game. Karl Davis chipped in with 11 for Burgess, while Tommy Coffman with 10 and Don Bieber and Fred Lanch with nine each aided the Hillcrest cause.

Chuck Deyo was the big difference in the West Park overtime win over West Sr. Hi-Y, as he not only led the scoring with 15 points but dominated both bank-boards. Goals by George Breckenridge and Tommy Sowers in the overtime period sewed up the game for West Park. Bob Wilkins and Bill Borland managed to keep Hi-Y in the thick of the fight.

Hoge Memorial, playing without the services of leading scorer Dick Witter, (a flu-bug victim) was no match for Westgate Methodist as the Big Blue team poured it on. Westgate's big three in this contest were Jerry Pollock with 17, Bob Kern with 16, and Dick Berlo with 13 points. Bobby Brokaw was the only consistent scorer for Hoge Memorial with 11 points.

Sullivant Ave. Airport —

from E. O. Climo, thus providing for an additional 1,150 feet extension of the north-south runway. This, too, would be included in the asking price of $300,000.

At present, the airport has a 2,700-foot north-south runway, 94 feet wide. With its extension it would be more than 4,000 feet long and able to accommodate twin-engined DC3's if widened to 60 feet, Jones said.

Jones has indicated a desire to lease back a portion of the field from the city to operate his flying service, which now has approximately 40 airplanes based there.

Bolton has agreed with Jones' statement that Sullivant Avenue Airport "is needed as an auxiliary port to relieve the traffic pressure currently existing at Port Columbus. Municipal ownership of the area, however, would serve to protect this air facility and in addition, as an offshoot advantage, might very easily result in bringing into the municipal corporation a considerably larger surrounding area."

It was pointed out that if the city owns the airport, zoning laws can be enacted to protect it from encroachment of housing developments.

Mayor Bansenbrenner, while attending the Mar. 3 city planning commission meeting, declared that the city should fight to maintain its perimeter airports. Planning Commission Chairman Stec said an airport is needed on the Hilltop for the convenience of industry and business.

Jones, a veteran of 31 years commercial time in and around Columbus skies presented his idea for selling the airport to the city in an exclusive interview in the Record on Oct. 14 of last year. At that time he expressed his intense desire to make certain that the airport remained in use for that purpose, but explained that constant pressure on him to sell the land as housing developments came closer and closer.

Since the lengthy question and answer interview appearing in the Record, Jones reports he has had only one complaint. A lady called to object that occasionally planes overhead interferred with her television reception. The Record, too, received no complaints about the airport following the article.

Several city councilmen have reacted favorably to plans to buy the strip, Jones said. Among these are Jerry Spears, Jr., Hilltop Republican councilman and independent GOP candidate for the mayoralty nomination in the May primary. Spears, a military pilot in World War II, piloted a plane over the airport on Saturday and asserted he would be more than willing to pilot fellow councilmen over the area to familiarize them with the general lay of the land.

All interested agencies are awaiting with considerable anticipation a report on "satellite airports," started by Ohioans Research, Inc. last September, and expected to be completed within the month.

Glenwood Methodist Retains Its Lead In YMCA Jr. Church League

By Dick Wilson

Glenwood Methodist retained its first-place position in the Hilltop YMCA Junior Church League last Saturday as it gained another victory through the forfeit of Community Christian. This gave the Methodists an unblemished record of 12 straight wins.

Burgess EUB went down to defeat at the hands of Westgate Methodist to the tune of 31-14. The score was tied 4-4 at the end of the first quarter, but then the Miller-coached team forged ahead. The EUB team was able to accumulate only one basket until the last few minutes of the game. However, it did hit six out of nine foul shots. Danny Grosh and Dave Ewing led the scoring for the victors with 10 points apiece. Roger Bruns and Jimmy Winterman scored all 14 points for the losers.

West Junior Hi-Y threw a scare into a highly favored Hoge Memorial team in the third game of the afternoon as it stayed within three points of the Presbyterians until the last few minutes when Johnny Herold, the only tall player for the losers, fouled out. Herold was high for the losers with 15 points, while Jim Topping led the victors with 14. Jerry Francis was outstanding defensively for the losers and Bob Smoot starred defensively for the victors. The final score was 41-32.

Westgate EUB won by forfeit over Hilltop AC when the AC team failed to field enough players to start the game. In a practice game, the combination AC-Westgate EUB team won over the Westgate EUB 41-34.

Metz Hits 5-7-10 Split In Glenwood Jr. Kegling League

Ralph Metz, captain of the Hot Shots, turned in a 5-7-10 split in the Glenwood Junior Bowling League at the Hilltop Alleys on Feb. 28.

Jay Hess took the lead for high averages by maintaining his 106. Bill Quinn is second with a 104 average, and four bowlers, Jim Pendergast, Jim Kerins, Louis Nobile, and Norm Esterbrook are third with averages of 103.

Bill Quinn and Jay Hess won the high game and high two game honors with scores of 144 and 232, respectively.

The King Pins are still leading the league with a 28-4 record, and a total of 23,940 pins.

Other team honors are as follows: highest game to date, Pin Busters, 831; and high series to date, Hot Pros, 1,516.

Walker's Petition For Council Voided

Well-known Hilltopper Eddie Walker, 240 Demorest-rd, was kicked before he started in his bid for Republican nomination for city councilman when the Franklin County board of election Tuesday disclosed that his petition for the May 3 primary did not contain sufficient valid signatures.

Charles E. Davies, board clerk, said that Walker filed a petition bearing 1,614 names, but that 448 were disqualified, leaving Walker 123 short of the required 1,288 signatures. The same thing happened to Mrs. Constance Curtis Nichols, a Democratic candidate for council. Now, only 11 are in the race for the eight nominations for city council to be filled at the November election.

This Week's Smile

There was the fellow who got a dollar too much in his pay envelope and didn't say anything. The next week the paymaster discovering the error deducted a dollar, "Say", the fellow said, "I'm a dollar short." "Well," said the paymaster, "you didn't complain last week when you were a dollar over." "Yes, but a guy can overlook one mistake, when it happens a second time, it's time to complain."

JUST FOR FUN?

Can anyone tell us why members of the fairer sex prefer to spend hours talking about other people's petty affairs?

HOW DO THEY DO IT?

One trouble with the world is the great number of people who seek to live without working.

WHEN?

The football alumni groups are now about ready to turn the nation's colleges back over to the educators.

with the victim a 69-year-old woman who was criminally assaulted but not raped.

The Eakin-rd victim described her assailant as about 30, rather short, medium build wearing a black leather jacket with slash zipper pockets. Lane said the outfit sounded as though it might be the type often worn by motorcyclists.

She told Lane that the man started toward her telephone after being admitted to her home, then followed her as she went upstairs to get a pair of slippers. She was clad in a robe and night clothes. He grabbed her at the top of the stairs and she lost consciousness during the struggle.

A saleslady at a downtown store, the victim had been at home because of illness. Her husband had left for work at 11 p. m. Monday and she was watching a television show when the assailant appeared.

Work Starts On $70,00 Hilltop Medical Center

Work has already started on a new $70,000 medical diagnostic center at 1211 Dublin-rd, it was disclosed this week by Dr. Norman O. Rothermick, one of the members of the corporation formed to sponsor a center which will be utilized by five private doctors. General construction of the brick building, which will include some 25 rooms, will be by the George Stegmiller Co.

To be known as the Columbus Medical Center, the structure will be ready for occupancy by midsummer, Dr. Rothermick said. Complete X-ray and other diagnostic equipment will be housed in the approximately 4,500 square feet of usable floor space, he added.

Hilltop Boys —

(Continued from Page 1)

By this time, the youngster was good and scared and he broke down right away under police questioning. He identified himself and gave police the address of his home, about seven blocks away.

But more important, he identified his companion as being his 14-year-old brother. The same teen-ager, police recalled, had been involved about a fortnight before in the theft of change from two Ohio State Journal bus stop newspaper sacks.

Apparently the only thing that happened to either of the two youths, who had made life a pretty nerve-wracking existence for the scared victims the past two days was that they were reprimanded by the police officers. And their parents were given stern warnings about keeping closer check on their erring children.

The older youth, who had also gotten off scot free only days before when the Journal declined to press charges against him for the theft of change, told the police that a third boy had written another threatening note to the extortion victims. He was unable to supply police with the other boy's name.

There's not much to add, except that the Hilltop Postal Station, coincidentally figured in another extortion note from juveniles back in May of 1953. Another 14-year-old this time, too, was the "brains of the gang."

In the 1953 case, the youth and several of his pals sent a threatening note to a man in the neighborhood they didn't like because he kept chasing them away from his Binns-blvd home, police said. Postal authorities got into this case, too, because the note was mailed, without benefit of a stamp, in the Hilltop Postal Station.

Hilltop Sgt. Pat Montenaro and detectives were assigned the case for city authorities. The affair broke when detectives were able to trace the letter to the guilty youth. He was placed under his parents' custody and, since then, there have been no negative reports on the boy. Postal authorities dropped their charges in this case when they observed the sincerity of the parents and desire of the youth to reform.

So said a prosperous business man, not giving recognition to the fact that few people are really successful without the aid of others. But an accounting day is coming to all of us. And in your sunset years won't it give you a much better feeling if you can recount what you have done to help others down the pathway of life.

Limited space prohibits telling you more here but if you will write me, I will send at once and tell you how I received this wonderful relief.

6 MAP PLANS—Members of the Hilltop Inter-Church Youth Council discuss plans for their first all-social event tomorrow evening at Glenwood Recreation Center. Chairman Dick Trott, seated, has been aided in the planning of the party by, standing, left to right Byron Poston, Shirley Anderson, Marion Gooisby, Ruth Evan and Bill Greene.

Hilltop Inter-Youth Council Will Hold First All-Social Event Tomorrow Night

The recently organized Hilltop Inter-Church Youth Council will sponsor its first all-social event Friday, Mar. 11, at the Glenwood Recreation Center from 7 to 10 p. m. Entertainment, games, stunts, mixers and refreshments are included in the evening's activities.

This party is open to all youth of the Hilltop. Since all previous Hilltop Inter-Church Youth Council activities have been scheduled on Sunday evenings, this Friday night affair offers an opportunity for churches not yet participating to get into the group.

There will be an admission charge of 10c to help cover the costs of the refreshments.

Advance activities announced by the group include the regular monthly rally and songfest to be held Mar. 27, at 8:45 p. m. in the Highland Avenue Friends Church and the showing of the classic film "King of Kings" on Monday evening, Apr. 4, at the Hillcrest Baptist Church at 7:30 p. m.

Cub Scout Pack 214 Will Meet On Friday, Mar. 18

Cub Scout Pack 214, sponsored by the Holy Name Society of St. Mary Magdalene Church, will deviate from its regular schedule by holding its next meeting on Friday, Mar. 18, following church services. Normally, the pack meets the third Wednesday of every month in the church's St. Raymond Hall, according to Howard Wilson, 89 Powhatan-av, pack secretary.

Safety posters designed by the individual cubs will be the theme of the March meeting.

Having a current membership of 36 boys, Pack 214 was organized in 1947 with Tom Howells of 438 S. Huron-av, as its first cubmaster. The present adult officers of the pack include William J. Faller, 397 S. Westgate-av, committee chairman; William E. Garrett, 846 S. Chestershire-rd, cubmaster; William J. Walter, Jr., program chairman and assistant cubmaster; and Marcus Cronin, 286 S. Westgate-av, advancement and achievement chairman.

Den mothers are Mrs. Frank Christ, 450 S. Westgate-av; Mrs. Charles Reani, 760 Chestershire-rd; Mrs. Ray Maxwell, 463 S. Hague-av; and Mrs. J. E. O'Connor, 660 Wiltshire-rd.

Mayor Lashes At 'Magic Juggling' In Budget Speech

Mayor Maynard E. Sensenbrenner Monday night presented to the Columbus city council his tentative 1955 operating budget for the city, calling for expenditures of $10,978,509, some $1,945,145 above the adjusted anticipated income for the current year.

Lashing at the "clever bookkeeping sleight-of-hand" which enabled the former administration to report a balanced budget for 1953, Mayor Sensenbrenner cited various examples of "financial sin" formerly indulged in which gave the illusion that income was greater than actual expenditures.

The mayor specifically mentioned such practices as paying employees working in general fund divisions with money from self-sustaining divisions and failure to make payments on schedule into police and fire pension funds. "If all the police and fire pension payments due in 1953 had been paid in 1953," Sensenbrenner stated, "general fund operations for that year would have been in the red."

After the mayor had completed his address, City Auditor R. P. Barthalow replied to Sensenbrenner's request for a budget report in three days with a heated "He'll get my report all right, but not until I'm darn good and ready!" The mayor then rose again and said calmly, "I want to thank you for your cooperation, Mr. Barthalow." The audience in the council chamber, numbering more than 250 policemen, firemen, bus drivers and other interested citizens, accorded the mayor a good hand for this statement.

In other business, Jerry Spears, Jr., was apparently the only councilman with the courage of his convictions on the controversial South Side sewage treatment plant, when he cast the lone dissenting vote as the council repealed an ordinance to buy the 57-acre south side site for location of the plant.

Spears also introduced a resolution with considerable "chamber support" when he proposed that city council direct Utilities Director Ivon Ulrey to draft a letter to the Columbus Transit Co. asking that the contemplated Mar. 14 service reduction be held off for a period of 60 days to allow time for study.

Hilliards May Be Site Of Clinic For Salk Vaccine

A special clinic will be set up in Hilliards Elementary School to administer the Salk Polio vaccine to students of nearby schools, if the vaccine is licensed by the U.S. Public Health Association and released through the state health department, it was disclosed Monday by Dr Robert A. Evans, county health director.

The Hilliards clinic, one of five in the county would service students from Hilliards, Dublin, Lincoln Village, Our Lady of Peace School in Marble Cliff; Norwich, Brown, and Prairie Townships; Norwich Special School District; and Jerome Township in Delaware County.

Stately's Open Store At Central Point

Announcement was made this week of the opening of Stately's, a women's apparel shop at Central Point Shopping Center.

Located in quarters formerly occupied by Jones Women's Wear, the new store will have available "medium to better quality dresses," according to Hal Abrams, owner.

Boasts First Grandson

Rev. James F. Lorenz, pastor of Community Christian Church, was beaming yesterday morning as he revealed that his daughter and son-in-law, Mr. and Mrs. Phil Fulton, 2822 Clifton-rd, were presented with a six pound, 14 ounce son Tuesday night in White Cross Hospital. The new arrival is the first grandson for Rev. Lorenz. Both Mr. and Mrs. Fulton are West High graduates. They also have a three-year-old daughter, Debby.

A GATHERING OF THE CLAN

Shamrock Club Will Hold St. Patrick's Day Fest On Sunday

A meeting of the Shamrock Club is scheduled for Sunday, Mar. 13, in the Knights of Columbus Hall, 80 S. Sixth-st, at 2 p. m. Preparations are nearing completion for the observance of St. Patrick's Day, when shamrocks will be sprouting, Irish flags flying, and top hats as well as shillelahs abounding. Such tunes as "McNamara's Band," "Harrigan," and "The Wearing O' the Green" will delight the hearts of those who honor the patron saint of the Emerald Isle.

Officers of the club are president, Edward A. Moriarty; vice-president, Joseph E. Ryan; treasurer, John T. McNerney; and secretary, Jerry J. Walsh. Rev. Harry S. Connelly, pastor of St. Joseph Cathedral, is chaplain. Publicity is being handled by Al McNulty, Bill Foley and Larry Corcoran. "Buddy" Cotter, well known in musical circles, heads the entertainment committee.

Tickets for the shamrock breakfast are on sale and the demand for same has been heavy according to reports, the committee in charge said.

Townsend Club To Meet

Townsend Club 33 will sponsor a public Irish stew dinner from 6 to 7:30 p. m. Thursday, Mar. 10, in W O W Hall, 568 S. Third-st. Starting at 8 p. m., Guest Speakers Municipal Judge Fred Donnelly and Albert Giles, chief counsel of the Franklin County prosecutor's office will appear on the program. Letters concerning progress in Washington on Townsend Plan measures will be read from Senators Barzarat Chase Smith and Hubert Humphreys.

Michael F. Murtha, chairman of the committee in charge, has urged that reservations be made without delay.

Parking Courtesy

A local man came into our office this week to express the opinion that there should be more courtesy among auto drivers, and with which we agree wholeheartedly.

Just recently within a couple days this man in particular has had his car bumped while it was parked in the street. Another driver backed into it once and left a side of his car damaged and then again his car received scratches while parked. Each instance cost money for repairs.

Chances are that drivers of the cars at fault have insurance that cover such accidents but they did not have the courtesy to leave a note or card in the damaged car.

Ever have this happen to you? Then you know what we mean.

Are They Going To Keep Fiddling While City Burns?

All these outbursts down in city council chambers between the council and mayor make interesting reading matter at times but they prove above all else that our citizenry should be giving some very serious thought to the forthcoming election and prepare to do something about this situation.

The most important matter facing city fathers today is that of providing adequate money with which to provide adequate city services. This is no new subject yet it appears that, this being an election year, council wants to continue fiddling while the city burns.

We realize that any discussion of raising revenue is not a pleasant one to face. It is very obvious that both the council and mayor are anxious to stay away from the subject.

But such action brought about by lack of cooperation between the two is detrimental to the best interests of the city. It is disappointing that both sides can't come up 100 percent behind a program for the good of the city without allowing any one candidate to use the situation to jockey for position.

A solution to the matter might be the appointment of a committee of capable business men of the city to make recommendations for a solution of the matter.

GREENERY ADDED TO CHERRY BLOSSOM TOUR

Record Offers $10 Prize For Best Story Of Hilliards High Band Tour

The Hilltop Record will offer a prize of $10 cash for the best story and accompanying picture submitted by a member of the Hilliards High School Band taking part in the Cherry Blossom Festival in Washington, D. C., on Thursday, Mar. 31.

All entries must be in the office of Hilliards High School Principal Warren F. Thomas by Friday, Apr. 8. The name of the winner will be announced in the following issue of the Hilltop Record. Accounts of the trip will be limited to 500 words.

Two chartered buses will carry the 50 members of the Hilliards High band and accompanying adults to Washington and back. According to M. D. Hartsook, Norwich Township superintendent of schools, the group will leave Hilliards on Wednesday, Mar. 30 and take part in the [illegible] Festival and Parade on Thursday, Mar. 31. Also on the festival day the group will visit the Senate and the "Home" of Representatives, which will be made possible by the nearness of the hotel in which they will stay, the Dodge Hotel.

Plans for Friday, Apr. 1 include a visit to Mt. Vernon and Arlington National Cemetery. On Saturday, Apr. 2, the band delegation will split into two groups for tours of the Smithsonian Institute and the National Art Gallery. On Apr. 3, the band will start its journey back to Hilliards.

Hartsook said the band has been "doing a fine job and the trip is the reward that members of the Music Boosters group is giving them." The Music Boosters have paid for the chartering of the buses, sightseeing tours, and guides.

A special evening concert on Monday, Mar. 28, in the school auditorium, will aid the band in helping to pay its share of the trip, Hartsook said. The event will be called the Pre-Washington Concert and will offer admission [illegible] an evening's music of popular and semi-classical music at 50 cents per person. The entire community is asked to back this worthy undertaking, Hartsook declared.

Among the adults who will accompany the band on the tour [illegible] director, Mr. and Mrs. John Ridsell of the Russell Grain Co., who are also members of the Music Boosters; Mr. and Mrs. M. D. Hartsook; Mrs. F. A. Gardella, president of the Music Boosters; and several other members of the Music Boosters and parents.

The Cherry Blossom Festival, a nationally famous school event, is held each year in Washington for the bands of hundreds of city, county, and township school bands. With participation by invitation only, Ohio is honored this year by having the largest number of bands participating. Forty bands from Ohio will take part.

Byron Ball, above, of 369 S. Richardson-av, was recently named president of the Hilltop Athletic Club. Ball is a graduate of West High. Other new officers include Jack Waide, vice-president; Robin Sharp, secretary; and Eddie Glieb, treasurer.

Lenten Prayer Asks Understanding That God's Love Encompasses All

By Rev. C. T. Langheit
St. John's Evangelical Lutheran Church

Praise and adoration be unto Thee, our Father, for the greatness of Thy love. Help us to see clearly that Thy love encompasses even us, and that, as a result, we, too, have a Savior, through Whom we can be blessed forevermore.

Praise and adoration be unto Thee, our Lord, that in the fullness of time Thou didst submit to suffering and death that by Thy stripes we can be healed. Lord, have mercy upon us; Christ, have mercy upon us; Lord, have mercy upon us, and grant us Thy peace.

Praise and adoration be unto Thee, O Spirit of Truth. Help us to know the truth that can make us truly free. Grant that men everywhere will so respond to Thy gracious work that sin will yield to righteousness, hatred to love, sorrow to joy and despair to hope. For Jesus' sake we ask it. Amen.

Fire Results In $5000 Damage

A fire which broke out from undetermined causes in the kitchen of the home of Hilltop Realtor Mary Slane, 728 Racine-av Saturday afternoon, resulted in damages of between four and five thousand dollars, Mrs. Slane estimated Tuesday.

Making a telephone call at the time the kitchen started to blaze, Mrs. Slane called the fire department, then went outside to call her dog. She fainted, apparently from shock, and was revived some 15 or 20 minutes later.

In addition to complete gutting of the kitchen, Mrs. Slane said the fire and its smoke damage would require replastering of the dining and living rooms, extensive repairs to the bathroom, and cleaning of all clothes and furniture. The kitchen and bath were just recently completed and the house was decorated and remodeled [illegible] months ago.

Scared By Mysterious Blasts? ...You Weren't The Only One

If you were frightened "out of your wits" at 5:30 p. m. Saturday, Mar. 12, when two loud "mystery explosions" rocked the Hilltop and adjacent area, you weren't alone.

Five Hilltoppers, called at random, indicated they thought the blasts were anything from tragedy in their own home to a jet plane breaking the sound barrier.

But no aircraft were reported in the vicinity capable of causing a "sonic blast," nor were sheriff's deputies able to find the cause for the startling booms in more than an hour of checking through the northern Franklin and Norwich Township areas, according to Lt. Elsworth Beck of the investigation division of the sheriff's office.

Here's what some of your neighbors had to say about the "big noise:"

Mrs. Clarence Peaks, 789 S. Richardson-av, "My husband used to work at Marble Cliff quarry, and he thought they might have set an overcharge while blasting."

Mrs. Edward Shea, 35 S. Wayne-av, "I was standing on the porch when I heard the explosion. My husband had been soldering with a torch, filled with Prest-o-lite, and of course I thought something had happened to him."

Mrs. F. L. McCarley, 3499 Clime-rd, "I knew it couldn't be blasting from the quarry because it seemed to be east of us. My husband thought it was a jet plane."

Mrs. Velley Love, 586 Hilltonia-av: "We had company and had the TV on, too, so we didn't hear it very well. I couldn't even tell from what direction it came."

Richard Crum, 797 S. Roys-av: "I was home at that time but I heard no explosion."

If You're A Day Ahead of Yourself, Blame The Record

If you are a little confused about receiving your copy of The Hilltop Record on Wednesday afternoon instead of on Thursday, then you are a perfectly normal Hilltopper.

You have joined that select multitude of Columbus citizens who have for years received this newspaper every Thursday by mail, but now discover that it is being delivered late Wednesday afternoon by carrier boy.

What really "throws" 'em is that, despite the day earlier delivery, the datelines still read Thursday. So, comments such as: "Ma, what day of the week is it?" have become fairly common, according to many who have phoned in and asked "How come?"

Taking our faithful subscribers into our confidence, we will attempt to explain the whys [illegible] of the situation which [illegible] to bring here immediately [illegible].

For several weeks The Hilltop Record has been undergoing a changeover from mail delivery to the boy carrier system. This was far too big a chore to attempt in just one week throughout the width and breadth of the Columbus area covered by this newspaper. So, it was done piecemeal—one area one week, another added the next—until now we have just about completed the tremendous task of organizing and supervising the delivery of some 13,000

Not Re-Election Candidate, Says Valleyview Mayor

Charles Ringer, who will complete his second two-year term as mayor at the end of this year, this week disclosed that he will not be a candidate for re-election in the November election. He said personal reasons prompted his decision. Ringer has been active in government of the village since 1942, serving as a member of council and president of the body before his election as mayor.

All elective offices in Valleyview will be open for the non-political election in November. Candidates have until Aug. 10 to file petitions with the county board of elections. Among the elective offices will be the six councilman posts and treasurer.

The job of mayor carries a salary of $350 a year, with councilmen receiving $2.50 for each of the 12 scheduled meetings a year and the same amount for extra sessions. Salary for the treasurer's post is $125 annually. Other offices and their annual salaries include clerk, $150; counsellor, $360; and marshal, $740.

Ringer, resident of Valleyview since 1926 at 2684 Elliott-av, said he was confident that whatever group of candidates developed after August filing, the policy of "slowly but surely" improving village streets would continue.

Localite Spring Fever Victim As Limb Breaks

John W. Hummel, 57, of 142 N. Harris-av, was a victim of spring fever Saturday afternoon, according to his wife. She said he jokingly referred to the weather and said he'd choose trimming the cherry tree in the back yard to helping her with the spring cleaning.

It was a poor choice because the ladder on which he was standing collapsed when a limb on the tree broke. Hummel was in good condition at Mt. Carmel Hospital with a compression fracture of the back and the possibility of a couple of fractured vertebrae. Doctors said he'd possibly have to wear a cast for some time.

Rites Held For David Warner, Public Servant

Rites for David C. Warner, 82-year-old pioneer in water conservation, who lived with his son, Henry, at 250 Pasadena-av, in New Rome, were held at 1:30 p. m. Wednesday in the Jerry Spears Funeral Home. Mr. Warner, who served as water conservation consultant to the state department of natural resources and as executive secretary of the state water conservation board, died Monday in University Hospital of cancer.

Burial followed the rites in Union Cemetery.

Earning the title of "father of water conservation in Ohio," Mr. Warner had been active in conservation of all state resources since 1912, when he worked to get an amendment to the state constitution to permit the enactment of the first laws to conserve our natural resources. In the same year, he left the police department, where he had been known as the "singing policeman of Columbus." In later years, he was almost a "landmark" around the state house with his red walrus mustache and booming bass voice. During the years 1935 to 1941 Mr. Warner served in the job he had dedicated his life to without pay.

The work of Mr. Warner is credited with being largely responsible for the establishment of Tecumseh Park in Perry County, the creation of the Muskingum Conservancy District, and promotion of the Scioto-Sandusky and Maumee districts. One of the latest projects to feel his enthusiasm was plans for a skyline drive for Ohio, which would be a scenic highway from Bellevue to Huntington, W.

Bids Opened For New State School Dormitory Building

Bids were opened Wednesday on a new 120-patient dormitory at the Columbus State School, 1601 W. Broad-st, according to Eugene B. Hunter, institution business manager. The state has appropriated $225,000 for the structure, which will be located on the school's old ball diamond.

The new recreation field, Hunter said, will be located in a field along Broad-st and between the railroad track and the Broad-st entrance.

Meanwhile, an Akron construction firm was busily laying a sewer line to the new 22-classroom school building, southeast of the administration building. The sewer extension, which runs several hundred feet to the school, will go under Broad-st and connect with the sewer main which parallels the street immediately north of Broad-st.

Tunneling operations are not expected to interrupt traffic and will get underway some time next week, Hunter said. The school building, half completed, is expected to be ready for occupancy by Sept. 15. Built of brick and stone, it is of modern design with a long central hallway in front and five wings extending in the back. A $700,000 appropriation was provided by the state for its construction and furnishing.

The new dormitory and school constitute the first major construction at the institution for 25 years, Hunter said. Two small dormitories were built there two years ago.

The sewer project, which began last Friday, will be partially 10 and partially 12-inch piping, with a portion of the sewer line scheduled to connect to a new receiving hospital for the State School currently under consideration by the state legislature. Overall contract for the sewer project totals $12,466.

All members are invited to attend. Refreshments will be served following the meeting.

Current officers of the association include Clyde Crandall, president; Millard Pringle, vice-president; Francis McCarley, secretary; and Jim Moffitt, treasurer.

She says tickets are available for this evening and a few for Friday evening both in the school lobby during school hours and at the auditorium door before the performances.

Community Council Committee Starts Annual Tour Of Parks On The Hilltop

By Mrs. H. C. Booth

Spring is just around the corner and the civic improvement committee of the Hilltop Community Council, under Mrs. Ray Cave, chairman, is making its annual tour of Hilltop parks to see the many improvements scheduled for this year.

At Westgate Park, the multiple play area being viewed was installed in 1953 while Robert Schmidt, executive secretary of the Hilltop Y, was also president of the council.

This "project" had its beginning in 1948 during the time Jerry Spears, Sr., was the head of council and many workers solicited door-to-door for funds for a proposed outdoor skating rink at Westgate Park.

However, in 1949, the opposition to the plan was so bitter that the work was delayed, but in June 1953 a committee of council members, headed by Jerry Spears Jr., also a past president, and Nick Barack of the city recreation department, after much work and using the "Batchelor Survey" as a guide, presented plans that met with complete approval of the membership.

Two black top areas were constructed using the $800 and supplementary funds from the city recreation commission. One of the large areas, measuring 180 by 80 feet — includes facilities for shuffleboard, volleyball, and a large safe area for the use of small children's games. The other black top area is circular and 25 feet in radius. It holds two basketball practice boards.

MAKE TOUR—Shown as they toured Westgate Park last Saturday morning are, left to right, Bob Schmidt; Jerry Spears, Sr.; Mrs. Ray Cave, chairman of the civic improvement committee of the Hilltop Community Council; and Jerry Spears, Jr., all members of the committee. The committee is currently in the midst of a tour of all Hilltop parks to note improvements planned and completed. (Hilltop Record Photo)

Today, this is only one of the many improvements at the park.

Mrs. Cave also reports the installation of overhead heaters in the new Westgate Park shelter building, thus giving the facility year-around use to the community. Reported improvements at Westgate Park also include filling in of low, swampy grounds and the completion of the "Sunken Garden."

The Community Council is deeply grateful to Ray Deitz of the division of parks and forestry and Nick Barack of the city recreation department for their interest and cooperation.

Let's all work to keep this a beauty spot for the Hilltop.

Rites Held Saturday For New Rome Victim Of 'Race Of Death'

Charles Engel

A requiem high mass was said Saturday morning in St. Cecilia's Church for Charles Engel, 18-year-old son of Mr. and Mrs. Walter Engel, 177 Evergreen-Terrace, New Rome, who was killed in a "teenage auto race of death" last Wednesday night on Georgesville-rd. Burial followed in St. Joseph's Cemetery.

Just 27 hours after his youthful brother-in-law died in the Hilltop crash, Carl Melvin Seymour, 28, of 674 Livingston-av, father of four young children, was killed when the car in which he was a passenger rammed the rear of a semi-trailer truck early Friday in the 5000 block on W. Broad-st in New Rome. Both vehicles were eastbound.

Funeral rites for Mr. Seymour were held Monday morning in the A. J. Held Funeral Home. Burial followed in Greenlawn Cemetery, Chillicothe, O.

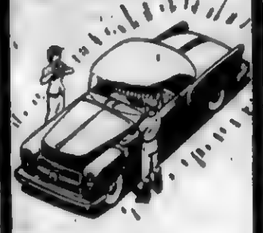
Driver of the car in which Mr. Seymour was killed was Paul T. Engel, 22, of 177 Evergreen-Terrace, and brother of the Wednesday night crash victim.

The Engel boy was the county's eighth traffic victim this year, while Mr. Seymour was the counties 11th traffic victim.

Survivors of the Engel lad include his parents, the brother, Paul Engel and two sisters Mrs. Carl Seymour and Mrs. Kenneth Chappalear, both of Columbus.

Survivors of Mr. Seymour include his wife, Delores, an expectant mother; four children, Joyce, 2; Williard, 4; Carl, jr., 6, and Linda, 7; his parents, Mr. and Mrs. Albert Seymour; five brothers, Russell, Robert, Williard, Donald and Herbert Seymour, and seven sisters, Mrs. Mary Thompson, Mrs. Irene Lehman, Mrs. Margaret Metler, Mrs. Mildred Boyd, Mrs. Betty Sammitt, Mrs. Blanch Seymour, and Mrs. Jean Wilkins.

The Engel boy was a passenger in an auto driven by William Radford, 19, of 425 Woodlawn-av, while the driver of the other vehicle was Thomas Junior Reed, 17, of 358 Southampton-av.



Sheriff's Sgt. Jim Potts and Deputies Don Gruber and Sam Zetty said Radford and Reed were apparently racing side-by-side on Georgesville-rd when both vehicles left the road. The cars slammed through a ditch, across a driveway and lawn, hit a cement culvert north of the driveway, ran over the top of a culvert, then grazed a tree and stopped in a ditch more than 250 feet from where the cars left the highway.

The body of Charles Engel was found near the tree and apparently had been thrown from Radford's car by the impact.

Paul Engel, Seymour's brother-in-law, was listed in fair condition Tuesday in Mt. Carmel Hospital with head injuries and possible internal injuries. Sheriff's Sgt. Paul Stormont said he was withholding filing of charges against Engel pending his hospital progress.

Deputies said Engel was driving at a high rate of speed when his car struck the rear of the truck. The right top of the car was sheared off by the impact. Seymour suffered head injuries and died instantly.
